Chief Howard O. Johnson
Chief of Police
Safety Building
935 North 8th Street
Milwaukee 3, Wisconsin

Dear Chief Johnson:

Permit me to commend you on a most excellent Annual Report for 1957 of the Milwaukee Police Department. The new manner of presentation, the legibility of the type, and also the pictorial display give a better understanding of what this tremendous department of Milwaukee government is doing.

I was especially interested to look at the statistics which the report presents and which, if studied carefully, should lead to definite policies on the part of Milwaukee government in order to reduce crime or to deal with the problems causing law violation. You and your department have a tremendous responsibility, and you are discharging it to the great credit of all Milwaukee.

Yours truly,

Frank P. Zeidler

CHIEF OF POLICE

HOWARD O. JOHNSON

May 17, 1957, rung down the curtain on the colorful police career of a man who had been destined to initiate unprecedented changes commensurate with the rapid pace and change of times within his decade of service as Police Chief in the City of Milwaukee.

Chief John W. Polcyn's successor, Howard O. Johnson, of Irish-Norwegian stock, had his beginning in his native city on December 3, 1907. He was reared on the south side of Milwaukee, attending elementary school and was graduated from Washington High. His thirst for education carried him through studies at the old Mechanic's Institute and University of Wisconsin.

Howard O. Johnson began his police career as a rookie Patrolman on May 7, 1934, having been assigned to No. 1 District Police Station. February 16, 1940, saw his transfer to the Detective Bureau as an Acting Detective, from where he was

promoted to Police Sergeant and assigned to No. 3 Police District on February 21, 1941.

On February 4, 1946, Sergeant Johnson was transferred to the Youth Aid Bureau where he assisted with procedural policies establishing this Bureau.

February 21, 1949, saw Sergeant Johnson promoted to Lieutenant of Police and assignments in No. 5 and No. 3 Police Districts.

On September 1, 1950, Lieutenant Johnson was assigned to assist in the Police Training School, where he helped develop training and lecture material as well as teach survival procedures to approximately 4,000 Civil Defense Block Wardens and 500 Auxiliary Police officers.

February 22, 1952 earns Lieutenant Johnson the rank of Captain of Police and becomes the "stepping stone" to the most coveted position within the Milwaukee Police Department. His duties as "Night Chief of Police," except for a short interruption as District Commander of No. 5 Police District, continued through his appointment as Deputy Inspector on January 22, 1954, where he continued as Night Commander of the entire City on the 4:00 P.M. to 12 Midnight Shift.

A devoted family man, Milwaukee's Chief of Police is the father of an 18 year old daughter and ten year old son. Family activities such as scouting, camping, hunting, and fishing, occupy as much of the leisure time that the Chief can devote away from his busy schedules.

Since taking office, the continuation of an "open door" policy wherein the Chief is available to all ranks of members and employees, has made its significant mark upon the entire Department.

CRIME IN MILWAUKEE

Crime in all major categories with the exception of two classifications, (Burglary and Aggravated Battery) continued to show increases in Milwaukee as well as along a national trend.

Along the reporting line, criminal complaints processed in 1957, totalled 17,908.

In all categories of inquiries as well as arrests, 32,000 checks were made through the general wanted files maintained in the Detective Bureau. There were approximately 2,981 persons reported missing; suicides and attempt suicides numbered 216 investigated together with 1,055 criminal warrants.

AUTO SQUAD

Representing nine personnel with 358 reportable auto thefts, clearances for this year totalled 330, with 28 outstanding.

Activities representing joy-riding totalled 1,203 vehicles reported as misplaced with complete recoveries of all concerned. There were 100 outside recoveries of vehicles not reported to this Department. Value of vehicles stolen amounted to \$1,580,738.00. Arrest of adults for Car Theft was tabulated at 148 persons; juveniles at 541.

PAWNSHOP DETAIL

Consisting of seven personnel, this squad figured in recovery of \$35,570.48 in stolen merchandise over a period of years. Arrests for 1957 numbered 144 persons with assignment to 441 criminal complaints and 350 clearances credited. There were 37,699 miscellaneous articles checked in second hand stores, resale shops, and pawnshops of this city in the past year.

HOLDUP SQUAD

Seven men comprise the operating table of organization for this unit. Of the 112 complaints assigned 71 were cleared together with 6 robberies reported in previous years. Eighty prisoners (60 adults) (20 juveniles) were arrested by uniformed and plainclothesmen on robbery charges.

SAFE BURGLARY SQUAD

The six personnel participated in investigation of 31 safe burglaries and 16 attempts this past year. Clearances of the total burglaries numbered 16. Assistance was rendered other jurisdictions within the state with their burglaries and cooperation extended by this unit included furnishing photos, fingerprints, and types of vehicles operated by known safe burglars.

SPECIAL ASSIGNMENT SQUAD

A comparatively new unit organized within this Department since 1955, this squad of 8 personnel operates as an intelligence unit and is specifically charged with investigations, especially in serious criminal matters of highly confidential nature. Constant vigilance with respect to subversive activities occupies an important portion of their time. With the advent of expansion of industrial facilities within this city, concentration on the prevention of organized crime and rackets from invading this metropolis becomes of paramount importance and the responsibility for the prevention of this occurrence falls within the realm of this organization's duties.

TOTALS.....	2091	2335

GENERALITIES

On November 8, 1957, this unit experienced a change in command with the promotion of First Deputy Inspector Hugo Goehlen to the position of Inspector of Police, and subsequent relinquishing of Direct supervision after 21 years, to newly appointed First Deputy Inspector Rudolph Miller.

Personnel-wise, the 37 members of this unit investigated 1,519 complaints as compared to 1,362 in 1956 (arrest figures cited above).

The Narcotic Squad, comprised of 6 personnel, accounted for the 314 arrests listed above, working in close cooperation with the Parole and Probation Department and the Milwaukee County Courts. Traffic in the use of drugs and narcotics within the confines of the City has been materially curbed.

Continual pressure with relation to gambling and all types of violations having to do with licensed premises increased Department-wise during 1957. The Vice Squad together with the functions of the First Deputy Inspector's office were responsible for 267 arrests involving licensed premises, with revocations meted out to 17 violators and suspensions of from 1 to 30 days to 8 others.

Public Relations-wise, 107 speaking engagements were filled by Vice Squad personnel and audiences in excess of 8,400 heard the various discourses on the operations of this unit.

CONCLUSION

Complimenting the vigilance of this important part of the Department, an independent and confidential survey by the American Social Hygiene Association was conducted this year and their investigation concluded "Vice in the City of Milwaukee was at an irreducible minimum."

After Hour Spot Raid

Results of Narcotic Raid

Examination for Needle Marks

POLICE SERVICES DIVISION

In accordance with a City of Milwaukee Ordinance, the Police Department and all other city government departments, are designated to be an integral part of the City of Milwaukee Civil Defense Administration. The following is a report of 1957 activity by the Police Services Division of the City of Milwaukee Civil Defense Administration.

The Police Services Division of Civil Defense is built upon the existing organization of the Police Department and is operating under a policy set forth by the Chief of Police and his administrative officers. The Police Division is charged with the responsibility of maintaining its normal functions and of accepting a greatly increased duty to perform those functions during a civil defense emergency resulting from either natural or war-time causes. As a result of this increased burden of responsibility a completely different technique in police operations must be planned and procedures must be outlined in a manner as to be readily adaptable to an emergency.

The Division personnel strength numbers 1,870 regular police officers and 692 auxiliary officers and includes all members and employees of the Milwaukee Police Department. During 1957 a class of 27 auxiliary officers was trained and assigned to District Stations. The recruitment and training of volunteer civilians as Auxiliary Officers is an ever present responsibility of the Division.

During 1957, the Milwaukee Department participated in two major civil defense test exercises. During "Operation Warm-Up 1957" on March 27th, more than 50 key personnel of this Department were assigned to duty at ten separate control centers.

"Operation Alert 1957" on June 12th, required the participation of the greatest number of personnel ever used in any local test by any division of civil defense. The 1,040 regular members of the force, and 108 auxiliary members who took off from work, joined in a program which actually assembled this off-duty group of personnel at eight different areas in accordance with the police plan for emergency operation. This exercise participation required something over 3500 man-hours of overtime, and provided vital information and testing of the Division's ability to cope with emergency problems.

Ten supervisory officers of the Department completed a special course in training for duty as instructors in Radiological Monitoring in preparation for an extensive program of instruction to auxiliary members and regular officers in 1958. Courses of instruction were begun in December of 1957.

A major Civil Defense accomplishment which resulted in nation-wide publicity and recognition for this community and the Department was the organization of the County-wide Police Services Division. In January, at the suggestion of the Milwaukee Chief of Police, the chief officers of the 18 law enforcement agencies in Milwaukee County began a series of meetings which resulted in the formation of the Milwaukee Metropolitan Civil Defense Police Services Division.

Operating under an agreement ratified by all chief officers and their communities including the Sheriff's Department, the Metropolitan Police Services agencies will pool all manpower, equipment, and facilities for the purpose of acting in unison as a single agency in the event of declared civil defense emergency.

This organization functioned very satisfactorily in the test exercise "Operation Alert 1957", and as a result, it is believed that future problems arising out of civil defense emergencies can be quickly and efficiently solved, regardless of whether the cause is from natural or man-made sources.

DEGREES OF AWARD

- Class "A" - Posthumously or when injured seriously in direct combat in action beyond that expected in line of Duty.
- Class "B" - Gallantry involving risk of life or great bodily harm beyond ordinary hazards of the service.
- Class "C" - Extraordinary or unusual heroism in connection with regular discharge of duties.
- Class "D" - Display of unusual initiative, marked ability, keen observation and exceptional energy in performance of regular duty.
- Class "E" - In cases which do not merit above awards but where a letter of appreciation becomes appropriate.

CLASS "C"

PATROLMAN OSCAR PLINSKA, Traffic Bureau - On May 25, 1957 at 1:30 PM while assigned to duty at N. 5th St. and W. Wisconsin Ave., a jewelry store employee employed at 437 W. Wisconsin Ave., informed Officer Plinska that the store had just been held up and he pointed to the man leaving the scene stating "he has a gun". Officer Plinska pursued the man and in an alley in the rear of the Schroeder Hotel, the man stopped and attempted to draw his gun from his coat pocket. Officer Plinska ordered the man to raise his hands and fired one warning shot into the ground. The man finally complied and surrendered. It was later discovered that he could not draw his loaded gun because the hammer of the gun got tangled in the torn lining of the man's topcoat. The arrested man was Donald Stinson.

PATROLMAN OSCAR PLINSKA, Traffic Bureau - On September 28, 1957 at 3:35 PM while assigned to duty at N. 5th and W. Wisconsin Ave., Officer Plinska observed a car go past with two men in it. This car and the men in it matched the description of a car and suspects which had been given to Officers at roll calls on September 26, 1957. The suspects were wanted for Bank Robbery in Kansas City, Kansas, and for murder in Oklahoma. Officer Plinska commandeered a passing vehicle and followed the suspect's car until the car he was in was caught in a traffic snarl. Officer Plinska left that car and commandeered another vehicle and picked up the trail of the wanted men. At N. 27th and W. Wisconsin Ave., when both cars were stopped in traffic, Officer Plinska jumped from the car he was in, drew his revolver, and ordered the suspects to remain as they were with their hands in view. Additional Officers arrived on the scene and the men were apprehended. They had over ten thousand dollars of the money taken in the Twin City Bank Robbery in Kansas City, Kansas, in their possession. Two loaded guns were also found in the car. The arrested men were Fred Charles Riley and William Reece Johnston.

CLASS "D"

PATROLMAN MILAS NELSON, Traffic Bureau - On February 6, 1957 at 5:00 PM, while on duty assigned to a speed watch unit, Patrolman Nelson was called to a home at 1749 N. 17 St. where he found a boy, nine years of age, lying on the floor bleeding profusely from a severed jugular vein. Officer Nelson applied pressure with his thumb directly into the wound and maintained this pressure on the vein during the boy's conveyance to the hospital and operating table. This action is credited with saving the boy's life.

PATROLMAN ROBERT WESTPHAL, Fifth District - on February 7, 1957 Officer Westphal apprehended a man wanted for attacking two women in the Plankinton Arcade Building on February 5th and 6th. Officer Westphal had, on February 2, 1957, questioned the man on the street and remembering that his description fit that of the assailant, Officer Westphal went to the man's home and through skillful interrogation the man admitted attacking the two women.

PATROLMAN EDWARD STEENWEG AND PATROLMAN FREDERICK KUHAGEN, Second District - On March 2, 1957 at 4:01 AM while on duty, the Officers entered a burning building at 103 E. Mitchell Street. They aroused tenants in the upper flat and rescued three children from the building by crawling along the floor and feeling their way out of the building through the dense smoke.

PATROLMAN ROBERT CHESKE, Sixth District - On March 11, 1957 at 11:20 PM, while on duty, Officer Cheske observed smoke coming from an apartment building at 831-833 S. 16 St. A citizen had turned in the alarm of fire and the Officer immediately ran into the building and proceeded to the second story, escorting two persons to safety. He then entered the lower apartment and found two persons, one of whom was hysterical, and the other dazed from the heavy smoke. The Officer escorted both of these people from the building to safety.

PATROLMAN MICHAEL MCCARDLE AND PATROLMAN VAN VERGETIS, Fifth District - On March 18, 1957 at 9:55 PM, while on duty, the Officers entered a burning rooming house building at 2237-39 N. 8 Street and escorted tenants out of the building. The lights had gone out and some of the occupants were hysterical because they could not find their way out through the dense smoke. The Officers entered the building three times in order to get all of the occupants from the building to safety.

PATROLMAN HARVEY BRUSS, Traffic Bureau - On June 4, 1957 at 1:00 PM, while directing traffic at N. 6th and W. Wisconsin Ave., Officer Bruss was notified by the manager of a loan company at 620 W. Wisconsin Ave. that he had just been held up and pointed to a man leaving the scene stating "he has a gun". Officer Bruss pursued the man and drew his revolver and ordered the holdup man to stop. The holdup man stopped as directed and was apprehended. A loaded pistol was found on his person. The man arrested was James Cauley.

DETECTIVE RUDOLPH SCHNEIDER, Detective Bureau - On September 24, 1957 at 5:30 PM, while off duty and operating his car on Highway 30 near County Trunk Y, arrived on the scene of an automobile accident. He found a 78 year old man lying unconscious on the roadway. Detective Schneider gave the man first aid. The vehicle involved in the accident commenced to burn and Detective Schneider attempted to put out the fire as there was a 72 year old man unconscious in the car. After seeing that he could not extinguish the fire, Detective Schneider, with the help of another citizen, pulled the man from the car to safety.

CLASS "E" COMMENDATORY LETTER

PATROLMAN MARTIN KROYER, First District - On, January 2, 1957 at 3:30 PM, while on duty, entered a burning building at 1544 N. Jackson, to make sure all occupants were out.

PATROLMAN FRANK LATUS, First District - On March 1, 1957 at 11:15 AM, while on duty, twice entered a burning building at 1530 W. Juneau Ave. to carry out children who were in the building. Officer Latus then assisted in carrying Firemen overcome by smoke and he himself was overcome by smoke and had to be conveyed to the hospital.

PATROLMAN DAVID LEE, Second District - On March 2, 1957 at 4:01 AM, while on duty, assisted in arousing tenants from a burning building at 103 E. Mitchell Street.

PATROLMAN EUGENE GASCOIGNE, Traffic Bureau - On September 16, 1957 at 11:05 AM, while off duty, tried to pull a German Shepherd dog away from a three and a half year old girl who was being bitten and mauled by the dog. Failing to get the dog to release the child the Officer shot the dog

TRAFFIC BUREAU

Milwaukee's comeback from eighth place in 1956, to first place in the National Safety Council's Annual poll conducted in 1957, can be attributed to the vigorous campaign waged against pedestrian violators and accident prone drivers during this past year.

Of the 23,605 accidents which occurred in the City of Milwaukee this past year, concerted effort in the prosecution of participants, where negligence could be proven, resulted in 2,622 persons being charged. There were 14,287 persons arrested for violation of some phase of the pedestrian ordinance.

The statistical report relating to the accomplishments of this Department and the Traffic Bureau follows.

IN MEMORIAM

23

HUBERT E. DAX

Appointed Police Patrolman - February 1, 1918
 Appointed Sergeant of Police - October 9, 1923
 Appointed Lieut. of Police - October 14, 1932
 Appointed Captain of Police - February 22, 1935
 Appointed Inspector of Police - April 5, 1946

At 65, death ended the 40-year public service career of Police Inspector Hubert Dax.

His demise, at Mayo Clinic, came to the Milwaukee Police Department's "Number Two Man" as a result of the ill health which had twice prompted him to withdraw his name from the list of candidates for chief although the latter was a position in which he had frequently served on an "acting" basis.

Hubert Dax was more than a good policeman, more than a good inspector, he was a nationally-recognized scholar in the complicated and highly-specialized science of his selected field.

In addition to his regular activities on the force, he found time to study law and become the first Milwaukee policeman to graduate from the tough FBI training school.

Hubert Dax, by intuition, intelligence, training and application was a modern and scientific policeman in every respect, including his belief that the best way to deal with crime, and with so-called "juvenile delinquency," was to stop both before they could occur.

Also among the many things, the many qualities, the many contributions for which he will be remembered and honored, the book, "Arrest, Search and Seizure," which he co-authored, will be something of a living memorial as police training schools throughout the country continue to employ it.

Hubert Dax will be missed by those who knew him for the unselfish and dedicated public servant he was.

(Reprinted with permission from Milwaukee Sentinel)

ERIC SCHMIDT

Appointed Police Patrolman.....December 17, 1934
 Appointed Police Sergeant.....July 18, 1942
 Died.....April 6, 1957

 Died.....October 21, 1957

RUSSELL WERTH

Appointed Police Patrolman.....August 9, 1954
 Died.....October 21, 1957

LOOKING AHEAD

Present tabulating methods and quarters are expected to be enlarged in the forthcoming year. The picture at left depicts crowded conditions putting forth only the necessary statistics to survive in this day of records.

Extensive plans for revision of modus operandi file, traffic statistical reporting, criminal offenses, etc., are in the making for the future.

Planning and specification stage of land depicted are the next step towards a modern and possibly most unique District Station ever to be built in this city.

Additional land for parking of employee vehicles is being sought.

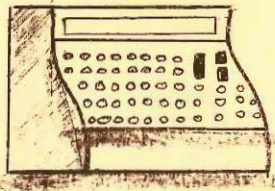

Three production models of transistor radio sets were put into service after years of exhaustive testing. Complete conversion of the 102 motorcycles and service cars are expected in the ensuing year.
