City of **MILWAUKEE**

FORM 41-2

HAROLD A. BREIER
Chief of Police

DEPARTMENT OF POLICE

749 WEST STATE STREET • POLICE ADMINISTRATION BUILDING
MILWAUKEE, WISCONSIN 53233

IN REPLY REFER TO:

The Honorable Henry W. Maier, Mayor
Honorable Common Council
City of Milwaukee
Milwaukee, Wisconsin

Gentlemen:

I am privileged to submit the 1970 Annual Report of the
CITY OF MILWAUKEE POLICE DEPARTMENT.
The report reflects the efforts of all police personnel
to provide service to the citizens of our community.
Your support and cooperation is gratefully acknowledged.
Respectfully submitted,

Harold A. Breier
HAROLD A. BREIER
CHIEF OF POLICE

HAB:bas

HAROLD A. BREIER
CHIEF OF POLICE

2 FIRE AND POLICE COMMISSION

Chairman
Julius L. Drozewski
Appointed: Jan., 1969
Present term
expires: July, 1975

Richard Block
Appointed: July, 1949
Present term
expires: July, 1974

Marjorie L. Marshall
Appointed: Jan., 1969
Present term
expires: July, 1971

Charles W. Mentkowski
Appointed: Dec., 1968
Present term
expires: July, 1972

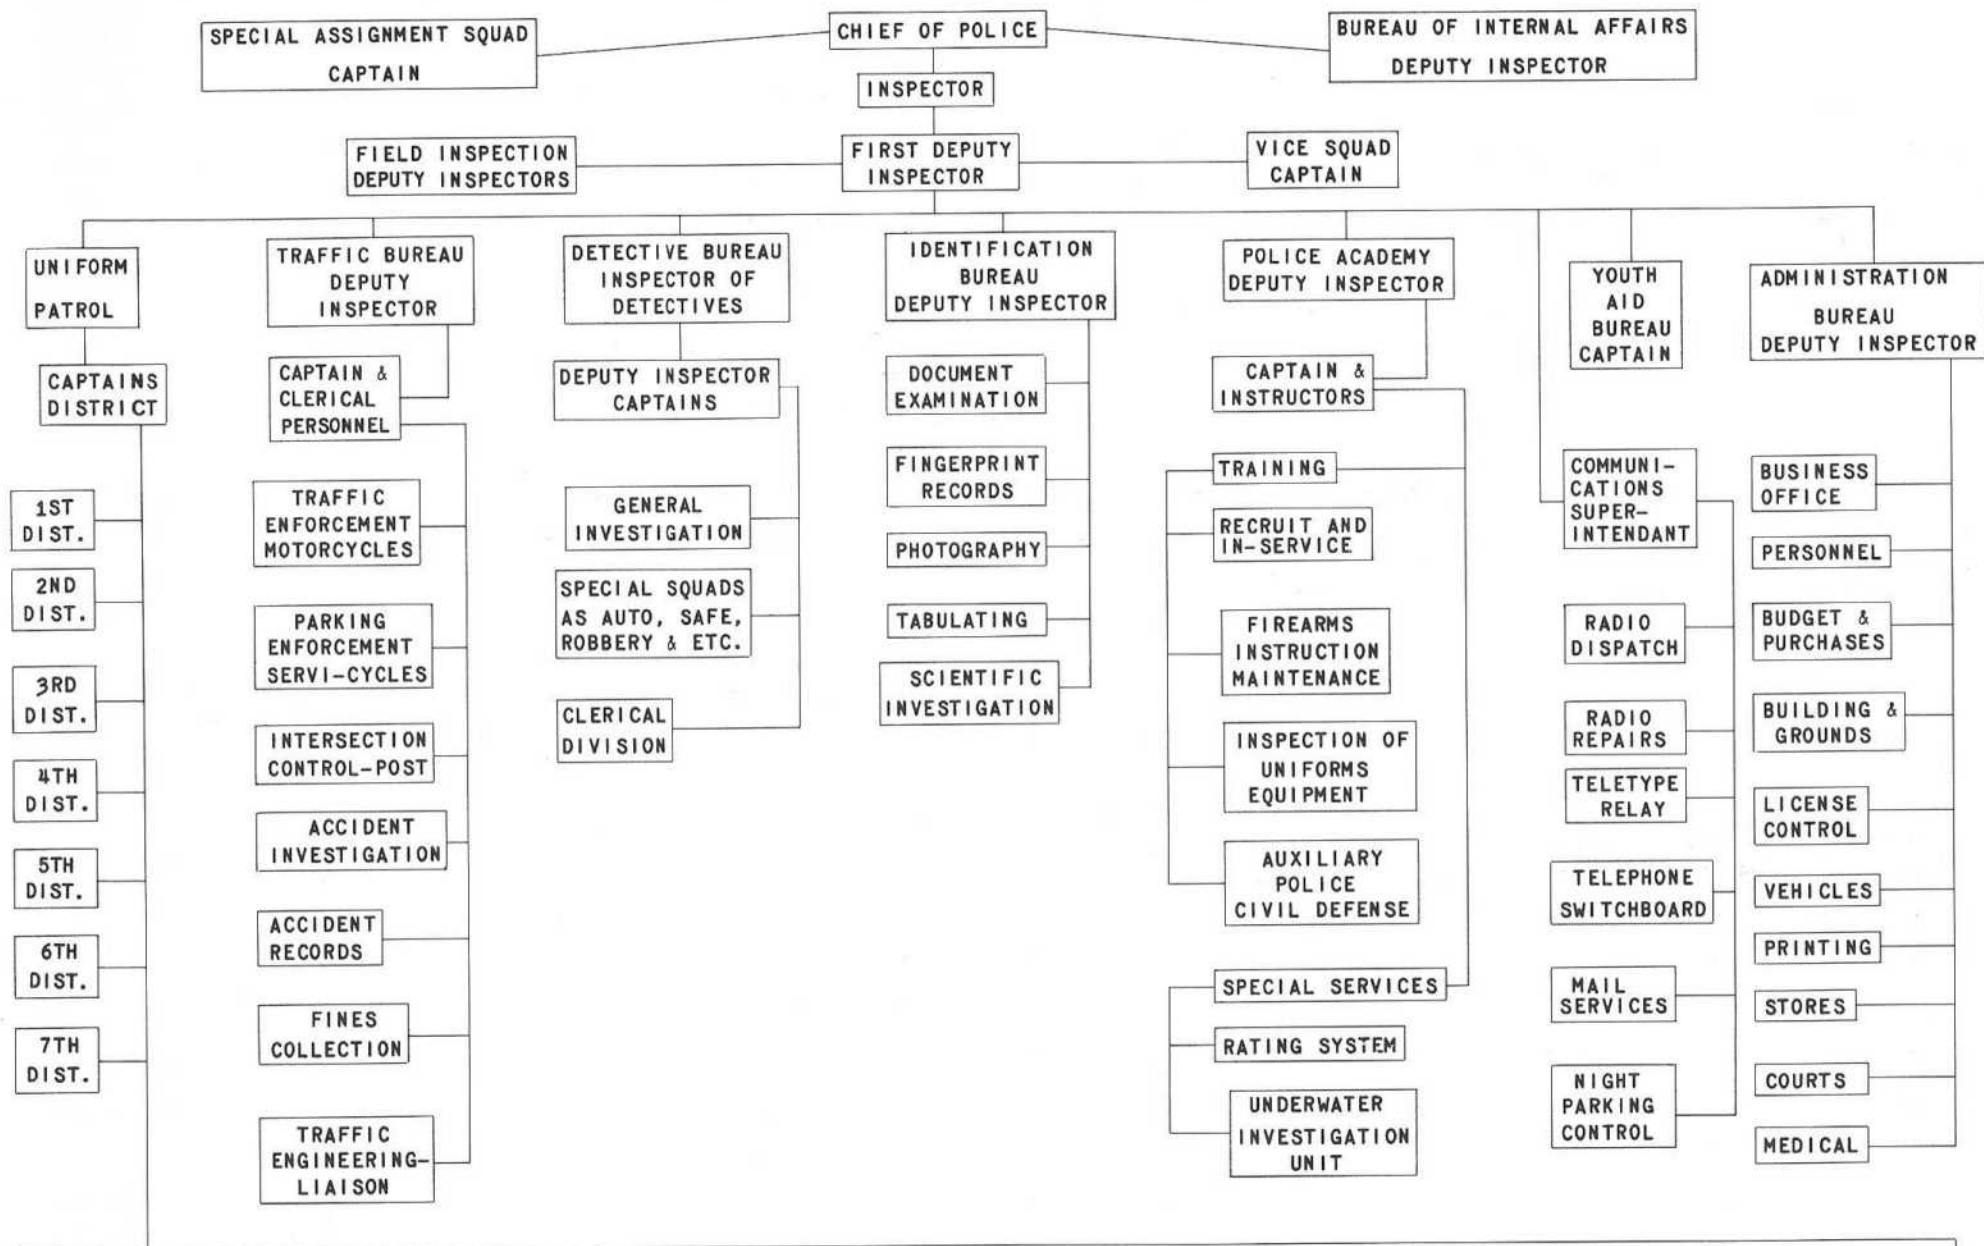

Arlene Kennedy
Executive Secretary and
Chief Examiner
Appointed by
Commission: July, 1969

Louis L. Miller, Jr.
Appointed: Oct., 1968
Present term
expires: July, 1973

Five citizens serve five-year terms, one term expiring annually in July. Appointments are made by the Mayor, subject to Common Council approval. The Commission annually selects one of its members to serve as chairman and the Commission appoints its own Secretary.

EACH DISTRICT STATION PROVIDES WITHIN ITS AREA THE FOLLOWING SERVICES:

FOOT PATROL	MOBILE PATROL	PRISONER CONFINEMENT (UNTIL COURT APPEARANCE)	AMBULANCE SERVICE (EMERGENCY)	CRIME PREVENTION	FINES COLLECTION
SPECIAL COURT DUTIES			INVESTIGATION OF COMPLAINTS		OTHER POLICE SERVICES
WATER AND HARBOR PATROL

CITATIONS

"SERVICE ABOVE AND BEYOND THE CALL OF DUTY"

Patrolman George Fish awarded a posthumous Class "A" Citation and Patrolman Gordon Glatzel awarded a Class "C" Citation for meritorious duty under the following circumstances: On Friday, August 21, 1970, at 3:22 P.M., Motorcycle Patrolmen George Fish and Gordon Glatzel were dispatched to the Ranch House Tavern, 1900 West St. Paul Avenue, to investigate a "holdup in progress." Patrolman Glatzel was first to arrive on the scene and Patrolman Fish drove up seconds later. At this time, there was a brief discussion between the two officers and both agreed that "the tavern was too quiet", and that "the holdup men were apparently still inside the tavern."

While Patrolman Fish positioned himself outside the tavern, Patrolman Glatzel entered the front door, proceeded through a short hallway, and then slowly opened a second door leading to the tavern proper. Upon opening said door, he observed two persons lying face down on the tavern floor.

Simultaneously, one of the holdup men, wearing a mask and holding a sawed off shotgun in a raised position, rushed by

Patrolman Glatzel. When he reached the sidewalk, he turned towards Patrolman Glatzel with the shotgun in a raised position, and the officer fired two shots from his service revolver and felled the subject. During this combat with deadly weapons, Patrolman Fish sustained a fatal wound.

Sergeant William Waters awarded a Class "B" Citation for meritorious service under the following circumstances: On Monday, June 22, 1970, at about 1:15 P.M., Police Sergeant William Waters was enroute to the Safety Building, riding a Police Department motorcycle southeast on West Lisbon Avenue at West Appleton Avenue, when he heard a holdup description broadcast over the police radio. The holdup had occurred a short time before at the Guaranty Savings and Loan Company, 7601 West Hampton Avenue, and two Negro males were wanted — one wearing a green suit and the other having a goatee.

Sergeant Waters continued southeast on Lisbon Avenue to 55th Street where traffic was stopped for a red light. At this time, he observed three Negro males in a car stopped

in traffic ahead of him, one who was wearing a green suit and another who had a goatee. Sergeant Waters immediately called for assistance and informed the police dispatcher that he was stopping the suspects' car. He then turned on the red light and siren and stopped the car between North 49th and 50th Streets on West Lisbon Avenue. Following proper police procedure, Sergeant Waters stopped behind the car and approached same from the rear with his service revolver ready. As he reached the left rear window, the passenger in the right front seat pointed and fired a revolver at him, striking him in the left shoulder and knocking him to the ground. The suspect in the green suit then started to get out of the car, whereupon Sergeant Waters fired two shots at the back window and the suspect jumped back into the car. Sergeant Waters then emptied his service revolver at the suspects' car, demolishing the rear window, after which the suspects fled from the scene.

Simultaneously, Squad 37A, manned by Patrolmen Casper Kroeninger and Donald Hoerres, arrived on the scene, and Sergeant Waters, ordered them to pursue the suspects. Patrolmen Kroeninger and Hoerres gave chase, curbed the auto at North Hawley Road and West State Street, and took the suspects into custody.

Patrolman Joseph Rao awarded a Class "C" Citation for meritorious service under the following circumstances: On Friday, January 16, 1970, at 12:05 P.M., while assigned to Squad 37A, Patrolman Rao was dispatched to a "holdup in progress" at the Kroger Food Store, 1205 North 35th Street. Upon approaching North 38th and West Highland

CITATIONS

"SERVICE ABOVE AND BEYOND THE CALL OF DUTY"

Boulevard, he obtained information from a Brink's armored truck driver that the armed robbery suspect was running south through the yards between North 37th and North 38th Street. Patrolman Rao immediately armed himself with a shotgun and proceeded on foot to a point in a nearby alley where he was picked up by a squad driven by Detective David Toepfer. Together they arrived on West Linden Place where they observed the armed suspect enter a blue panel truck.

Simultaneously, Patrolman Rao ran to the driver's side of the truck, and Acting Detective John Schroder appeared on the scene and ran towards the passenger side of the truck. When Patrolman Rao looked in the window, he observed the suspect holding a gun in his right hand and pointing it in the direction of Acting Detective Schroder. At this time, Patrolman Rao opened the truck door and pushed his shotgun into the ribs of the armed suspect, who then turned and pointed the loaded .44 caliber revolver at Patrolman Rao. Patrolman Rao then grabbed the barrel of the revolver with his left hand, but the suspect used both of his hands to force the weapon down into the Officer's

stomach and pulled the trigger. Miraculously, the suspect's revolver failed to discharge as his stocking cap fell from his head and lodged between the gun's hammer and frame.

At this point, Patrolman Rao dropped his shotgun, twisted the revolver out of the suspect's hands, and placed him under arrest after a brief struggle. The subject was charged with Armed Robbery and Attempted Murder, and the entire loot was recovered. (\$9,350)

Patrolman Mark Morawetz and Patrolman Thomas Korb awarded a Class "D" Citation for meritorious duty under the following circumstances: On Tuesday, July 21, 1970, at 10:40 P.M., while patrolling in Squad 58, Patrolmen Mark Morawetz and Thomas Korb observed two youths walking in the 600 Block of East Clarke Street. One of the youths was bleeding profusely from a severed jugular vein.

Patrolmen Morawetz and Korb immediately applied compresses and direct pressure to the gaping wound, radioed for and awaited the arrival of a police ambulance. While waiting

for the ambulance, the Officers noted that the boy was turning an ashen grey color and that his body was cold. At this time, they decided to make the conveyance and while Patrolman Morawetz drove, Patrolman Korb continued to apply pressure to the wound in an effort to stem the flow of blood. Enroute to the hospital, the Officers requested the police dispatcher to notify Columbia Hospital authorities of the seriousness of the youth being conveyed. Upon arrival, the boy was immediately taken from the emergency room to surgery where the wound was closed and the youth received blood transfusions.

Subsequent investigation established that the boy and his friend had been tossing a glass bottle to one another and that the bottle fell to the ground and broke and a piece flew up and struck the youth, cutting the jugular vein. A physician at the hospital stated that the boy's life was failing fast when brought to the hospital, and he credited the Officers with saving the boy's life due to their sound thinking and quick action.

Patrolman David Enk and Patrolman James Romanski awarded a Class "E" Commendatory Letter for their action in discovering a fire in discovering a fire in the building at 2243 North Teutonia Avenue and for leading the occupants to safety under the following circumstances: On Friday, January 2, 1970, at 8:35 A.M., while conducting a burglary investigation at North 12th and West North Avenue, Patrolmen David Enk and James Romanski smelled a strong odor of smoke. They made an immediate check of the area and found the second floor of the

CITATIONS

"SERVICE ABOVE AND BEYOND THE CALL OF DUTY"

building at 2243 North Teutonia Avenue engulfed in flames and heavy smoke. After summoning the Fire Department, Patrolmen Enk and Romanski entered the burning building and proceeded to the second floor where they encountered dense smoke and intense heat and which required them to crawl on their hands and knees.

Patrolmen Enk and Romanski, however, successfully made their way to a smoke-filled second floor apartment where they found a mother and two children, aged 11 years and 8 months. The Officers promptly wrapped the infant in blankets and led the occupants to safety.

Subsequent examination of the building disclosed that the entire second floor was gutted and uninhabitable.

Sergeant Donald Blazek responded to an alarm of fire at 2064 South 13th Street and upon arrival at the scene was informed by a

citizen that an elderly man was still inside. At this time, Patrolman James Menger arrived on the scene and followed Sergeant Blazek into

the burning building. Encountering a heavy concentration of smoke, Sergeant Blazek and Patrolman Menger were forced to crawl on the floor in an effort to locate the elderly man. When it became apparent that the smoke was too thick, Sergeant Blazek ordered Patrolman Menger to advise the firemen to enter the residence with masks.

After relaying the Sergeant's order, Patrolman Menger re-entered the smoke-filled residence and found Sergeant Blazek lying unconscious on the floor, overcome by smoke. Patrolman Menger promptly proceeded to drag Sergeant Blazek across the floor towards the exit, at which time a fireman entered and assisted him in effecting the rescue. Sergeant Blazek was subsequently treated at St. Luke's Hospital for smoke inhalation.

Patrolman James Menger and Police Sergeant Donald Blazek awarded a Class "E" Commendatory Letter for meritorious duty under the following circumstances: On Thursday, August 20, 1970, at 3:25 A.M.,

AWARDS OF MERIT TO CITIZENS

Miss Maureen McGowan, age 19, *Michael Mackintosh*, age 27, and *Richard M. Jung*, age 46, who on April 15, 1970, assisted in the apprehension of a woman charged with the \$1,858 robbery of the Midland Bank, 201 West Wisconsin Avenue.

James Bubolz, age 27, who on March 12, 1970, subdued a youth who had snatched the purse of an elderly woman at North 25th and West McKinley Avenue.

Tom Galbraith, age 32, who on February 27, 1970, immediately contacted the Police after observing a man breaking into a neighbor's home at 2534 West Mineral Street. The suspect was subsequently charged with burglary after investigation disclosed that a wristwatch and monies had been taken.

John Doherty, age 21 and *Lawrence M. Davis*, age 20, who on February 1, 1970, observed a man crawling out of a window at 3009 West Highland Boulevard. Mr. Doherty and Mr. Davis then chased the man and upon catching him, turned him over to the police at which time it was discovered that he had taken a purse.

Duane Powell, age 25, *Lester Junge*, age 60 and *Robert Kroening*, who on January 16, 1970, assisted in the apprehension of the man charged with the armed robbery of the Kroger Food Store, 1205 North 35th Street. The suspect was also charged with the attempted murder of Patrolman Joseph Rao in this incident.

Timothy Zanca, age 24, who on January 29, 1970, assisted in the arrest of a juvenile car thief.

William C. Bressler, Sr., age 38, *William C. Bressler, Jr.*, age 14 and *Kenneth S. Bressler*, age 13, who on January 25, 1970, summoned the Police Department after discovering a parked car with the motor running and two occupants inside. Although one of the parties died as a result of carbon monoxide poisoning, their prompt action in all probability saved the life of the second party.

Bradley Wallace, age 20, who on December 7, 1969, rescued two young girls from the icy waters of McGovern Park Lagoon.

Mrs. Audrey Block, age 39, who on November 17, 1969, furnished information to the police which led to the arrest of two men who had held up the Reliance Savings and Loan, 3140 South 27th Street, and had taken \$2,500 at gunpoint.

George R. Yensh, age 29 and *Carl E. White*, age 30, who on April 15, 1970, assisted in the apprehension of three burglars.

Walter C. Gevelinger, age 48 and *Cyrus Saris*, age 39, who on June 4, 1970, while employed at the Louis Allis Company heard a woman screaming and observed a man stuffing her into the trunk of his car. After observing Mr. Gevelinger and Mr. Saris, the man released the woman and drove away. Mr. Gevelinger and Mr. Saris noted the description of his auto

and the license number. They then administered first aid to the woman and notified the Police Department which resulted in the arrest of the suspect.

Daniel Hanrahan, age 38, who on June 23, 1970, stepped forward and assisted officers in a disturbance at Capitol Court Amusement Park. In doing so, Mr. Hanrahan sustained several scratches to his face.

Aloysius D. Walker, age 50, who on September 16, 1970, while employed as a postal truck driver, followed a suspicious acting male and notified a Police Officer which resulted in the arrest of the suspect and cleared the theft of \$516 worth of merchandise from a department store.

Robert Plack, age 43, who on September 25, 1970, while employed as the manager of a loan company, pursued a man who had held up the cashier at gunpoint and had taken \$469. After chasing the suspect, Mr. Plack was able to alert police officers who apprehended the man and recovered the stolen money.

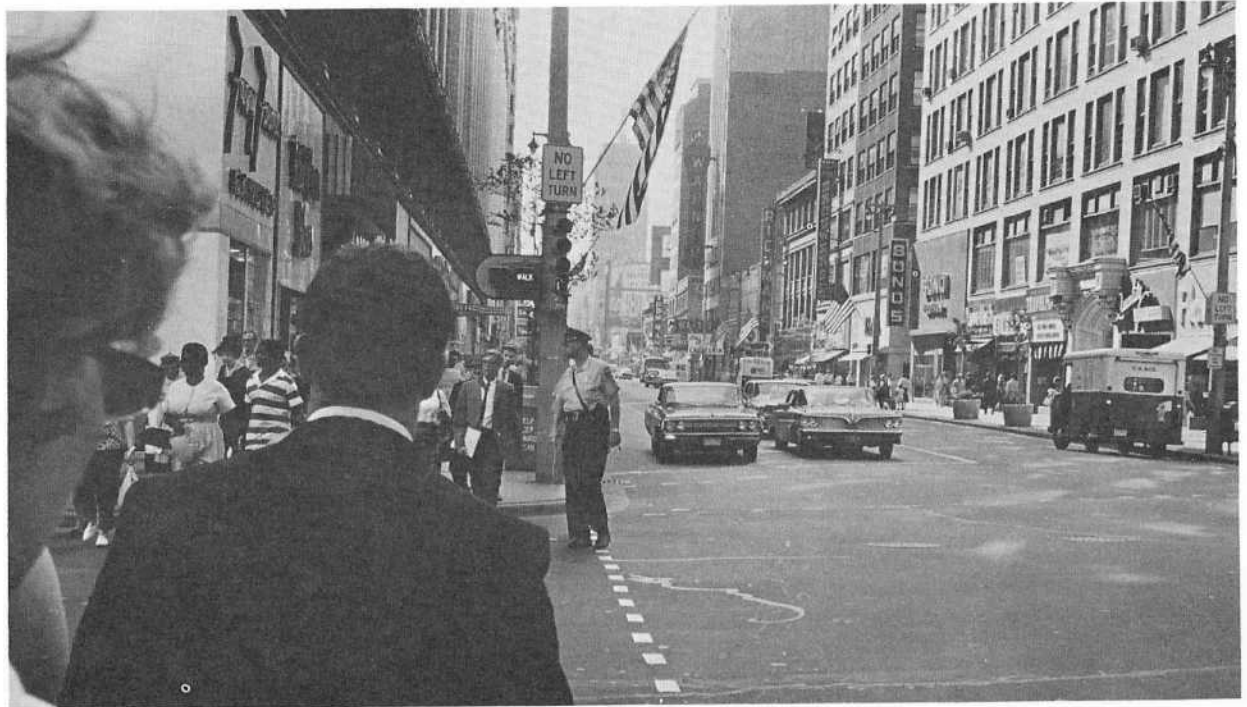

Mrs. Adrienne Seider, age 25, who on October 21, 1970, chased a man on foot several blocks after he had entered the Children's Day Care Center, 3030 West Highland Boulevard, grabbed several employes' purses from their desks and fled. Even though the suspect threatened her and threw objects at her, Mrs. Seider continued the chase until Detectives observed the situation and took over and apprehended the suspect.

TRAFFIC BUREAU

For the seventh consecutive year the City of Milwaukee ranked as the "Safest City in the Nation" in its population class in traffic for safety. This accomplishment is attributed to a continuing program of "Traffic Enforcement and Education" – rather than sporadic traffic law crackdowns.

In 1970, over 465,000 traffic citations were issued reflecting an increase of 3,000 over the previous year.

On February 1, 1970, all non-moving traffic citations were "computerized" and this completed the computerization of all moving and non-moving citations. An average of 1,200 inquiries per day were made into the system during the year. Future plans include the computer printing of "summons to court" and "warrants of arrest."

LET'S SEE YOUR DRIVER'S LICENSE"**

**"THE NERVE CENTER OF ANY
LAW ENFORCEMENT AGENCY"**

During the year 1970, all services provided by the Police Communications Bureau showed an average increase of 9 per cent over 1969. Telephone switchboard calls increased 11 per cent, radio dispatch messages went up 5 per cent, teletype message volume increased 3 per cent and Police radio service increased 10 per cent. These increases in the activities of the Communications Bureau reflect the increase in other Police service activities.

In 1970, the Communications Bureau prepared and submitted an application for funding under the Omnibus Crime Control and Safe Street Act, for the acquisition of a city-wide personal portable radio system for use by Milwaukee Police field forces. In September of 1970, the Wisconsin Council on Criminal Justice approved the project and authorized the beginning of phase one of the construction to begin in early 1971. It is estimated that the entire project will require about three years to fully implement. When the system is completed, it will provide small, lightweight, personal portable radio units for all Police field personnel. The system is

"DEPENDABILITY AND SPEED ARE VITAL"

designed to significantly increase the effectiveness and efficiency of information flow to and from officers.

Final preparations were completed for the acquisition and installation of new electronic equipment for the new Police Administration Building. Radio dispatch consoles and associated equipment was delivered in late 1970, at an expenditure in excess of one quarter million dollars.

A new satellite reception system was installed in 1970 which included a total of forty new VHF and UHF receivers at ten locations, throughout the City of Milwaukee. New radio receiving towers were installed at the Fourth District Station, the Seventh District Station, the Police Administration Building, the Town of Lake Water Tank, the South Side Health Center and the City Hall dome. The additional receivers at these and other locations have vastly improved the quality of radio reception from mobile and handie-talkie radio units. An amount in excess of \$100,000 was expended on the above project.

The Police teletype networks continued to expand with the addition of new nets in the State of Wisconsin, which have been connected to the Teletype Relay Center. The new networks are providing this Department with improved teletype communications to law enforcement agencies throughout the state.

Radio display equipment was installed in the new Police Community Relations and Recruiting Van. This display features "live" off-the-air Police radio dispatch broadcasts which has proven to be an effective and interesting attraction to persons touring the unit.

DATA PROCESSING

The Data Processing Section of the Milwaukee Police Department has a complement of 16 personnel, which include 1-Sergeant, 3-Patrolmen, 2-Tab Equipment Operators, 6-Keypunch Operators, 3-Student Aide Keypunch Operators, and 1-Police Aide. The Student Aide Keypunch Operators train on the job, and total about 60 hours per week.

In addition to the "on line" application of the Traffic and General Arrests, Criminal Offense Report tab cards have been transferred to tapes, in preparation to be put "on line", and has prepared approximately 27,000 reports. Other applications are being studied to

completely computerize all police records.

During the year 1970, the tabulating card volume of the Tabulating Section increased to approximately 1,500,000 cards. This was caused primarily by the expanded information now included in the Traffic Citation system which necessitates two tab cards for each violation. Additional information now on the system is the make of car, location of offense, and address of violator.

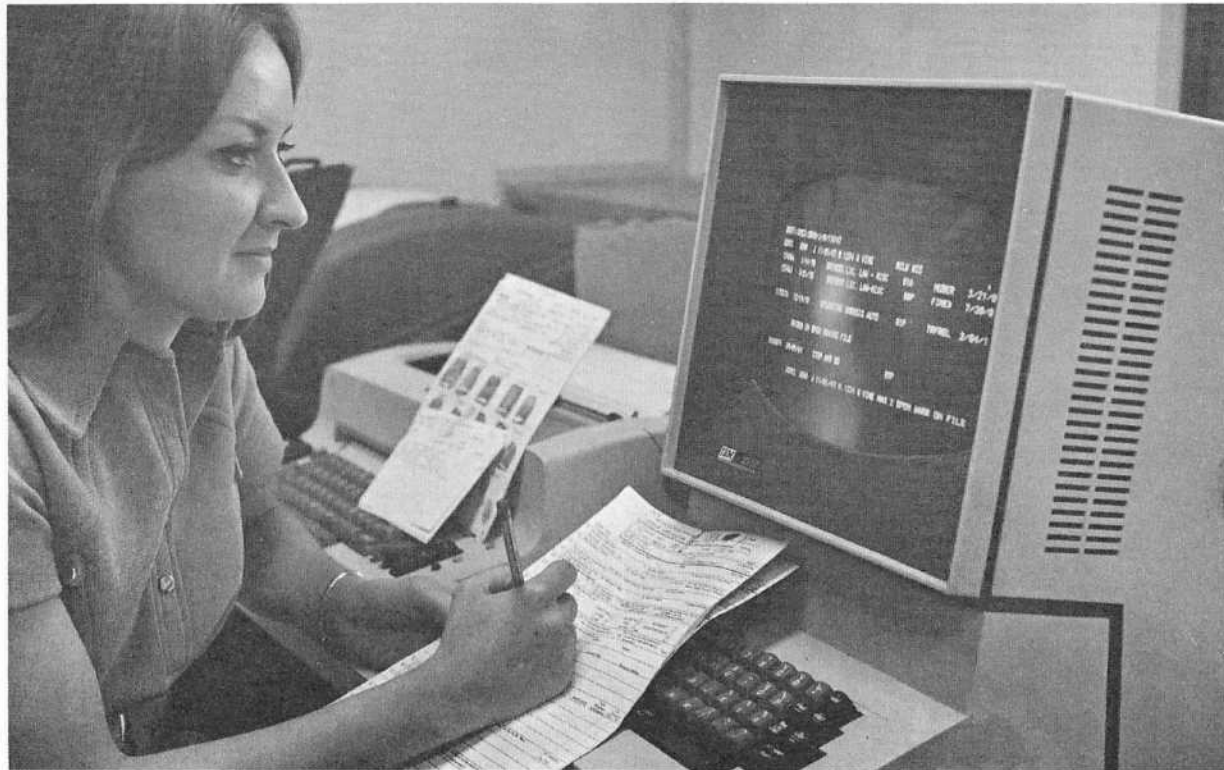

Another step toward actual computerization and ultimately an "on line-real time" system

was the installation of remote 2740 terminals and use of the central computer processor located at the City Hall. The remote terminals are located as follows: 1 in each of the seven Districts; 2 in the Detective Bureau; 2 in the Traffic Bureau; 1 in the Bureau of Identification; 1 at the Teletype Relay Center. The most significant immediate effects have been in the areas of the Traffic Citation and the NCIC procedure.

Tabulating Cards punched and verified at the Police Department's Tab Section are used as input in the computer disc files at the City Hall. The information on the Traffic Citation is stored and is updated daily and is available for retrieval from any of the 13 terminals. Information can be retrieved by license number, citation number, or name. The Department of Transportation of the State of Wisconsin provides the Police Department with computer tapes on all automobile registrations in the State. This information is also stored on discs and is available for retrieval. The complete computerization of the Traffic Citation System has included printing of past due notices, cannot locate lists, and warrant lists on a regular weekly basis. Court lists for moving violations are also computer generated daily. The impact of this system has been the complete elimination of manual filing procedures of the citation documents in the Traffic Bureau. Further improvement in the system now being planned includes the computer generation of the warrants, court dockets, and court calendars.

The NCIC (National Crime Information Center) procedure has been also significantly improved in that inquiry can be made direct from any of the terminals. The main computer was programmed, with some assistance from the Dallas, Texas Police Department, to act as a

DATA PROCESSING

message switcher. All positive "hits" are recorded on the originating terminal and on the NCIC control terminal located in the Detective Bureau. The Detective Bureau Terminal also has the capability of making direct entries into NCIC. This process has eliminated the manual entry and inquiry procedure previously carried out by the relay center staff on only one terminal device.

While some problems were occurring with adequate "uptime", the acquisition of a second 360/40 Computer, which is dedicated to police functions, has greatly improved this condition. The second machine was installed in November of 1970.

The transactions on the police computer "on line" system are averaging about 1,200 per day.

The Department has assigned a full time liaison man to coordinate the computer applications. Plans have been formulated for the replacement of the 2740 Terminals in the Police Administration Building with 2260 Video devices. This will allow for faster retrieval and will also provide for "on line" entries to be made directly to the computer files.

Applications in the process at the end of 1970 include the Detective Bureau Criminal Index and the Arrest Record Files.

The Police Department is continuing in its efforts to keep pace with the advancing and changing technology in computer concepts with a view of full participation in the developing national law enforcement computer interface system.

IDENTIFICATION- 15 RECORDS

The specific responsibilities of the Bureau of Identification to the line units of the Department are as indicated in the following comparison of their sectional workload to that of 1969.

"76.1% OF AUTO THEFT OFFENSES CLEARED BY ARREST IN 1970 INVOLVED JUVENILES"

The Youth Aid Bureau continued to provide special assistance in the area of youth and the agencies that serve the community's teenagers. As required by State Law, a separate record section is maintained dealing with all police contacts with juveniles.

A total of 37,860 police-juvenile contacts were made during the year, and 19,991 of said contacts were referred to the Children's Court for disposition.

A Federally sponsored program "Project Before" continued to be coordinated by this Bureau during 1970 involving 3,000 Boys' Club members and 34 Milwaukee Police Officers.

"MISSING PERSON" REPORT CLEARED

The Youth Aid Bureau also coordinated an Annual Bicycle Safety Program aimed at teaching grade school children rules of the road. Over 26,000 children heard lectures on bicycle safety and officers inspected over 8,000 bicycles for proper equipment.

Youth Aid Bureau personnel were also involved in the following activities during the past year:

Total speeches	113
Tours of the Safety Building	58
Meeting attended.....	17

In addition; the Bureau processed the following requests for services from various agencies and citizens:

Citizen calls.....	642
Department of Public Welfare	403
Health Department	10
Inter-department calls	639
Schools	62
Citizen walk in complaints	3,759
Central juvenile index cards	2,619
Juvenile traffic cases	1,541

DETECTIVE BUREAU

The investigation and successful prosecution in court of major crimes are primary responsibilities of this unit, and its effectiveness in clearing a significant percentage of murders, forcible rapes, robberies, aggravated assaults, and robberies is reflected in the adjoining charts.

UNIFORM DIVISION

Distributed throughout the city and continually in contact with the public, uniformed officers are the symbols of a law enforcement agency. Consequently, the manner in which these men conduct themselves and carry out their wide range of police functions is of far-reaching importance.

During 1970, the information gathered and reported by Milwaukee's uniformed force was highly instrumental in clearing a significantly large percentage of murders (88%) — rapes (58%) — robberies (72.1%) — aggravated assaults (66.2%) and burglaries (59.4%).

These clearance percentages make it patently clear that these men efficiently fulfilled their responsibilities and rendered a tremendous service to this community.

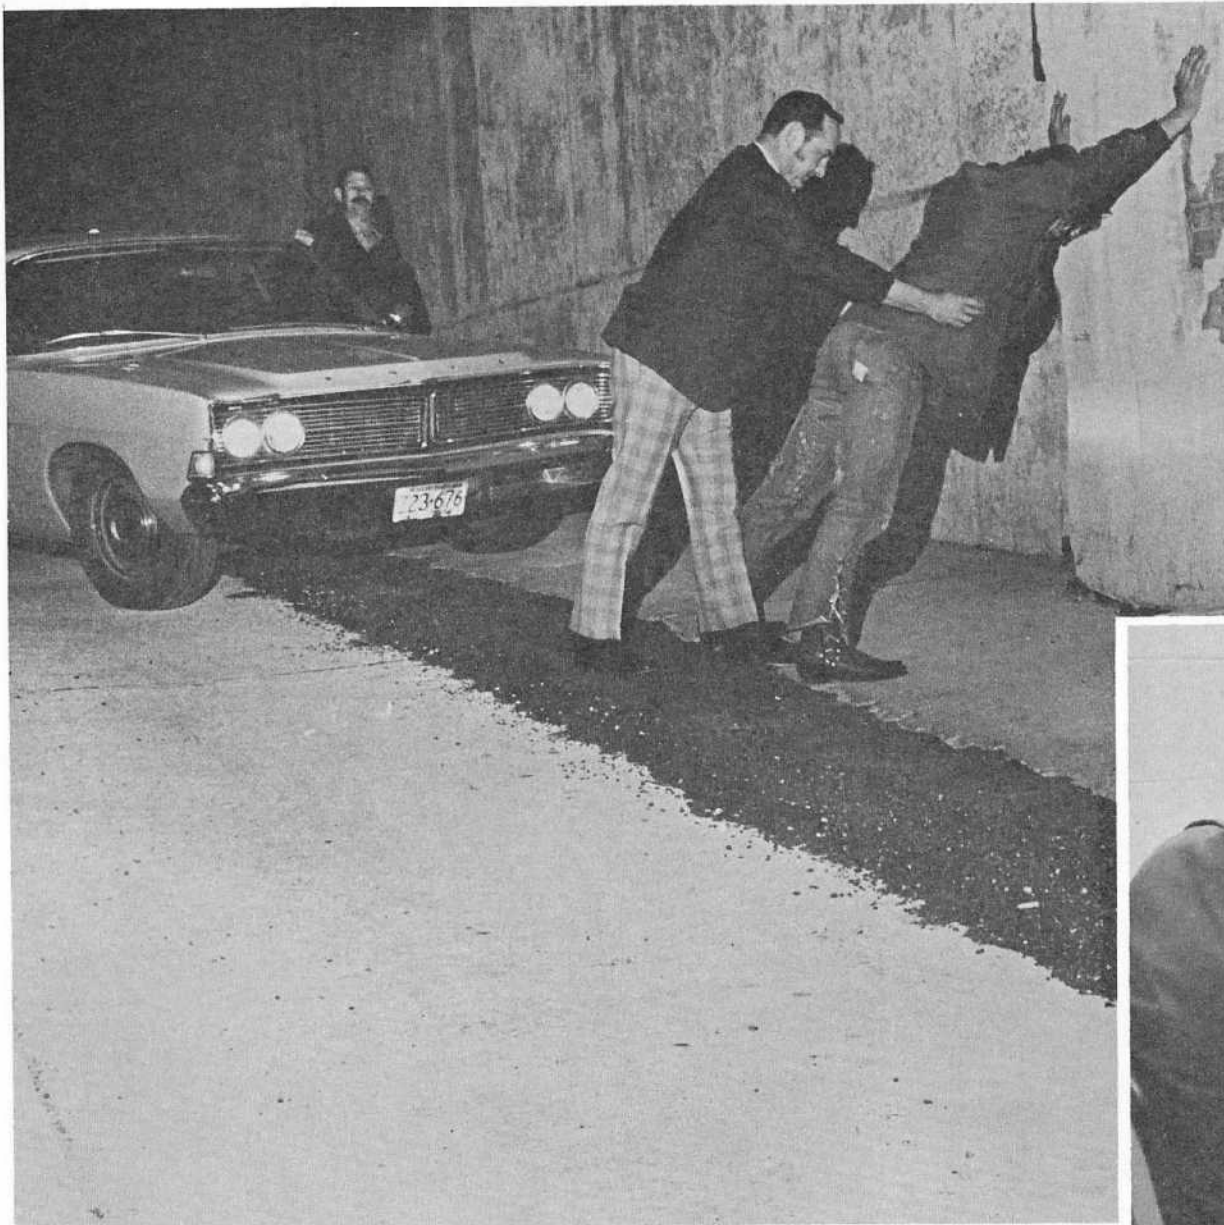

FIRST DISTRICT ROLL CALL

"CHECKING SECURITY OF BUSINESS ESTABLISHMENT"

A "FIELD INTERVIEW"

ARREST, SEARCH AND SEIZURE

Police officials know that major crimes will increase if a community fails to suppress prostitution, gambling, and illicit narcotics and liquor traffic. An indication of Milwaukee's success in keeping vice activities at an irreducible minimum is therefore reflected in the major crime statistics outlined in another section of this report.

Success in combatting the vice problem in Milwaukee can also be attributed to the fact that all officers — regardless of assignment — are required to take proper action against all vice conditions coming to their attention.

POLICE ACADEMY AND SPECIAL SERVICES

During 1970, the Police Academy trained 105 Milwaukee recruit officers and 51 suburban recruit officers, conducted in-service and firearms training classes for 2,098 personnel with police powers, and provided a wide range of other special services designed to keep all members abreast of new laws, and new techniques in crime prevention and detection.

The Academy also engaged "expert" guest lecturers to speak to all members of the Department on such subjects as "Drug Abuse" — "Peaceful Demonstrations" — "Search and Seizure" — and "Human Relations". Special training programs were also presented in cooperation with the Federal Bureau of Investigation.

VIDEO TAPE TV FOR IN-SERVICE TRAINING

"IN-SERVICE TRAINING"

COMMUNITY RELATIONS MOBILE UNIT

A "Community Relations Mobile Unit" was placed into service on February 9, 1970, and proved to be an immediate success. The unit was visited by over 35,000 children and adults at 77 elementary schools and high schools, 53 playgrounds, and at various other locations throughout the city. The unit generated a high degree of interest and its value in stimulating citizen cooperation and appreciation for police responsibilities was apparent after the first few weeks of operation.

The unit contains a number of exhibits, including a breathalyzer, a polygraph, and a police receiver tuned to police frequencies which offers the public an opportunity to hear live police calls. It also has display areas demonstrating fingerprint and identification procedures, and photos depicting the various steps in the fourteen weeks of training a recruit is required to complete.

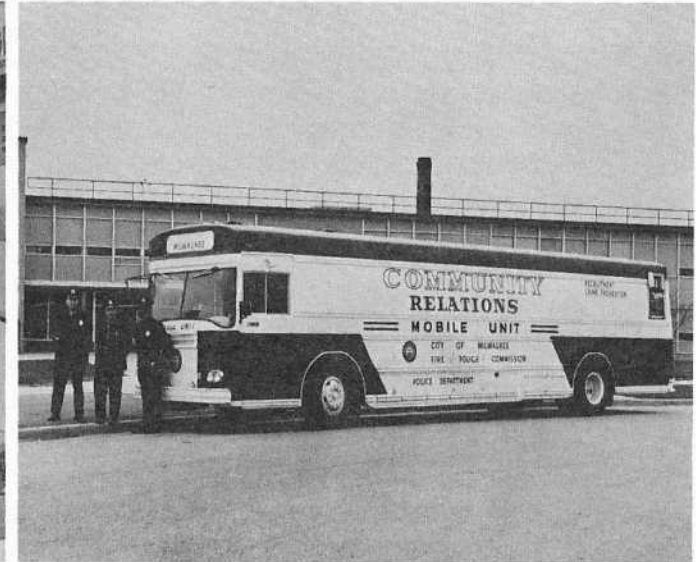

THE MILWAUKEE POLICE BAND

In existence since 1898, the Milwaukee Police Band celebrated its 72nd birthday and again served as the Department's primary public relations vehicle. The band participated in various civic parades, presented concerts at numerous schools throughout the city, and made its annual appearance at the Kettle Moraine School for Boys.

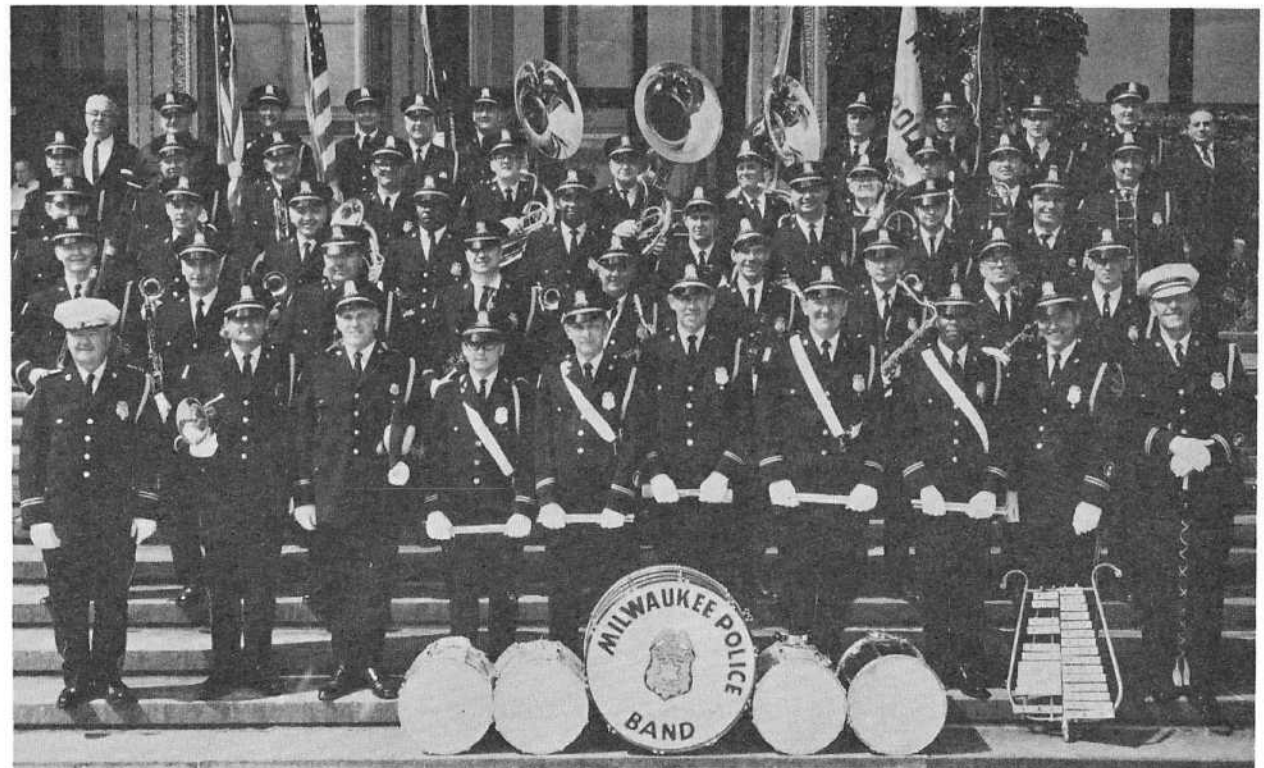

The good will spread by this organization and the image projected by its members serves to make the job of each Milwaukee Police Officer a bit easier.
