#### DEDICATION

The merits of physical deeds contained herein now becomes a matter of record. As in all walks of life, the position one seeks to attain is guided by a set of principles, which dictates a course of action to follow.

It is with this in mind, that I exhort all members and employees of this Department to pattern their official, as well as personal conduct, along the lines of the "Law Enforcement Code of Ethics", which has long been the tradition of this Department and is embodied in the Rules and Regulations.

#### LAW ENFORCEMENT CODE OF ETHICS

As a Law Enforcement Officer, my fundamental duty is to serve mankind; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against violence or disorder; and to respect the Constitutional rights of all men to liberty, equality, and justice.

I will keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule, develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of the police service. I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

John Maley O

#### MILWAUKEE POLICE DEPARTMENT

#### ANNUAL REPORT

#### 1 9 5 6

Crime in the City of Milwaukee for the first time in three years has shown an increase in all of the following most important categories:

CRIME	1955	1956
Robbery	93	99
Aggravated Assault	257	325
Burglary	786	906
Larceny over \$50.00	1386	1877
Larceny under \$50.00	5182	5819
Auto Theft	957	1224

This increase reflects the general increase in crime throughout the nation in 1956.

## TELETYPE SYSTEM

The teletype system which was placed into operation in 1955 was expanded in 1956.

The first 12 teletype machines linked all the Districts and Bureaus of the Department. In 1956, the system was expanded so that now there are direct lines to Wauwatosa, West Allis, and the Motor Vehicle Department at Madison. Further expansion is planned to include all of the suburbs and eventually the adjoining counties.

## NEW FIFTH DISTRICT POLICE STATION

The new Fifth District Police Station will be located on the northeast corner of West Locust and North Fourth Streets. Three properties have been purchased and architectural plans are now being prepared. Destruction of existing structures is scheduled to begin this year.

## POLICE AIDE PROGRAM

The first group of Police Aides to complete the four-year apprentice period was sworn in as Police Patrolmen in June, 1956. There were 12 young men in the original group of which 8 completed the four year program and are now assigned to regular Police Patrolman duties.

## COLOR OF MOTORCYCLES

The color of the motorcycles was changed from silver to all white in 1956. This is an added safety feature making the cycles more visible during the nighttime. This is in line with the change-over in squad colors in 1955 -- black body with all white top.

#### SPEED WATCHES

Four speed measuring devices known as the Speed Watch were put into operation in 1956. From July 1, 1956 to December 31, 1956, 8,012 motorists were stopped for speeding through the use of this device. These portable units are used at different locations each day and they have proven very effective in detecting speeders.

#### PUBLIC ADDRESS UNITS ON SQUAD CARS

In 1956, eleven 25 watt mobile public address units were installed on uniform Patrol Squad cars distributed throughout the city. These units were installed by the Departments' Communications Bureau. Primarily for Civil Defense purposes, these units were used in parades and shopping crowds for instructing the public in safety measures.

#### CIVIL DEFENSE

Civil Defense activities advanced throughout 1956 with participation in more than 50 formal and informal meetings with personnel of other governmental units throughout the City of Milwaukee, and State of Wisconsin, for the purpose of discussing and planning Civil Defense policy and procedure.

A major accomplishment, Department-wise, was the development of a Standard Operating Procedure for Civil Defense emergencies.

Department personnel, involving regular in-service and auxiliary police participated in a National Defense Exercise, "Operation Alert 1956" held on July 20 & 21, 1956.

Liaison with the State of Wisconsin Committee for Civil Defense Highway Routes and Control Devices, resulted in the posting of evacuation route signs throughout Milwaukee County.

The recruitment and training of Auxiliary Police officers continued with the training of a class of 73 candidates in a 10-hour basic Civil Defense course. A continuous in-service training program is conducted at the Police District station level, and includes lectures and demonstrations in appropriate subjects. Auxiliary meetings are supervised by Police Sergeants, and are visited by supervisory staff officers. A high-light of the year for this group was the annual Auxiliary social held at the Schlitz Country Club on November 20, 1956.

The group of auxiliaries now numbers 696 members whose main duty embraces handling crowds and traffic supplementing the regular police force. Vital information is sometimes obtained by them in the prevention and enforcement of crime. Police Chief Polcyn awarded a citation for bravery in saving the lives of some men in a boating incident during the year, to one of these Auxiliary Policemen.
