

"For God and His Country"

Milwaukee Police Department

ANNUAL REPORT

1959

The foregoing cover is respectfully dedicated to the memory of a gallant officer of this Department, Sergeant Raymond A. Nencki, No. 7 Police District, who, in the performance of his sworn duties, sacrificed his life in defense of the principles of the law enforcement profession.

"Greater love hath no man than this, that a man lay down his life for his friends."
New Test., John 15, 13.

DEPARTMENT OF POLICE
935 NORTH EIGHTH STREET • SAFETY BUILDING
MILWAUKEE 3, WISCONSIN

May 18, 1960

Rm 303

IN REPLY REFER TO:

The Honorable Common Council
Room 206, City Hall
Milwaukee 2, Wisconsin

Gentlemen:

It is with pleasure that I herewith transmit a copy of the 1959 Annual Report of this Department.

Once again, Milwaukee emerged as the safest city in its class, achieving the lowest traffic fatality rate of any large city of over 250,000 population in the United States.

In the crime field, Milwaukee ranks lowest in the number of crimes reported as compared to other major cities within the country. Through the combined efforts of the personnel of this Department and the cooperation extended by its citizenry, the Milwaukee Police Department was successful in attaining a high percentage of apprehensions and clearances.

Continuing as in 1957 and 1958, the American Social Hygiene Association, in their annual survey, repeated their findings with regard to sex crimes and prostitution being minimal.

On behalf of all members of this Department, I wish to thank your Honorable Body for the understanding shown our problems and assistance lent in providing the equipment, manpower, and funds which enabled us to accomplish an enviable reputation during the past year of 1959.

Respectfully submitted,
Howard O. Johnson
Chief of Police

DETECTIVE DIVISION

The Detective Bureau is specifically charged with responsibility of investigations of major crimes and interrogations of prisoners suspected of participations in the more serious crimes and the processing of field interrogation "stickups."

The personnel consists of 11 administrative officers; 16 supervisory officers; 98 detectives and 38 acting detectives; 9 patrolmen on special duty and 9 clerical employees and 8 police aides.

Assignments in the Bureau are made in specialized categories such as Special Assignments and Subversive Squad - Safe Burglary - Robbery - Stolen Autos - Warrant and General Duty Details. All polygraph examinations are conducted by the Bureau.

In 1959, a total of 16,861 criminal offense reports was recorded. This included 24 homicides with 23 offenses cleared; 118 robberies and 18 attempt robberies with 107 robberies cleared; 1,093 burglaries with 626 offenses cleared by arrest. There were 241 attempt burglaries; theft offenses \$50 or over totalled 2,027; theft offenses under \$50 totalled 5,457. A total of 1,449 automobiles was reported stolen, 537 of which were cleared by arrest. Nine autos still remain unrecovered for a recovery percentage of 99.4%. In reviewing arrests for auto theft and burglary, we find these two types of crime are invariably the work of juveniles, most arrests occurring in the 15-16 year old category.

Approximately 73,800 field interrogations (questioning of suspicious persons) were

submitted to the Bureau from all District Stations to be processed against the General Wanted Index File in the Detective Clerical Bureau; scores were found to be wanted on warrants and commitments, while others were linked through investigations to crimes of burglary, robbery, etc. because the questioning took place in close proximity to the scene of the crime.

The special Warrant Detail, investigating hundreds of old dormant warrants on file, re-investigated such writs and hundreds of arrests were made with several thousands of dollars collected on old unpaid traffic commitments.

VICE SQUAD

Total complement of this unit consists of 39 personnel. It is comprised of a highly specialized narcotic and gambling squad and also a general assignment squad with a police-woman detail.

A new innovation has been inaugurated in 1959 wherein a narcotic addict can be sent to the Milwaukee County General Hospital for treatment. This is beneficial in that it will alleviate the burden that has been centered on Winnebago State Hospital.

With the ever increasing arrests and the constant vigilance of the entire personnel, gambling activities have been reduced to a bare minimum.

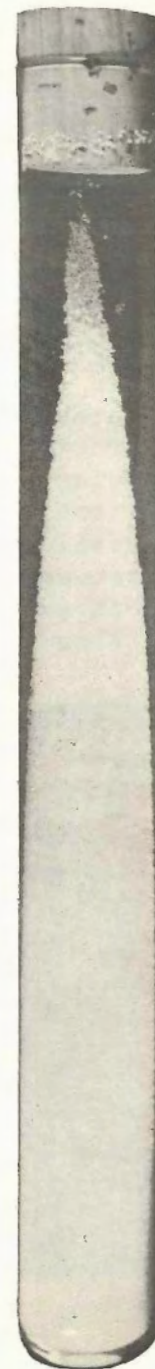

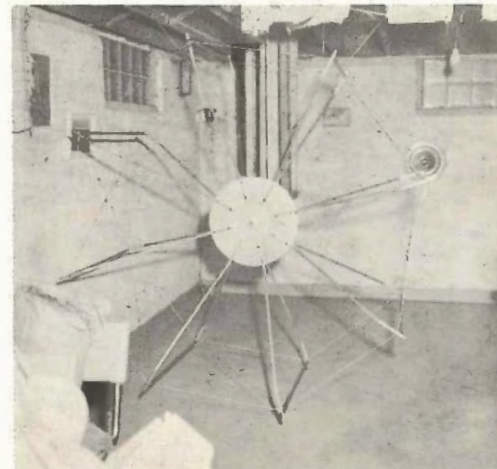

Prostitution and vice in general in the City of Milwaukee have been given a clean bill of health by one of the most authoritative organizations in the country; namely, The American Social Health Association, Inc., New York, N. Y. The constant pressure put on by

personnel as a unit is very gratifying and we can be proud to say we have no commercial gambling houses or brothels in the city.

Below captioned pictures depict the splendid cooperation between two adjoining law enforcement agencies. This case brought about the elimination of one of the largest developers and distributors in the field of obscene films.

By the tremendous response of the various organizations in the past year, speaking engagements by members have been enthusiastically welcomed.

Liquor investigations have been on the increase by the members of this unit in order to keep abreast with the amount of complaints coming to the attention of this Department.

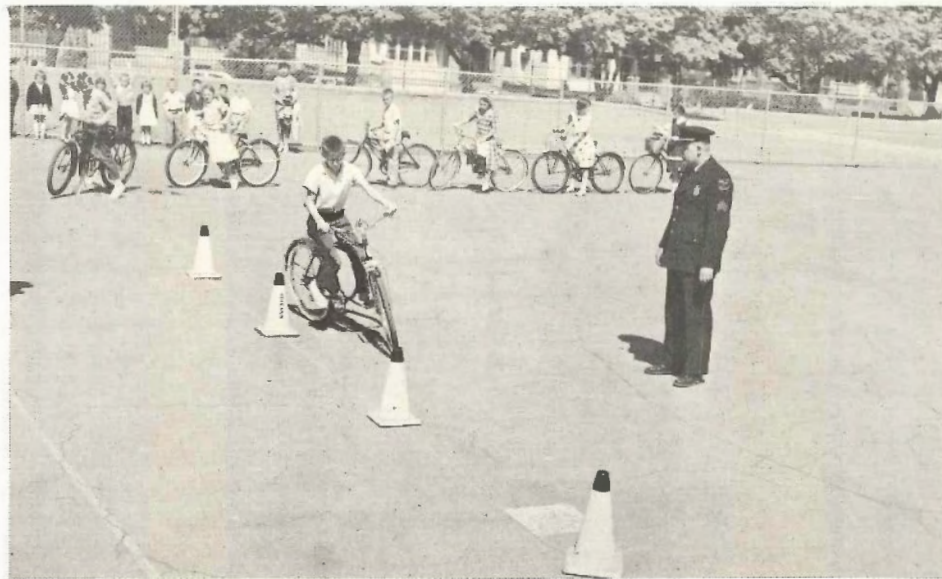

YOUTH AID BUREAU

The Bureau, established on January 1, 1946, is a special unit of the Department, functioning specifically in the area of delinquency prevention and control. It makes investigations on complaints involving boys and girls under 18 years of age who have been apprehended for a violation of the law not serious enough to warrant an arrest. Investigations on all missing juveniles are made, and the Bureau aids state and local agencies in gathering evidence on dependency and neglect cases involving children. Interviews are conducted with both parents and child to determine which of the existing agencies can provide the needs of the child. The staff guides children into established recreational and social programs and attempts to develop a close friendship and confidence between the policeman and the child. Members of the Bureau give talks and show films to school, church, civic and fraternal

groups on subjects such as citizenship, civic responsibility, respect for law and order, the work of the Bureau, etc. Bureau personnel also conduct bicycle inspections and riding skill tests on playgrounds in cooperation with the principals and the P.T.A.'s.

Special services rendered by the Bureau consist of conducting the Traffic Safety School, acting as advisors to the Milwaukee County Police-Youth Advisory Council, conducting the program of the Milwaukee County Police-Juvenile Control Council, maintaining the Milwaukee County Central Juvenile Index and serving as headquarters for the Milwaukee Braves Knot Hole Club. The Bureau also cooperates with and assists youth-serving agencies in Milwaukee.

BUREAU of IDENTIFICATION

10

This Bureau comprises the Registration and Information section of the Department and includes the following divisions: Fingerprint, Document, Photographic, Criminal Record, Central Arrest Card and Tabulating.

Approximately 10,000 persons arrested on the more serious violations are completely registered and processed, fingerprinted and photographed annually. All offense reports pertaining to handwriting are processed and investigated in the Document Section, and handwriting specimen cards obtained from all photographed prisoners are classified, indexed and filed for comparison with questioned writing by this division.

A central arrest card file containing individual arrest cards for all arrests made by the members of the Police Department is accurately maintained. Approximately 100,000 cards are added to this file annually.

In addition to fingerprinting of arrested persons, the fingerprint technicians, when requested, examine crime scenes and articles of evidence for fingerprints, check and compare latent fingerprint evidence for identification with suspects, obtain fingerprints from unidentified dead bodies, and question and register arrested persons, (obtaining helpful information in locating such persons when wanted and obtain accurate prior arrest record information.) The Bureau fingerprint files currently contain approximately 800,000 fingerprint cards.

Police photography is an important adjunct in the administration of criminal justice and photographing crime scenes,

evidence, accidents and arrested persons is extremely helpful in the apprehension and subsequent successful prosecution of criminal actions.

The Tabulating Division, recently modernized with the addition of new electronic equipment, is being developed to answer statistical questions in a matter of minutes.

ADMINISTRATION and PERSONNEL

A complement of 22 personnel comprise the entire operating strength of the Administration and Personnel Bureaus.

As the business office of the Police Department, these units include the Office of the Chief of Police, Inspector of Police, First Deputy Inspector, Field investigators, and necessary administrative and clerical staff with responsibilities for the general administration and control of the Police Department.

All records relating to payroll, roster of members, absentee records, invoices, disbursements and requests for purchase of supplies, compilation of statistics, annual report and applications for various municipal licenses are handled by the Administration Bureau.

The Personnel Sections' responsibilities include the maintenance of personnel files and

MEDICAL BUREAU

One Chief Police Physician, assisted by five additional physicians and a Clerk Typist, perform medical examinations for all applicants, probationary positions, military leave, sick

PROPERTY BUREAU

Four personnel in 1959 processed 15,191 inventories, 1,109 releases of autos, 5,690 returned items, recorded 23,000 individual cases and prepared 485 items for the Police Auction,

BUILDING and GROUNDS

Operating 24 hours a day, 42 personnel of this division provide for the maintenance of

records, preparation of transfers, promotions, departmental and citizen citations, public relations releases, formal charges against departmental personnel, departmental orders and amendments to Rules and Regulations, acknowledgement of correspondence directed to the Chief of Police and liaison work with the Fire and Police Commission, and the accommodation for suggestions and grievances submitted by Department personnel.

and injured personnel and duty or ordinary disability cases. Records pertaining to first aid rendered and accidents to personnel are filed within this unit.

netting returns to the City of Milwaukee of \$3,667.77. In providing supplies, 3,552 requisitions were filled as well as 270 City Purchase Orders and 41 sub-department orders.

five Police District Stations and the six floors of the Headquarters Building.

COMMUNICATIONS

An era in police radio ended in 1959 with the retirement from service, after almost 29 years of continuous operation, of the old WPDK - KSA536 AM talk-out system on 2450 kc. Changeover of vehicle radios to FM on 159.15 Mc has been going on for ten years and was completed in 1959 with the replacement of the last of the motorcycle radios with transistorized two-way units. Discontinuance of the AM system coincided with the dismantling and moving of its antenna tower to make way for the north-west expressway.

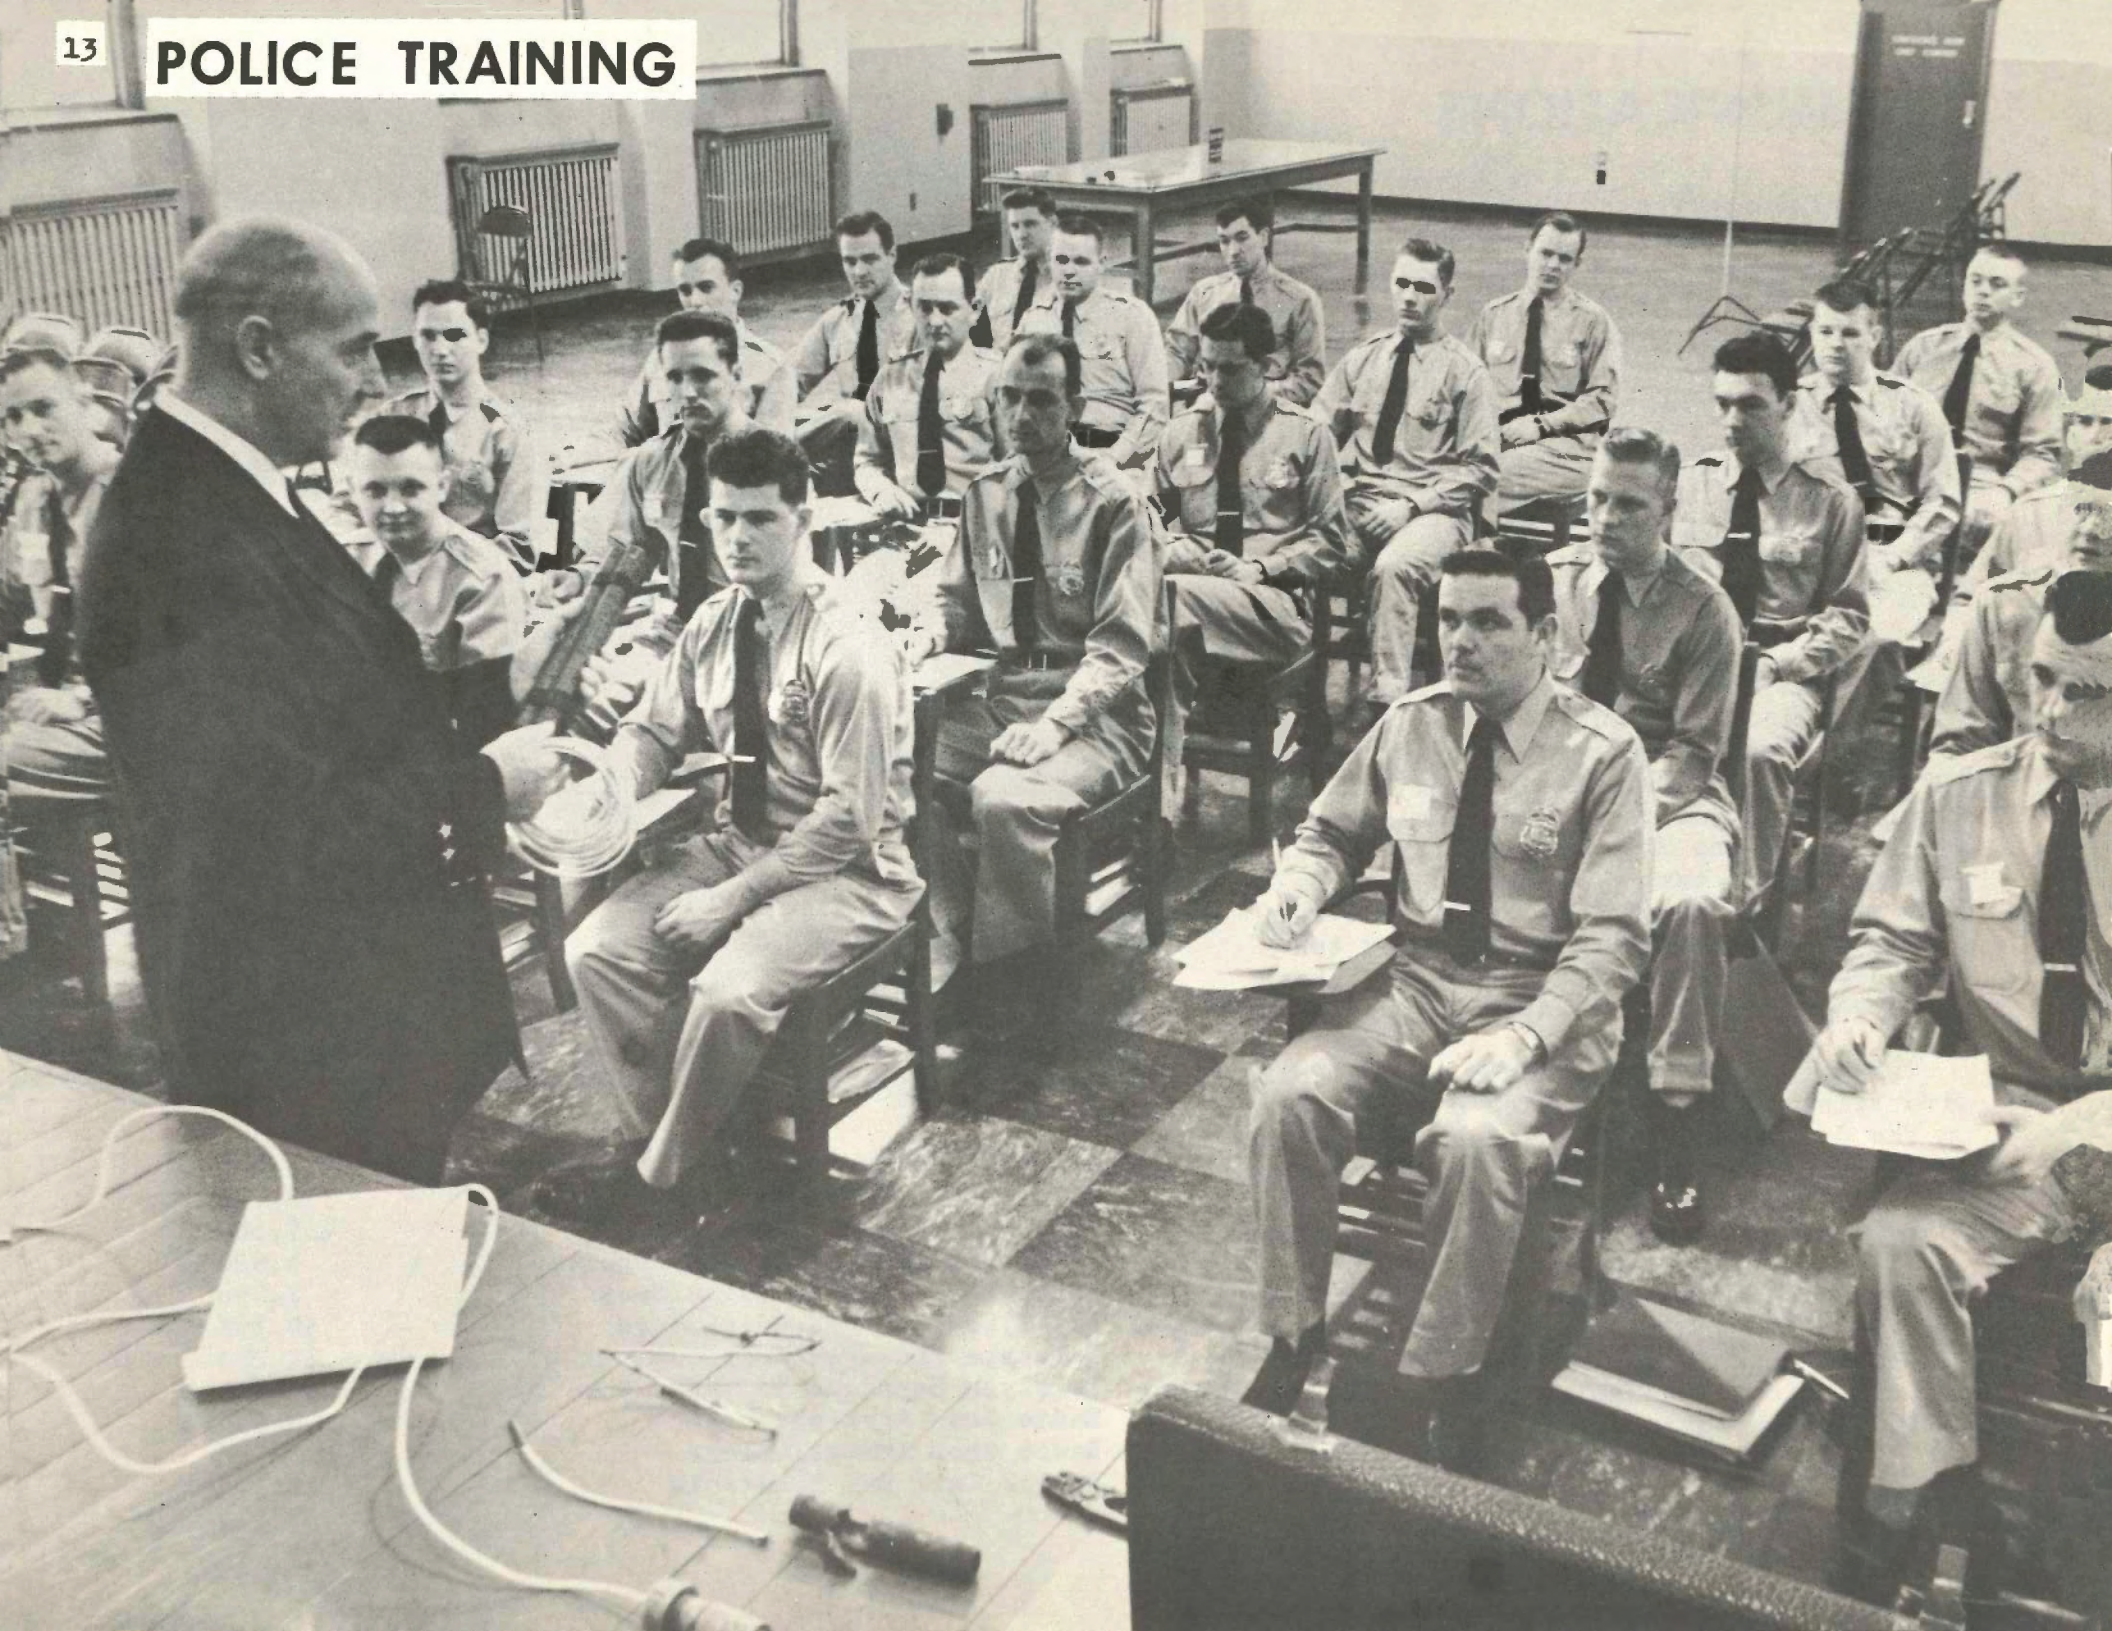

All of the transmitters and receivers used in the Water Department's radio system were modified to comply with the FCC's narrow band technical standards by the February 1959 deadline. Installation and maintenance work on all radio and electronic equipment of the Milwaukee County Sheriff's Department was taken over in June 1959. This raised to 562 the number of two-way radio equipped vehicles operated by ten City departments and the County which are serviced by the Police Radio Shop.

Twelve machines were added to the Police wire teletype networks which now include 12 in the City net, 12 in the Suburban net and 33 in the State net. All of these machines are tied together through our Teletype Relay Center at the Third District Station.

Planning for a fourth mobile radio system for the City resulted in application to the FCC for a license in the local government radio service. Operation will be under the Civil Defense Administration.

Total Telephone Connections	8,295,600
Total Outgoing Radio Calls	378,718
Total Incoming Radio Calls	417,680
Intercity Radio Messages Received	4,626
Intercity Radio Messages Sent	2,796
Teletype Messages Originated	39,398
Teletype Messages Incoming	20,234
Teletype Messages Relayed	64,243
Radio Shop Services	3,914
Radio Shop Installations	140
Police Call Box Locations	1,392

In-service academic training involving 1600 personnel amounted to 36,800 man-hours including a wide range of subjects. These concerned "mouth-to-mouth" rescue breathing, criminal law, modern scientific investigation, human relations, recognizing and handling abnormal people, traffic codes and juvenile codes among some of the many lessons.

Ninty-three recruits were trained, including 1 policewoman and 12 former police aides 3 sessions of 360 hours each.

A group of 53 school crossing guards was also trained by this division. Twelve police aides were indoctrinated and guided during the year; there are 39 on duty.

This unit also guided 33 students from Michigan State University and foreign police officers from Tunisia, Honduras, Finland, Somalia, Korea and Guatemala.

The Bicycle Violator's School is conducted here and during the year hundreds of children are given lectures on safe operation of bicycles, rules of the road and equipment with visual aids.

This division also handles special parades and details such as the annual Memorial Day Parade; this year's events such as the funerals of former Chief John W. Polcyn and Sgt. Raymond Nencki were directed.

A special emergency operations manual of procedures in disaster type incidents was prepared as well as the National

Safety Council report. A new Offense Report and Modus Operandi procedure was developed and introduced. Preparation of new identification cards, including photography and lamination for the entire Department was handled by this special division. Uniform inspections are carried on by this office; a new uniform cloth for all clothing and a new 12 oz. cloth for summer trousers was approved. The Traffic Post Officers will use trousers instead of breeches and puttees in 1960.

The Department "SCUBA" or skin-diving team is supervised here; they recovered evidence from burglaries and a check forging ring; also recovered a 9-year-old girl's body and assisted at a jet-plane crash in Lake Michigan.

Administration of the Department Blood Donor Club here in 1959 saved employees almost \$6000, handling 235 pints of blood.

Over 800 policemen and employees participated in various sports activities sponsored by the Policemen's Athletic Assn. and operated through the Training & Special Services Division. The annual Fire & Police Baseball Game is one of the highlights; the 13th Annual Children's Christmas Party and the picnic are also major events sponsored by this unit.

A Departmental Rating System for personnel is graded here on a semi-annual basis and used in promotional examinations and interviews.

In-service revolver and shot gun proficiency conducted 328 sessions, both indoors and outdoors in 1959.

TRAFFIC

The Traffic Bureau, comprised of 170 members, includes 35 traffic postmen assigned to regulate traffic; 30 three-wheel cycle checkers who are responsible for checking parking time limits and meter parking, and 85 motorcycle men on solo-cycles who check traffic violations and handle general complaints from the public. Special investigations of accidents (hit & run, etc.) are handled by 5 Traffic Accident Investigators. In direct command of the Traffic Bureau is a Deputy Inspector of Traffic assisted by a Captain, Lieutenants and Sergeants.

Among the accomplishments of 1959, the Milwaukee Police Department received the following Traffic Safety Awards:

AWARD OF MERIT - from the National Safety Council

AWARD FOR LOWEST TRAFFIC DEATH RECORD

AWARD FOR PUBLIC SAFETY EDUCATION

AWARD FOR TRAFFIC SAFETY ORGANIZATION

MERIT OF AWARD FOR PEDESTRIAN SAFETY - by the American Automobile Association

CIVIL DEFENSE

During 1959, the Milwaukee Police Department's emphasis in Civil Defense was placed upon training the entire membership with regard to the problem and the responsibility of the Department to the community in the event of enemy attack.

A special 16-hour course was developed, and more than 200 supervisory officers were required to attend the course which included instruction in basic civil defense, the cause and effect of nuclear explosions, radiation detection instrument reading and use and control center operations. Two supervisory officers attended the OCDM Staff College at Battle Creek, Mich., and 25 supervisors attended a special course on the Hazards of Peacetime Use of Radioactive Material given under the auspices of the U. S. Atomic Energy Commission.

The Department again gave its fullest cooperation and effort to the successful conclusion of the national civil defense exercise, "Operation Alert 1959".

On April 17 and 18 more than 1400 officers devoted more than 3000 man hours to this Department's participation. Their principle activity was supervising and controlling the City of Milwaukee's first public "take cover" exercise, during which vehicular traffic was stopped and all persons were requested and urged to find suitable shelter in an effort to save themselves from the blast and radioactive fallout effects of a simulated enemy attack upon this community. In addition, the Department participated in the control center exercise which covered a 2-day period. Personnel were active in solving exercise problems as they developed at the various control centers.

Class "A" Citation, awarded posthumously or when injured in direct combat in action beyond that expected in the line of duty.

POLICE SERGEANT RAYMOND A. NENCKI, deceased, is hereby awarded posthumously the Milwaukee Police Department Class "A" Citation, the highest award available in the police service.

On Tuesday, September 22, 1959, at about 8:00 P.M., Police Sergeant Raymond Nencki responded to a radio dispatch of a suspicious salesman at 3953 N. 63rd St. Upon arriving at the scene, Sgt. Nencki found Roscoe B. Simpson talking to the Hansher family at this address, and as Sgt. Nencki approached, Roscoe B. Simpson drew his revolver and held him at gun point. At this moment, Police Patrolman Joseph Friday arrived and got out of his squad car. Sgt. Nencki warned Officer Friday to stay back and attempted to reason with Roscoe Simpson, who was babbling incoherently, and advancing upon Sgt. Nencki, fired at him at close range, striking him with two bullets, one of which fatally wounded him in the abdomen. As he fell, he emptied his revolver into Roscoe Simpson who was later identified as the murderer of Mrs. Sylvia Fink, having shot her on September 21, 1959 at her home at 3902 N. 64th St. (Picture on cover).

Class "B" Citation, awarded when gallantry involving risk of life or great bodily harm beyond ordinary hazards of the service are involved.

POLICE PATROLMAN RONALD J. KRUSICK, Sixth District, is hereby awarded a Class "B" Citation.

On Monday, November 16, 1959, at about 3:10 A.M., Police Patrolman Ronald J. Krusick, while on routine foot patrol duty, approached a suspicious man in a dark alley in the 800 Block of S. 37th St. Before he had an opportunity to question him, the suspect, one Sam Diciaula, pulled a revolver out of his pocket and fired directly at Officer Krusick, not more than fifteen feet away. The bullets penetrated the left and right shoulders of the officer with a third bullet, aimed at the head, miraculously being deflected by a small brass button on the officer's uniform cap.

In spite of the wounds suffered by Officer Krusick, numbing his arm to the extent that he could not raise his gun, he emptied his service revolver, but the shots harmlessly entered the ground because his shoulders were paralyzed which prevented him from lifting his arms. However, the officer's one purpose in mind was to apprehend his assailant, and he lunged forward and began grappling with Sam Diciaula and finally managed to get him on the ground and succeeded in putting his handcuffs on. Then, practically dragging his suspect over to the police call box, he summoned for additional police officers who assisted in taking the suspect into custody, charging him with Burglary - Night Time (Armed) and Attempt Murder.

POLICE PATROLMAN CARL RUSCITTI, Fifth District, is hereby awarded a Class "B" Citation for his outstanding and courageous service.

On Monday, August 3, 1959, at approximately 11:10 P.M., Police Patrolman Carl Ruscitti was dispatched to the 3100 Block of N. 6th St. to investigate a call of "A woman screaming." Upon arrival at the scene, Officer Ruscitti was met by Mrs. William Jackson of 3139 N. 6th St. Suddenly and without any warning, Mr. William Jackson, the husband, appeared through the front door of the premises and commenced firing at them with a 45 caliber revolver. Officer Ruscitti was struck in the abdomen by one of the bullets; however, his first concern was for the safety of Mrs. Jackson. He pushed her down alongside the squad and crouched over her so as to protect her from other shots which were being fired. Additional police assistance then arrived on the scene and William Jackson was apprehended and taken into custody on a charge of Attempted Murder and Reckless Conduct without Regard to the Lives of Others.

* * * * *

POLICE PATROLMAN JOSEPH FRIDAY, Detective Bureau, is hereby awarded a Class "B" Citation for his outstanding and courageous service.

On Tuesday, September 22, 1959, Police Patrolman Joseph Friday received a dispatch at about 8:00 P.M. of a suspicious man at 3953 N. 63rd St. Arriving on the scene, he found Police Sergeant Raymond Nencki being held at gun point by a man later identified as Roscoe B. Simpson. When Sgt. Nencki warned Officer Friday to be careful, that he was covered, Roscoe Simpson fired his revolver, critically wounding Sgt. Nencki, whereupon Officer Friday fired and wounded the assailant and together with Sgt. Nencki, fired several more rounds, mortally wounding Roscoe B. Simpson.

Class "D" Citation, awarded for display of unusual initiative, marked ability, keen observation and exceptional energy in performance of regular duty.

POLICE SERGEANT ROBERT J. ZIARNIK, Traffic Bureau, and POLICE PATROLMAN PETER G. LORENZEN, First District, are hereby awarded Class "D" Citations for courageous performance of police duty.

On Wednesday, September 2, 1959, at about 11:53 P.M., Police Patrolman Peter G. Lorenzen was dispatched to the premises located at 502 E. Juneau Ave. Upon arriving at the scene, he was informed that a crazed maniac, one Rubin Glasper, Jr., had attacked a citizen and was committing a burglary at this address. Together with Police Sergeant Robert J. Ziarnik, an attempt was made to reason with Ruben Glasper, Jr., who was brandishing a knife and shouting and screaming threats against the officers. He continued to defy the officers and refused to surrender and was finally shot and fatally wounded when he attempted to attack the officers.

* * * * *

POLICE PATROLMAN HAROLD LOCHE, Fifth District, is hereby awarded a Class "D" Citation for his courageous performance of police duty.

On Sunday, February 22, 1959, at about 12:05 A.M., Police Patrolman Harold Loche, who had already finished his regular tour of duty, observed flames leaping out of a second floor window at the premises located at 2722 N. 3rd St. Officer Loche immediately ran to the scene of the fire accompanied by three citizens who entered the building with him but were driven out because of the dense smoke. The officer proceeded to the second floor, rousing occupants out of the building and also assisted Mrs. Cuel Ray with her three children out of the burning building by carrying two children.

Class "E" Citation, awarded when a letter of appreciation becomes appropriate.

POLICE PATROLMAN PAUL HIBBARD, Seventh District, is hereby commended for his action and assistance.

On Tuesday, September 22, 1959 at about 8:00 P.M., Police Patrolman Paul Hibbard, while in the vicinity of N. 63rd and W. Capitol Dr., heard several pistol shots. He immediately ran toward the sound of the shots and observed a man shooting at Police Sergeant Raymond Nencki, with Sgt. Nencki and Ptm. Joseph Friday shooting at the man later identified as Roscoe B. Simpson. In his death struggle, Simpson was still trying to fire his revolver which contained one additional unfired cartridge, when Officer Hibbard dove at him, grabbed the gun from his hand and threw it down the alley.

POLICE PATROLMEN GAYLE BATT AND ROY SCHWARK, JR., Traffic Bureau, are hereby commended for their assistance rendered to other officers.

On Thursday, September 3, 1959, shortly after 12:01 A.M., Police Patrolmen Roy Schwark, Jr. and Gayle Batt responded to a dispatch of a crazed burglar at 502 E. Juneau Ave. Upon arriving at the scene, they found one Rubin Glasper, Jr. with a large knife in his hand shouting and screaming threats to the officers and refusing to surrender. He finally charged the officers brandishing this knife which slashed through the coat of one of the officers who fatally wounded Rubin Glasper, Jr. However, he kept advancing towards the officers and was finally subdued by Officers Schwark and Batt.

Promoted to Police Sergeant	November 7, 1953
Wounded in the line of duty	September 22, 1959
Expired	October 5, 1959

POLICE PATROLMAN

JOHN WOLF

Appointed Police Patrolman	March 2, 1936
Expired	November 17, 1959

THE NEW LOOK

A new innovation in 1959, a roving patrol wagon in an area within the Fifth Police District has proven to be an effective aid in reducing incidents. This unique vehicle operates on a daily schedule from 7:00 P.M. to 3:00 A.M. with an overlapping amount of hours assigned on weekends.

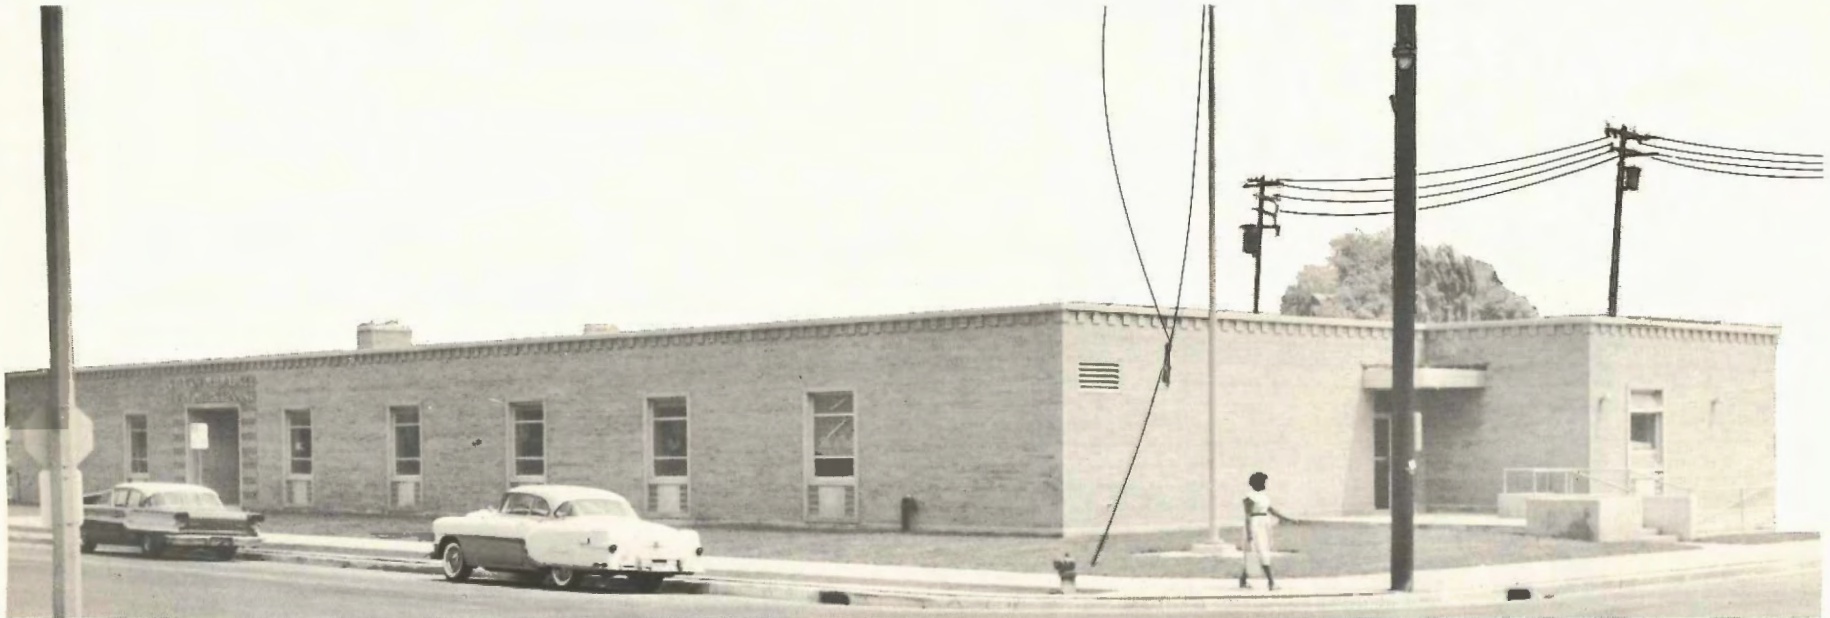

CAPITAL IMPROVEMENTS

24

Expressway changes motivated rearrangement of driveways, removal of tower depicted, with reconstruction occurring to the building as

shown on the extreme right. Extensive revamping is being undertaken within this Department's Radio Station, KSA 536.

After eight years of planning and consequent construction, the building shown above will become a reality in August of 1960. This modern,

ranch style structure, embraces many new innovations heretofore unknown in Police Station construction within this City.
