★ POLICE OFFICER
THOMAS R. KIEFER ★

Police Officer Thomas R. Kiefer, who was killed in the line of duty on November 25, 1977, awarded a posthumous Class “A” Citation, the highest honor that can be bestowed upon a member of the Milwaukee Police Department, for meritorious duty under the following circumstances:

On November 25, 1977, at 4:50 P.M., Police Officers Thomas R. Kiefer and Wayne W. Jensen, Fifth District, responded to a report of “Meet a woman outside 2962-B N. First Street — Man with a shotgun in the house.”

Upon approaching the residence, Officer Jensen assumed a “cover position” behind a pillar on the front porch while Officer Kiefer walked onto the porch and took a position to the right of the front door. Officer Kiefer then knocked on the door, rang the doorbell, and announced his identity. Receiving no response, Officer Kiefer reached over and again knocked on the door at which time the door swung open and a gunshot rang out striking him in the left chest. He succumbed to the gunshot wound within one hour.

Police Sergeant Patrick H. Eaton, Fifth District, and *Detective John J. Ferraro*, Detective Bureau, awarded a Class “D” Citation for meritorious duty under the following circumstances:

On April 26, 1978, at 12:20 P.M., the Smith Pharmacy, 9000 W. Burleigh Street, was held up by two white males who demanded narcotics and money. While the robbery was in progress, off duty Detective John Ferraro was stopped by a woman who said that she thought a robbery was taking place in the aforementioned pharmacy.

Detective Ferraro immediately placed himself in a position where he could observe the pharmacy, and he observed two white males hurriedly leaving the premises. He drew his revolver and ordered the men to halt, but both subjects began to run west on Burleigh Street. Detective Ferraro repeated his order to stop; whereupon, one of the subjects stopped and raised his hands while the other continued to flee on foot.

Simultaneously, Sergeant Patrick Eaton, also off duty, observed Detective Ferraro holding

POLICE OFFICER
DANIEL J. WAYER

Police Officer Daniel J. Wayer, Sixth District, awarded a Class “E” Commendatory Letter for meritorious duty under the following circumstances:

On April 23, 1978, at 9:15 P.M., Officer Wayer was off duty and in his residence when his wife alerted him to a suspicious car parked outside their home. She told him that she had observed two white males (one of whom was armed with a handgun and wearing a ski mask), walk towards the Open Pantry Store, 3875 S. 92nd Street.

Officer Wayer immediately obtained his service revolver, notified the Department of a possible holdup, and exited his residence. After acquiring the car’s license number and turning off the car’s engine which had been left running, Officer Wayer took cover behind another parked auto. Within seconds, he observed one suspect running towards the auto while holding something in his hand and taking off a ski mask.

At this time Officer Wayer identified himself and ordered the suspect to halt. Disregarding the Officer’s orders, the suspect entered the auto and fled the scene, at which time Officer

Wayer fired two warning shots and four shots at the suspect and the auto.

Officer Wayer’s actions resulted in the subsequent arrest of three youths on robbery charges. They admitted to three armed and masked robberies in this City as well as several crimes in Greenfield and West Allis.

Without hesitation, Officer Idzikowski entered the lagoon and went to the boy’s aid, but the child panicked and Officer Idzikowski experienced difficulty in keeping both of them afloat. POLICE OFFICER
WAYNE E. ROBERTS

Police Officer Kurtis R. Dodge and **Police Officer Wayne E. Roberts**, Sixth District, awarded a Class “E” Commendatory Letter for meritorious duty under the following circumstances:

On April 21, 1978, at 5:20 A.M. Police Officers Kurtis Dodge and Wayne Roberts were dispatched to investigate a report of “an orange light flickering” inside the Jade Forest Restaurant, 4421 W. Oklahoma Avenue. Upon arrival, the Officers did not observe any lights on inside the restaurant, and they knew from previous experience that this was an abnormal situation. They also had difficulty obtaining a clear view into the restaurant proper as the inside seemed very cloudy; however, they did not observe any flames or smoke emanating from the building.

After noting the restaurant owner’s auto parked outside the rear door, the Officers personally attempted to arouse him from the inside of the building and they had Sixth District desk personnel attempt to alert him by phone, to no avail.

It was at this time that Officers Dodge and Roberts observed minute particles of soot in the air and a trace of smoke coming through the top of an inner door. They immediately summoned the Fire Department, forced open the rear door and entered the restaurant. Groping their way through dense smoke, the Officers searched the entire restaurant premises, finally locating the owner sleeping in a basement room. After being awakened and led to safety, he credited the Officers with saving his life.

Officer Mildren grasped her by the arm at which time she released her hold on the railing and tried to fall to the expressway sixty feet below. Within seconds, Officer Zielinski arrived on the scene, grasped the woman’s other arm and assisted Officer Mildren in overcoming her resistance and attempt to commit suicide. She was pulled onto the safe side of the rail and subsequently admitted to County General Hospital for mental observation.

“SERVICE ABOVE AND BEYOND THE CALL OF DUTY”

**POLICE OFFICER
GARY L. ECKEL**

**POLICE OFFICER
MICHAEL J. FRITZ**

Police Officer Gary L. Eckel and Police Officer Michael J. Fritz, Sixth District, awarded a Class “E” Commendatory Letter for meritorious duty under the following circumstances:

On May 15, 1978, at 8:30 P.M., Police Officers Michael Fritz and Gary Eckel responded to a high speed chase which originated in the Second Police District and ended at the intersection of S. 25th and W. Becher Streets where the pursued car struck another auto broadside. Upon arrival, the Officers observed the struck auto engulfed in flames with two persons trapped inside.

During the ensuing moments, Officer Fritz partially extinguished the fire and then attempted to open the car door but was unable to do so because of extensive damage. He then climbed into the auto, in spite of toxic smoke, and administered first aid to one of the trapped victims. As he was administering mouth to mouth resuscitation and Cardio Pulmonary Resuscitation, the fire flared up again, and he was later treated for smoke inhalation.

In the meantime, Officer Eckel used his bare hands to rip glass from the window frames in an effort to extricate the victims. Finding that this did not allow him enough room to assist the injured party, he again used his bare hands to bend a metal door frame far enough to allow him to administer first aid to the other trapped victim. Sutures were required to close wounds on Officer Eckel’s hands.

Pounding on apartment doors and crawling on their hands and knees to avoid being overcome by smoke, the officers located two adults and a small child in a second floor apartment and led them to safety.

Prior to the arrival of fire equipment, Officers Fredericks, Olsen and Sullivan made two more attempts to locate other persons who might still be inside the burning building, but they were driven out by rapidly spreading flames and intense heat.

AWARDS OF MERIT TO CITIZENS

BRIAN L. NIELSEN, age 38. On September 7, 1977, the Wooden Nickel Store, 6324 W. Fond du Lac Avenue, was held up by two black males, one armed with a handgun, who obtained \$350. While investigating the hold-up, detectives were approached by Brian Nielsen who stated that he had been in the area on business and had observed two suspicious acting black males. Mr. Nielsen furnished the officers with descriptions of the subjects and also a partial license number and description of the car that the suspects drove away in. With this information, detectives soon located the car and the suspects. Three men were subsequently charged with the armed robbery of the Wooden Nickel Store on Fond du Lac Avenue as well as the robbery of the Wooden Nickel at 8249 W. Brown Deer Road which had occurred on August 22, 1977.

LOUISE ANDERSON, age 43. While in her home at approximately 11:00 A.M. on October 4, 1977, Mrs. Anderson noticed an unknown black male prowling around the residence of a neighbor at 4191 N. 20th Street. Mrs. Anderson kept the youth under observation, noting his description in detail. She then saw him break into the home at which time she called the police and then continued watching the subject as he prowled from room to room. When he exited the home, Mrs. Anderson noticed his direction of travel and gave this information to police officers upon their arrival at the scene. The youth was apprehended a short distance away and returned to the home where Mrs. Anderson made a positive identification. The suspect, a 16-year-old juvenile, was arrested for burglary and sent to the Children's Center. All items taken in the burglary were recovered.

IONE DEANOVICH, age 49, who while helping her son deliver newspapers at approximately 5:00 P.M. on October 6, 1977, observed a car pull out of an alley and follow alongside a little girl in the 4900 Block of W. Lynndale. Mrs. Deanovich heard the little girl state, "No, I'll walk home." The male driver then leaned over and opened the passenger door and the child walked towards the open door of the auto. Mrs. Deanovich recognized the little girl as living in the neighborhood and suspecting that something was wrong, she got out of her car and walked over towards the car and overheard the man ask the child if she wanted a ride home. At this point, Mrs. Deanovich placed her hand on the shoulders of the little girl at which time the surprised suspect asked for directions in the neighborhood and then drove off.

Mrs. Deanovich memorized the license number and description of the auto and then took the child home and advised her mother to call the police.

The suspect was subsequently questioned and charged with Enticing a Child for Immoral Purposes. Investigation further revealed that he had attempted to pick up two teenage girls earlier on the same date and had also been arrested by the West Allis Police Department on December 30, 1975, for Disorderly Conduct.

TERRY KVEEN, age 35. While on the lot at his trailer rental business on October 13, 1977, Mr. Kveen was approached by a black male who attempted to sell him a color television for \$50. Mr. Kveen noticed that the man was also in possession of numerous items of clothing in a shopping cart. When Mr. Kveen informed the subject that he was not interested in purchasing the TV, the man

walked away and approached others in the area in an attempt to sell the items. Suspecting that the items were stolen, Mr. Kveen called the Police Department. Detectives who responded to the dispatch were directed to an address where the man was found demonstrating the television. He was subsequently questioned and placed under arrest on a charge of Receiving Stolen Property. The merchandise which had been stolen from a nearby residence was recovered.

JERRY YOUNG, age 22. On October 25, 1977, shortly before 12:00 Noon, a 59-year-old woman had her purse stolen by a young black male at 22nd and Juneau Avenue. Soon thereafter, Mr. Young, who was aware that a crime had been committed, observed a juvenile running in an alley and noted his direction of travel. He was then approached by the victim who informed him what had occurred. Mr. Young then ran after the youth and caught up with him and also a second young black male. He returned them to the woman who identified the one who had taken her purse. Just before the arrival of police, the youth broke away, and Mr. Young again gave chase and apprehended him. Both subjects were turned over to police and subsequently charged with Theft from Person (purse snatch) and Party to a Crime (purse snatch).

TIMOTHY R. SOUERS, age 34, who on November 29, 1977, when leaving a restaurant at 3001 W. Wisconsin Avenue with his family at approximately 6:15 P.M., observed two black males struggling with a white female who was lying on the ground. Mr. Souers placed his three-year-old daughter in

his automobile and yelled at the men. The assailants then fled. Mr. Souers pursued the assailants and caught up with them a short distance away at which time one man threw the purse at him and the second man fired a shot at him, striking him on the left side of the chest. Mr. Souers was able to return to the restaurant with the victim, and police were called and furnished with a complete description of the suspects. Mr. Souers was conveyed to County General Hospital and treated for a superficial gunshot wound.

DONALD D. SCHWEDER and **MICHAEL J. PRATTKE**, both 18, who on December 21, 1977, at approximately 8:00 P.M., while walking in the area of the Mitchell Liquor Mart, 1935 W. Mitchell Street, observed a man walking through the alley just east of the store. A few minutes later, they saw the same subject standing in the store with a knit cap pulled over his face. Believing that a robbery might be occurring, Mr. Schweder and Mr. Prattke went to a nearby store where police were called.

The suspect had been under surveillance by the police for several weeks as a possible suspect for numerous armed and masked robberies. However, on that date, by changing his clothing just prior to the holdup, he had been able to elude the police and go unnoticed. After the phone call of the holdup, coverage was tightened and the suspect was found hiding in a nearby garage. Also found was his extra clothing and the gun used in the holdup. As a result of his arrest, more than 30 armed and masked robberies were cleared.

R. L. VAN DYKE, age 31, and his wife, **JOAN**, age 27, and **SHELVY C. CAPPS**, age 18. On December 31, 1977, at approxi-

mately 3:30 A.M., Mr. and Mrs. VanDyke and Mr. Capps were returning to their home when they observed two young black males standing at the front door of a home across the street. After entering their home, Mr. Van Dyke and Mr. Capps continued to observe the two youths who raised a front window, and one of the boys crawled into the home. The second boy walked to the rear of the residence. At this time, Mr. Van Dyke asked his wife to call the police while he and Mr. Capps continued to watch the home. Upon the arrival of police officers, Mr. Van Dyke and Mr. Capps pointed out the residence, and the two suspects, a 14-year-old and a 13-year-old, were apprehended and charged with burglary. Further investigation revealed that the youths had committed three previous burglaries.

JON NEVILLE, age 31, and **ROBERT RUNKE**, age 29. Early on January 13, 1978, the First Wisconsin National Bank at 943 North Water Street, was held up by an armed and masked man. As the hold-up man left the bank, the teller who had been robbed alerted Mr. Neville, the branch manager, and another teller, Mr. Runke. The two men ran out of the bank in pursuit of the suspect and caught up with him a few doors away where Mr. Neville tackled him. Mr. Neville and Mr. Runke returned the suspect to the bank and turned him over to police officers. He was later charged with armed and masked robbery.

BARBARA KINGSBURY, age 47. On February 8, 1978, while in her northwest side residence, Mrs. Kingsbury observed a black male enter the breezeway leading to the garage of a neighbor's home. The man then opened the garage door, allowing a black

Cadillac occupied by two other black males to pull into the garage. The men then broke into the residence through the kitchen and proceeded to move about the house drawing the drapes. They then removed over \$900 worth of household goods.

Having observed the actions of the men, Mrs. Kingsbury first called the owner at her place of employment and notified her of what had transpired and then called the police.

Just prior to the arrival of the officers, two of the men fled the house in the car, and the third subject was observed running from the home. He was apprehended a few blocks away, returned to the home and identified by Mrs. Kingsbury. She then furnished officers with a description of the car and the license number, and a short time later the vehicle was found and also the stolen items. The two remaining subjects were apprehended, and all three men were charged with the burglary of that residence as well as three other burglaries.

WILLIAM V. HACH, age 35. During the afternoon of March 7, 1978, a white male held up the Milwaukee Western Bank, 6001 W. Capitol Drive, and obtained over \$900. Mr. Hach, a driver for United Parcel, was parked across from the west side of the bank when he observed a man run out the side door of the bank and south on 61st Street carrying a white money bag. Mr. Hach also heard bank employees yell that they had been held up. He then followed the man into the alley, observed him put the bag of money under a garbage can and continue fleeing towards a nearby park. Mr. Hach picked up the bag of money, returned it to the bank, and gave investigating officers a description of the suspect and his direction of travel. As a result

AWARDS OF MERIT TO CITIZENS

of this information, the suspect was subsequently arrested and charged with the bank robbery.

JEFFERY E. JACKSON, age 20. On March 17, 1978, at 3:27 A.M., Honeywell Protection Services received an alarm at the National Hardware Company, 1673 S. Ninth Street. Due to a malfunction in the alarm system, the Police Department was not notified, and Mr. Jackson, an employee of Honeywell, responded to the scene alone. While checking detection units on the first floor, he heard voices coming from the basement of the store and upon checking, he confronted three white males behind the counter in the basement in the process of committing a burglary. Mr. Jackson apprehended one of the suspects, but the other two broke away, running in opposite directions. While holding the captured suspect, Mr. Jackson contacted the Police Department, and upon arrival of officers, the subject was arrested and charged with burglary. Investigation led to the arrest of the other two suspects who were also arrested and charged with burglary of the National Hardware as well as the burglary of an adjoining building.

MARY BILDA, age 27, and **PATRICIA GERCZAK**, age 31, employees of the Marshall & Ilsley Bank, 770 N. Water Street. On March 17, 1978, at 6:00 P.M., Mary Bilda observed a woman in the lobby of the bank who appeared confused and excited. Mrs. Bilda offered to assist the elderly woman who asked to withdraw \$10,000 to cover medical expenses for a gravely ill daughter in Minnesota. The woman further requested that the money be given in cash. Mrs. Bilda convinced the woman to accept a cashier's check and also

arranged for traveler's checks for her trip. Due to the large amount of cash requested and the nervous condition of the woman, Mrs. Bilda suspected foul play and checked with the airlines which revealed no plane reservations for the subject.

On the following day, Mrs. Bilda's day off, still being concerned about the suspicious transaction, she telephoned the bank and related her concern and suggested that the cashier's check not be cashed. Shortly thereafter, the woman did appear at the bank and approached Patricia Gerczak and requested that her check be cashed. Mrs. Gerczak then convinced the woman to keep the check until she got to Minnesota. The woman stated that she had an afternoon flight, and Mrs. Gerczak offered to take the woman home but she declined the offer stating she had her own car. Due to her age and failing eyesight, Mrs. Gerczak doubted that the woman would be driving, so she followed her out of the bank and observed her enter a car driven by a black female. Mrs. Gerczak noted the license number of the car and immediately notified the police of the possible swindle.

Investigation confirmed the suspicions of Mrs. Bilda and Mrs. Gerczak, and the suspect, who had a prior record of 53 arrests for prostitution and fraud throughout the country, was arrested.

THOMAS M. WILKE, age 27, who, upon returning to his south side residence shortly after 6:00 P.M. on March 19, 1978, found a strange man coming out of the rear door carrying a small tear gas cannister. Though having recently sustained a broken elbow, Mr. Wilke grabbed the suspect and pushed him against the house. A struggle ensued during which the suspect placed his hand in his pocket and repeatedly threatened to shoot

Mr. Wilke, and he then brought out a gun. Mr. Wilke grabbed the man's arm and succeeded in wrestling the gun away from him. The gun was later found to be a toy. Meanwhile, police officers who had been called by Mrs. Wilke arrived, and the suspect was arrested on charges of Armed Burglary and Machine Gun Act (tear gas).

JACK EIDLER, age 42, who as an employee of the Wisconsin Electric Co., was completing a service call at 1608 N. Warren Avenue shortly before noon on April 3, 1978, when he heard the sound of breaking glass. Mr. Eidler proceeded a short distance and observed a white male standing on a garbage can which had been placed under a window. The man was in the process of breaking out the window and crawling into the building. Mr. Eidler immediately went to a nearby fire station and reported the incident. The Police Department was then called, and upon arrival of officers, the suspect was apprehended as he was walking away from the scene carrying stolen articles. He was subsequently arrested on a charge of Burglary.

FLORA BRYANT, age 39, a school crossing guard who while assigned to her school corner at N. 32nd and W. Lisbon Avenue on April 12, 1978, observed three juveniles exiting the sidedoor of an apartment building at 1744 N. 32nd Street. Mrs. Bryant observed one of the boys put a container of coins under his jacket and yelled at them to stop at which time the youths started to run, dropping some of the coins on the sidewalk. Mrs. Bryant immediately went to a nearby callbox and requested a police squad to meet her. Upon arrival of officers, she told them what had occurred and gave them a description of the

juveniles. The youths were soon apprehended and the coins were recovered. Further questioning cleared other burglaries which had recently taken place in the area.

JOSEPH P. URBEN, age 52, who on April 12, 1978, at approximately 1:15 P.M., heard pounding noises coming from the residence of his neighbor and upon looking out a window, saw a black male break the glass, reach through the broken window and unlock the door. Mr. Urben immediately called the police and then left his residence and positioned himself on the corner where he was able to observe both front and side exits of the neighbor's residence until the arrival of police officers. While explaining to the officer what had occurred, the suspect looked out the front door window and shortly thereafter came out the door and ran down the street. The officer pursued the suspect on foot and was then joined by a second officer who had been covering the rear of the residence. The getaway car which was found to be stolen was parked in the alley. The suspect, on parole for burglary, was arrested and charged with Burglary, Operating Auto Without Owner's Consent, and Violation of Parole. The money taken in the burglary was recovered.

Mrs. Wayer saw two white males seated in a parked auto at the intersection of S. 93rd and W. Howard Avenue and noticed that the dome light of the auto was being turned on and off and further that one of the occupants was putting on a ski mask. After a short period

of time, the driver of the auto turned off the ignition and momentarily got out of the auto and then re-entered and again started the motor. He then exited the auto a second time and walked around to the passenger side. At this time, the passenger, wearing the ski mask and carrying a long barrel handgun also got out, and both men walked towards the Open Pantry Store at 3875 S. 92nd Street.

Meanwhile, Mrs. Wayer alerted her husband, an off duty Milwaukee Police Officer, and he went to investigate. After a few minutes, Mrs. Wayer saw the driver running towards the vehicle and heard her husband shout, "Stop or I'll shoot — I'm a Police Officer." She then heard several shots and observed the vehicle speed away. As a result of Mrs. Wayer's observation, the holdup of the store was foiled, and three subjects were arrested and charged with Armed & Masked Robbery and Conspiracy to Commit Armed and Masked Robbery. Not only was this robbery prevented, but several other armed and masked robberies in Milwaukee, as well as the cities of Greenfield and West Allis, were cleared.

JACQUELINE PIRTLE, age 21, who on the afternoon of April 17, 1978, observed a suspicious acting black male across the street from her residence. The man walked up the front steps of the residence, rang the doorbell and listened and then walked to a side door and rang the doorbell. He then looked in the window and walked around to the rear of the building out of Ms. Pirtle's vision. Within a short time, he returned, took a brick from under his jacket, broke the glass out of the side door and crawled through. At this point, Ms. Pirtle called the police, reported the burglary and provided a description of the suspect. The 21-year-old man, recently released from the Green Bay Reformatory, was apprehended inside the residence and ar-

rested on a charge of burglary. Further questioning led to his admission of an additional 15 burglaries.

The youths then went to the rear of the house at which time Mr. Murphy and Mr. Stopar called the Police Department. The second youth was later identified and apprehended.

ROBERTA FRANKEN, age 21, who on May 23, 1978, while employed as a communications operator at Deaconess Hospital, received a bomb threat call at 8:45 P.M. Ms. Franken succeeded in keeping the caller on the line for over an hour and learned that he was a black male, approximately 5'10" tall with an Afro hair style and was possibly at 2658 N. 35th Street. She also learned his name and the number from which he was calling. Shortly after the caller hung up, he was arrested in front of his residence. Investigation revealed that he had made that call as well as two previous calls to the hospital.

DAVID O. MENGE, age 19, who while walking through the alley at the rear of 2716 N. 40th Street at approximately 3:00 P.M. on May 24, 1978, observed two young black males climbing through a window of the home. Mr. Menge went to a nearby residence and asked the occupant to ring the front doorbell at the home where he suspected the

burglary, and he waited at the rear door. When the doorbell rang, the two youths exited the rear door and ran from the scene. Mr. Menge caught one of the subjects, an 11-year-old boy, whom he turned over to police officers. Questioning led to the arrest of a second boy and also cleared nine additional residence burglaries in the area of 40th and Center Streets.

GREGORY PETTIS, age 22, who during the early afternoon of June 12, 1978, observed a juvenile in the yard at S. 20th and W. Pierce Streets and inquired what he was doing. He responded that he had been assaulted by some boys and was trying to elude them and that he lived in the area and was on his way home. Mr. Pettis then went to the home of his brother a few blocks away and learned that the home had been burglarized. A neighbor informed Mr. Pettis that she had seen a juvenile coming from the home carrying a box, and the description she gave of the boy matched that of the youth Mr. Pettis had seen earlier.

Mr. Pettis then returned to the area and observed the boy emerging from Mitchell Park and attempted to apprehend him. A struggle followed at which time two FBI agents who happened to be in the area and observed the struggle assisted Mr. Pettis in subduing the youth. The Police Department was then notified and the suspect was turned over to officers. The stolen items were found concealed in nearby bushes. Six neighborhood burglaries were cleared due to the arrest of the youth.

Wicen noted the description of the car and the license number. Later that date while detectives were investigating a garage burglary at that address, they were approached by Mr. Wicen and informed of what he had observed earlier that morning. With this information, they were able to obtain a listing of the auto, and they succeeded in tracking down two juveniles who confessed to that garage burglary as well as others in the area. All items taken in the burglaries were recovered.

GEORGE J. KRAUSE and **SCOTT L. ZIESKE**, both 15. On June 29, 1978, while standing at the bus stop at N. 37th and W. Highland Boulevard, George Krause and Scott Zieske heard a woman scream and observed a young black male running with a purse. The youth grabbed the purse belonging to the woman as she was loading groceries into her auto in the lot of Kohl's Food Store at 35th and W. Juneau Avenue. The two youths gave chase after the purse snatcher, causing him to drop the purse. They were unable to apprehend the suspect but recovered the purse and its contents and returned it to the woman and remained with her until police arrived. The suspect, a 14-year-old boy, was apprehended a short time later as he attempted to board a bus and was charged with theft from person.

Oklahoma Avenue, was confronted by an armed holdup man who demanded money and drugs. After obtaining same, the subject ran out the front door. Mr. Helmuth noted his direction of travel and ran out of the store after him in an

effort to get a license number and a description of his automobile. Not seeing the subject, Mr. Helmuth started back to the store when he saw the man walk out of a house at 3128 S. 7th Street. He engaged him in conversation and the suspect then went back into the home. Upon the arrival of police officers, Mr. Helmuth pointed out the location of the suspect who was subsequently arrested and charged with the armed robbery of the Union Prescription Center and also the armed robbery of the Polewski Pharmacy at 2600 S. 13th Street which had occurred the previous day.

ROSS LUEDKE, age 23, who while outside his home at approximately 4:00 P.M. on September 8, 1979, saw a car pull to the curb across the street. The male occupant remained seated in the car for a few minutes and then got out and lifted the hood as if working on the engine. Mr. Luedke then saw a woman and her small child walking on the same side of the street as the car was parked, and as they passed the vehicle, the man slammed down the hood, walked towards the woman, grabbed her from behind and placed a rag containing ammonia over her face. Mr. Luedke ran across the street at which time the man jumped in his car and fled. Mr. Luedke noted the license number and description of the car and took the woman and her child to his home and notified the police. The suspect was charged with Administering a Dangerous or Stupefying Drug. Further investigation revealed that he had assaulted a woman in the same manner a short time before at Point Loomis Shopping Center.

AWARDS OF MERIT TO CITIZENS

Avenue was robbed by two black males wearing stockings over their faces and one armed with a long barrel shotgun. At about the time of the robbery, Laura was playing in her front yard and noticed two black males driving an older model auto with a damaged front end pull into her driveway, turn around and travel towards the Stop & Go Food Store. During the investigation of the robbery, officers interviewed Laura, and she gave them what information she had.

A few days later, a suspect was apprehended operating an auto that matched the description of the one given by Laura. The suspect repeatedly denied his involvement; however, during the investigation, Laura was shown photos of the subject and of the auto, and she positively identified the man, an escapee from the Ethen Allen School for Boys, as being the driver of the car. Further questioning led to his admission of the robbery and also the robbery of the Speedway Service Station, 7317 N. Teutonia Avenue, the previous day.

JAMES S. BRODZIK, age 20, and his mother, **GERALDINE M. BRODZIK**, age 49, who while driving in the area of the Ben Franklin Store, 3042 S. 13th Street, shortly before Midnight on October 3, 1978, heard an alarm ringing and noticed that the glass in the door was smashed. They immediately parked in a lot across from the store, and a short time later a woman approached and told them that a man had broken the window of the store, removed various items and was standing in front of a waste receptacle disposing of some of the merchandise. At this time, James and his mother approached the subject and held him until police arrived. The suspect was arrested on a charge of burglary, and a search revealed several watches in his pockets as well as other items which had been discarded in the disposal receptacle.

TIMOTHY H. BARTEL, age 33. At approximately 10:00 A.M. on October 12, 1978, the Jackson Park Pharmacy, 4308 W. During the robbery, one shot was fired and the suspect obtained \$1000 and narcotics. After the robbery, the owner of the drug store went to the business establishment next door and reported that he had been robbed.

Mr. Bartel who was in the store was also informed of the robbery and immediately ran out of the store and down the alley where he observed a car backing up and then speed off. Mr. Bartel noted the license number and returned to the scene and advised investigating officers of his observations. This information led to the apprehension of the two suspects who were charged with the armed robbery of the Jackson Park Pharmacy as well as a second armed robbery on September 1. The money and the narcotics taken in the holdup were recovered.

PATRICIA BRICK, age 41. Once in September and again in October, two seven-year-old girls were abducted from the area of 20th and Edgerton by an unknown white male driving a silver automobile. One of the victims was also sexually assaulted. Information of the abductions was given to the principal of Cooper School where the young girls were students, and the school crossing guards were also alerted to watch for the car. Patricia Brick, one of the school crossing guards, had observed an automobile matching the description of the suspect's car and gave this information to the school principal who notified the Police Department. Later Mrs. Brick again saw the car and was able to obtain the complete license number. Consequently police

officers stopped the vehicle, and the suspect was apprehended and charged with two counts of first degree sexual assault and two counts of abduction.

MARSHALL D. GRADINJAN, age 22, who while in his home during the early morning of October 19, 1978, heard noises coming from the rear of his home in the area of the garage. Mr. Gradinjan got a flashlight, shined the light into the garage and observed two males fleeing from the garage. Investigation revealed that the side door lock had been pried off and the garage entered and various items moved about. Mr. Gradinjan has a \$4500 motorcycle in the garage which the two intruders apparently wished to steal.

Mr. Gradinjan reported the breakin to the police, and after officers left, he walked through the neighborhood looking for the suspects. Not locating them, he returned to his residence and a short time later the two men returned. Mr. Gradinjan approached them and asked what they were doing. Both men, armed with pipe wrenches, turned and walked away. Mr. Gradinjan followed the suspects and suddenly one of them turned and approached him with the pipe wrench, threatening to kill him. He shouted for help at which time the suspects started running and entered a parked van and started to drive away. Mr. Gradinjan obtained the license number of the van and gave the information to investigating officers. The two men, members of the Outlaw Motorcycle Club who have been suspected of motorcycle thefts in the past, were subsequently arrested and charged with armed burglary.

SCOTT D. OLSON, age 17. Shortly after 2:00 A.M. on October 19, 1978, Mr. Olson observed a man pushing a motorcycle past his 27

AWARDS OF MERIT TO CITIZENS

residence, and he recognized the cycle as being that of a neighbor. The man pushed the motorcycle up to a van which was parked nearby, and a second man got out and helped push the cycle up a plank into the van. They then drove away. Mr. Olson then woke up his parents and informed them what had taken place and also called the neighbor who checked his garage and discovered that his motorcycle was missing. Investigation led to the arrest later that same morning of two persons who were charged with that burglary as well as the burglary of another cycle.

JEFFERY L. MEYER, 27, and **TIMOTHY J. LEWIS**, 25, who on October 22, 1978, at 9:30 P.M., observed a burglary in progress at the G.I. Liquor Store, 3201 S. 13th Street. They approached the suspect as he was leaving the store carrying items which had been taken in the burglary at which time he dropped the items and fled. Mr. Meyer and Mr. Lewis both gave chase, and after two blocks, Mr. Meyer went to summon help. Mr. Lewis continued the pursuit and succeeded in apprehending the suspect several blocks away. Subsequent questioning led to the implication of two accomplices.

JACQUELYNN WARPECHOWSKI, age 26, and **CHRISTINA KUKLA**, age 24. On October 25, 1978, two white males entered the National Savings and Loan Office at 829 W. Mitchell Street and opened individual savings accounts. Tellers Jacquelynn Warpechowski and Christina Kukla handled the openings of the accounts, both in the amount of \$10. The tellers became suspicious as the customers read the information off a card and both resided out of the area.

Five days later, the men returned to the savings and loan office and each presented a

large check for deposit into their individual accounts. Miss Warpechowski and Miss Kukla recognized the customers, again became suspicious and had the manager call the bank on which the checks were drawn. They initially were informed by the bank that there was insufficient funds to cover the checks; however, the bank called back and informed the office that they had received a \$9200 deposit in the checking account on which the checks were drawn. This made the tellers even more suspicious, and they notified their southwest office to alert them of what had transpired and were informed that that office had also been the scene of a similar transaction.

The following day, October 31, 1978, Miss Warpechowski and Miss Kukla observed a large white automobile bearing Illinois license plates drive by and noticed that the two occupants were the same men who had opened the savings accounts. They then contacted the Police Department and informed detectives of their suspicions, and the other tellers were also alerted. A short time later the two men entered the office and as previously planned, only one teller's window was open which detained the subjects long enough for police officers to arrive. Both suspects were arrested on a charge of forgery, and a third subject was later apprehended by the Greenfield Police Department. A large number of checks and savings accounts books were recovered by the police.

GARY M. WINKELMANN, age 32, and his wife **MONICA**, age 26. On October 31, 1978, at approximately 8:00 P.M., Mrs. Winkelmann answered the front doorbell, and a black man immediately forced open the door and gained entry into the foyer of the building. He then pointed a small handgun at Mrs. Winkelmann and threatened to kill her. Mrs. Winkelmann started screaming and her

husband came running from the basement to the foyer and the intruder then aimed the gun at him and ordered both of them back into the residence. He then again turned the gun towards Mrs. Winkelmann which gave Mr. Winkelmann a chance to rush the suspect and grab him by the hand holding the gun. A struggle ensued, and both Mr. Winkelmann and the suspect fell to the floor.

Meanwhile, Mrs. Winkelmann ran to the kitchen and obtained their pellet handgun and returned to the foyer where the two men were still struggling. She pointed the gun at the suspect who attempted to flee out the front door. As he did so, Mr. Winkelmann pushed him onto the concrete, jumped on his back, and obtained the gun. They then held him until the arrival of police officers. Investigation disclosed that the subject had committed a similar armed robbery at another home.

RICHARD J. DuQUAINE, age 22, who shortly after midnight on November 10, 1978, after returning home from his job as a security guard, saw two autos enter the rear parking lot of his building. One of the occupants appeared to be putting on gloves. Mr. DuQuaine called the Police Department and then returned to watch the occupants of the vehicles until officers arrived.

Police Officers responding to the call found a white male in the parked auto at the rear of the shopping center at 6100 N. Teutonia Avenue, and as they approached, he attempted to hide in the front seat and started to sound the horn. Upon reaching the rear of the building, the second officer heard an alarm sounding from the front, and two males came running from the front to the rear of the building carrying several large pill bottles taken from the National Pharmacy. The two suspects were apprehended and the property recovered.

AWARDS OF MERIT TO CITIZENS

Mr. DuQuaine then left his residence and informed officers that there was a second auto and also that there had been four or five white males in the lot. One of the suspects later implicated a fourth person who was located at his home.

MICHAEL BZDAWKA, age 20, and **ROBERT J. DOYLE**, age 28. At 10:00 P.M. on December 2, 1978, Mr. Bzdawka and Mr. Doyle observed two black males running through the alley in the 900 Block of S. 24th Street carrying stained glass windows. They gave chase and apprehended one of the men and held him until the arrival of police officers. Investigation revealed that the windows,

valued at \$1000, had been taken from an apartment building at 2405 W. National Avenue. The subject was arrested and charged with theft and received a fifteen-day sentence in the County Jail.

JAMES A. SOBCZAK, age 36, and his wife **CAROL**, age 35. During the early morning of December 3, 1978, Mrs. Sobczak noticed an auto parked on the street near her home and saw two men get out of the auto and remove an item resembling a gym bag from the trunk. They then walked past her house to the rear of the Open Pantry Food Store, 3875 S. 92nd Street, which she knew was closed. The men made several trips from the car to the store,

and Mrs. Sobczak became suspicious and informed her husband what she had observed. Mr. Sobczak then went out to the car, wiped snow off the license plate, and noted the license number. He then returned to his home and called the Police Department. Before officers arrived, the suspects left, but Mr. and Mrs. Sobczak furnished them with a description of the car and the occupants. Shortly thereafter, the auto was stopped by a City of Greenfield police officer, and the occupants were arrested for burglary. A search of the auto revealed a gym bag containing numerous burglary tools and also bank bags and other items taken in the burglary. Due to the arrest of the two suspects, four other burglaries were cleared.
