BIENNIAL REPORT

PHILIP ARREOLA
Chief of Police

MISSION STATEMENT

MILWAUKEE POLICE DEPARTMENT

The mission of the Milwaukee Police Department is to enhance the quality of life in the City of Milwaukee by working cooperatively with the public to enforce the law, preserve the peace, reduce the fear of crime, and provide for a safe environment.

To accomplish this mission, we are committed to a set of values that guide our work and decisions, and help us contribute to the quality of life in the City of Milwaukee.

We, the members of the Milwaukee Police Department, are committed to these values:

*HUMAN LIFE - We revere human life and dignity above all else.

*RESPECT - We respect the cultural and ethnic diversity of the community that we serve and protect. We strive for a sensitivity to, and an understanding of, this diversity.

*INTEGRITY - We believe that integrity is the basis for personal and public trust.

*LAWS AND CONSTITUTION - We believe in the principles embodied in the Constitution of the United States, and the Constitution of the State of Wisconsin. We recognize the authority of federal, state, and local laws.

*EXCELLENCE - We strive for personal and professional excellence, dedication to duty, and service to the public.

*ACCOUNTABILITY - We are accountable to each other and to the citizens we serve, who are the source of our authority.

*COOPERATION - We believe that cooperation among ourselves, members of the community, governmental entities, and other law enforcement agencies will enable us to combine our diverse backgrounds, skills, and styles to achieve common goals.

*OURSELVES - We are capable, caring people who perform important and satisfying work for our community.

*PROBLEM-SOLVING - We are most effective in our work when we identify and solve problems. In this way, we not only help the community we serve and protect, but we make the Milwaukee Police Department more efficient and responsive.

To: The Honorable John O. Norquist, Mayor
Members of the Common Council
Board of Fire and Police Commissioners

Mayor, Ladies and Gentlemen:

I am pleased to submit to you this biennial report of the activities of the Milwaukee Police Department for the years of 1990 and 1991. This report cites numerous accomplishments which are the result of dedicated service by the members of the Milwaukee Police Department.

As the Milwaukee Police Department enters into Policing in the Nineties, I am committed to increasing our involvement in community-oriented policing. Your continued help and support in this effort will greatly enhance its success.

I would like to express my sincere gratitude to you and to the professional men and women of the Milwaukee Police Department, since policing in Milwaukee certainly has been and will continue to be a team effort.

MILWAUKEE POLICE DEPARTMENT 1990 ACCOMPLISHMENTS

1. On September 26, 1990, the Milwaukee Police Department in conjunction with the Milwaukee Sheriff Department established a Guns hotline (278-GUNS), for the anonymous reporting of firearms violations.
2. In November 1990, the Milwaukee Police Department started using, for the first time, Video Camcorders for taping drivers suspected of driving under the influence of intoxicants.
3. This year, for the first time ever, Police Department personnel became involved in the recruiting of applicants for the position of police officer.
4. On September 30, 1990, the Police Department established a canine unit comprised of six German shepherd dogs and six handlers. The unit assists in narcotics search warrants, building searches for concealed suspects, outdoor searches, and fleeing suspects.
5. At the beginning of September 1990, the Police Department initiated a pilot bicycle patrol program utilizing four neighborhood foot patrol (NFP) officers.
6. In June of 1990, the Police Department's Computer Aided Dispatch (CAD) system went into operation.

1991 ACCOMPLISHMENTS

1. The Chief organized a Firearms Committee to facilitate a change from revolver to semi-automatic pistols. The first stage of replacement is scheduled for 1992.
2. A task force designed to "Give Us Neighborhood Safety" or G.U.N.S. was implemented on November 14, 1991. A designated area of the city was targeted for the recovery of guns.
3. In May of 1991, a robbery task force was organized. As of October 5, 1991, the task force made 67 arrests for homicide, 398 for robbery, 181 for other violent crimes, and 68 for drug related offenses.
4. A program was initiated in early summer of 1991 to promote district station cleanliness. An award was established for the district station judged to have the best appearance.
5. On October 19, 1991, the Department created a program called "Catch Auto Thieves" or "C.A.T." Citizens who elect to participate are given stickers to affix on their vehicles which authorize the police to stop their auto at designated times of the day when the owner most likely would not be driving his vehicle.

POLICE RECRUITING

In 1990, the Milwaukee Police Department, for the first time in its history became actively involved in the recruitment of potential candidates for employment. This exiting new era began with the presentation of two community recruitment meetings which resulted in nearly 300 individuals applying for the position of police officer.

In January, 1991 the Recruiting - Background Investigation Division was established in the Milwaukee Police Department. Members of the Recruiting Division made 188 formal recruiting presentations to various schools, colleges, churches, and community groups throughout the City. As a result of these recruiting presentations, police department recruiters received and processed over 1,200 formal applications for the position of police officer and police aide during 1991.

"Astor"*

On September 30, 1990, the Police Department established a canine unit comprised of six German sheperd dogs and six handlers. The unit will assist in narcotics search warrants, building searches for concealed suspects, outdoor searches, fleeing suspects, and tracking of missing persons.

1990 - 1991

CATCH AUTO THIEVES

On October 19, 1991, the Department announced the implementation of a program called "Catch Auto Thieves" or "C.A.T." Citizens who elect to participate in the program place three reflective stickers in the back and rear side windows of their vehicles and give consent to having their autos stopped anytime between the hours of 1 AM and 5 AM. The program has proven very effective in other cities in both apprehending auto thieves and recovering stolen autos quickly.

Milwaukee Police Officer Laurie Germanson, affixes a "C.A.T." decal on a citizen's vehicle.

COMPUTER AIDED DISPATCH "CAD"

In June of 1990, the Police Department's Computer Aided Dispatch (CAD) system went into operation.

VIDEO CAMCORDERS IN POLICE SQUADS CARS

Officer James Malone and Sgt. Frank Drezek demonstrate how a would be DUI / DWI violator's actions are recorded during a suspected drunk driving traffic stop.

Officer Thomas Orlando receives a plaque from M.A.D.'s Regional Director for his participation in the "EYE ON DUI / DWI" program which is sponsored by "Mothers Against Drunk Drivers" (M.A.D.) and Aetna Insurance Company. Under the program, law enforcement officers utilize video camcorders to record DUI / DWI arrests. The video recording of the arrested person's driving condition and conduct is later introduced in court as evidence and usually leads to increased guilty pleas and convictions.

MILWAUKEE POLICE BICYCLE PATROL

Members of the bicycle patrol gather at the Milwaukee Police Safety Academy to begin training in preparation for the bicycle patrol season.

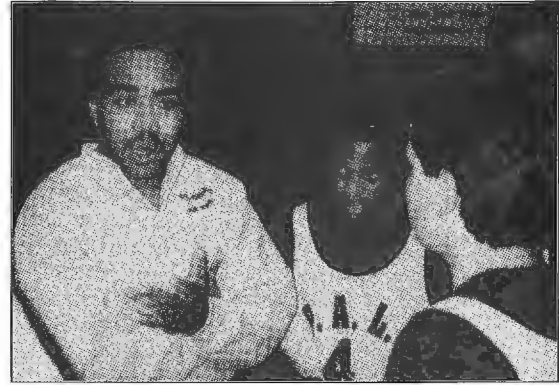

The bicycle patrol continues in operation as a pilot program; however, based on the positive reaction to the patrol, expansion appears warranted and is being planned.

POLICE ATHLETIC LEAGUE

In 1991, the department's Police Athletic League known as "PAL", continued to grow in the number of kids reached and the number of volunteer officers involved. What makes Milwaukee's PAL program so unique among the 500 cities with PAL is that our officers serve strictly on a volunteer basis.

Our volunteer officers had contact with over 1,250 kids in 1991, at over 40 sites city wide. The officers coached boys and girls under the age of fifteen in basketball, volleyball and softball. More importantly, these officers acted as true 'Role Models' for many of these young boys and girls. The kids learned that the Police Officer is their friend and someone they can count on in today's society.

Special PAL events such as the annual all-day fishing trip to Pewaukee Lake and the annual Children's Fest Day at the Summer Fest grounds are very successful. Well over 1,600 young boys and girls are now reacting to our officers in a more positive way and learning valuable lessons about reaching their individual goals in life.

Captain Howard Lindstedt gives a new fishing rod at the annual fishing trip.
