1995 ANNUAL REPORT

Milwaukee Police Department

749 West State Street
Milwaukee, Wisconsin 53233
(414) 933-4444

Philip Arreola
Chief of Police

1995 Annual Report

**"When you need police service, chances are
you will reach us first."**

This cover illustrates a sampling of police services provided to the public and the significance of our civilian members in the delivery of those services. This support staff plays an essential role in the delivery of police services to the citizens of Milwaukee. However, on many occasions their behind the scene contributions go unnoticed by the general public.

District clerks, telecommunicators, clerical personnel, maintenance workers, technicians, and mechanics are essential links in the quality of service delivery and in the performance of our police force.

The two members, on the cover, embody the fine traditions that are exhibited by the rest of this department.

Ms. Lorraine Turner, senior Telecommunicator, is an 11 year veteran and is assigned to the Communication Operations Division. Ms. Lavern C. Booker, senior district clerk, is a 22 year veteran and is assigned to District One. We salute you!

LONGTIME DEPARTMENT MEMBERS

Detective Lieutenant Andrew F. Anewenter became a police officer in June of 1942 at the age of 26. His 53 years of service with the Milwaukee Police Department and his 79 years of age, makes him the longest serving and possibly the oldest law enforcement officer in this state or the nation.

Andrew Anewenter began his career as a uniform patrol officer. He served for 19 years as the Milwaukee Police Department's liaison to the Mayor's Office and has been a supervisor in the Criminal Investigation Bureau for the last 43 years.

Lieutenant Anewenter stated, "With all the new faces and the action, I'll stay another ten years. Then I'll consider retirement".

Ms. Nancy Fardy, Safety Specialist Senior, began her career more than 39 years ago with the Milwaukee Police Department. She began her career as a Clerk Typist II and worked her way up through various administrative locations to her final assignment with the Milwaukee Police Safety Division.

Her final comments were, "My career included working under the leadership of five police chiefs, watching the transition from manual typewriters to computers, and from telephones to fax machines. I am proud of my career with the Milwaukee Police Department and feel very fortunate to have worked with many outstanding police and civilian members."

Mr. Norbert Wodke, Printing and Stores Supervisor, began his career with the Milwaukee Police Department more than 42 years ago. During his career he has brought about constant change, allowing the department to keep up with modern day printing technology. Mr. Wodke was responsible for the current computer desktop publishing system and a high quality two color printing press located in the police Print Shop.

"I would like to express my sincere appreciation to all of the people who helped make my job so enjoyable."

Mr. Michael L. Baginski, Clerk IV, has been with the Milwaukee Police Department for nearly 25 years. In 1971, he was appointed under a Federal program as a temporary clerical worker. His first assignment was to the Bureau of Identification/Photo Lab where he assisted in developing and printing crime scene and prisoner photographs. In 1973, he was appointed to the Detective Clerical Bureau (now Central Records Division).

"While the job can be stressful at times with many competing demands, I must say I have always enjoyed the work. I am proud of what the Word Processing Unit has accomplished."

Police Department

Philip Arreola
Chief of Police

TO: The Honorable Mayor John O. Norquist
Members of the Common Council
Board of the Fire and Police Commissioners
Citizens of Milwaukee

Once again, it is my sincere pleasure to present to you the Milwaukee Police Department's Annual Report. This issue highlights many of our 1995 accomplishments and recognizes those Department members without police powers for the significant contributions they make on a daily basis to the Milwaukee Police Department. As you are aware, our support staff plays an essential role in the delivery of police service to the citizens of this community. However, frequently their behind the scene contributions go unnoticed by the general public.

The members of the Milwaukee Police Department, working cooperatively with our citizens and elected officials have met many difficult challenges during the past year. We also implemented many innovative programs and organizational changes in an effort to increase the efficiency and effectiveness of the Department.

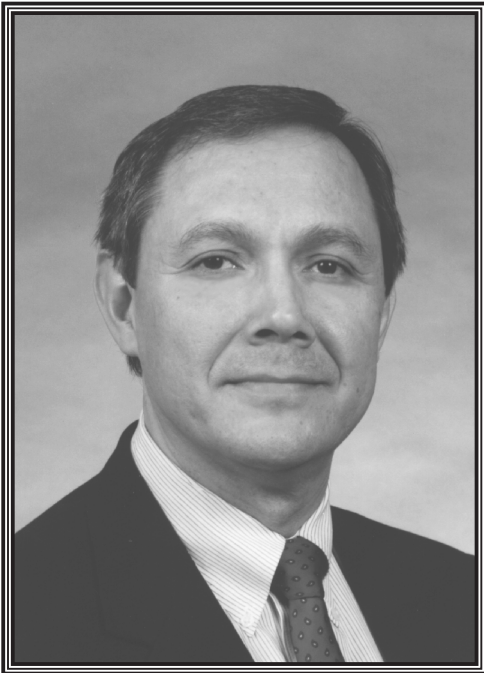

With each successful resolution of a problem, new energy and dedication is generated within our Department and community. We truly enjoy a cooperative partnership with the community we serve.

The future holds many new and different challenges. I am sure we will meet those challenges with this same unified approach.

On behalf of the members of the Milwaukee Police Department, I extend my personal appreciation for the support and cooperation you have provided the Department. Together, we are making a difference in Milwaukee.

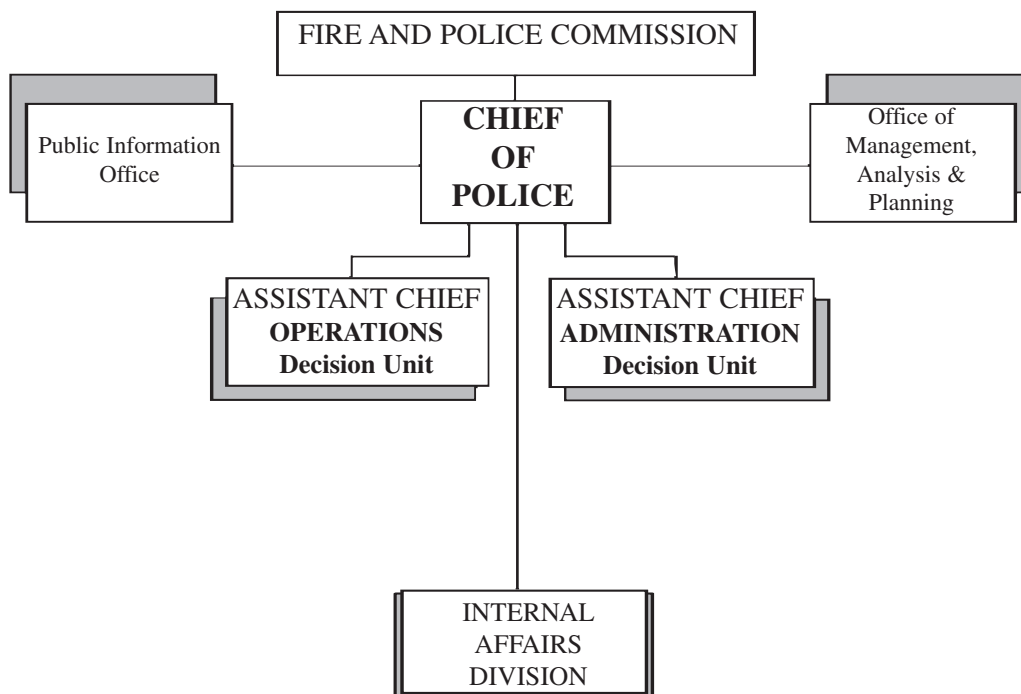

OFFICE OF THE CHIEF

Philip Arreola
Chief of Police

This year's Uniform Crime Data reports that the city of Milwaukee has experienced a reduction in most categories of major crime when compared to 1994 figures. This latest accomplishment is directly attributable to the individual and collective efforts of each and every member of the Milwaukee Police Department. I would like to take this opportunity to express my heartfelt gratitude to every member of the Department for their outstanding efforts during 1995.

I also want to encourage all field personnel to continue to make traffic stops and field interviews. We all know that these types of stops result in many outstanding arrests, including those for illegal possession of firearms and controlled substances. The enforcement of traffic statutes, particularly those relating to license plate violations, have led to excellent crime clearances. I encourage you to continue this exceptional performance.

ASSISTANT CHIEF OF OPERATIONS

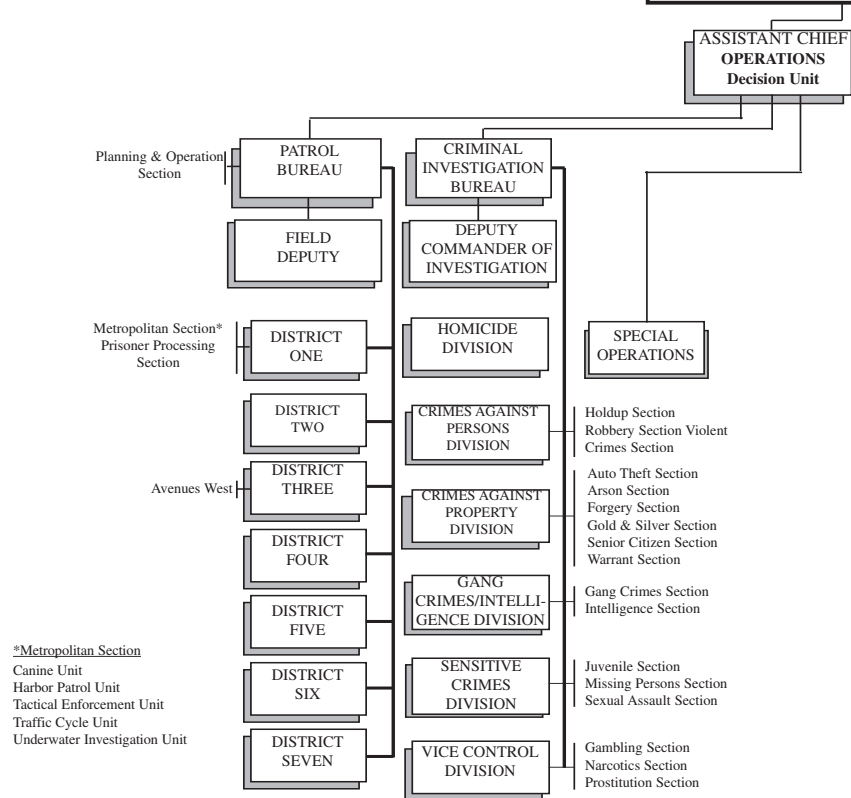

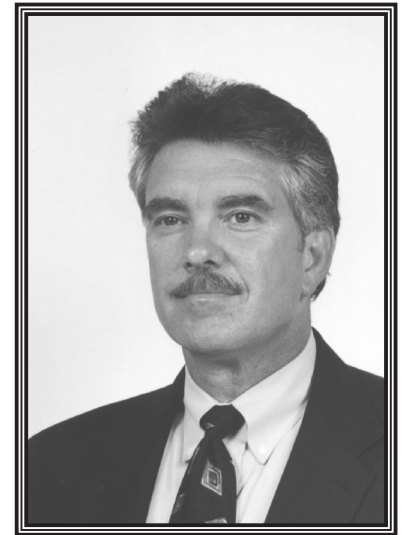

Assistant Chief James W. Koleas has commanded the Operations Decisions Unit of the Milwaukee Police Department since August 30, 1992. The uniformed patrol force is the largest and most visible component of any municipal police agency. Patrol is responsible for the most crucial elements of municipal policing: response to calls for police service, preventive patrol, and traffic control. Patrol officers are generally first at any incident scene. For the majority of citizens, the uniformed patrol officer is the Milwaukee Police Department.

A considerable proportion of patrol assignments involve social service skills rather than traditional crime fighting skills. Within a single tour of duty, the average city of Milwaukee Police Officer confronts a bewildering array of incidents ranging from animal complaints, parking troubles, medical emergencies, armed robberies, incidents of domestic violence to homicides.

The Criminal Investigation Bureau is the specialized investigative arm of the Milwaukee Police Department. When a call for service results in the arrest of a suspect for a major crime, special criminal investigators will focus on completing the necessary case work and reports, filing complaints, recover stolen property, determine if the suspect is responsible for any other unsolved crimes and provide court testimony. When patrol officers are not able to make an arrest, detectives must conduct follow-up investigations to identify and apprehend a potential suspect.

A criminal investigator analyzes all reports and information provided by patrol officers and crime scene specialists, utilizing knowledge and experience gained from the investigation of similar crimes. He or she is trained to employ the latest criminalistic techniques, crime laboratory capabilities, and interview and interrogation skills. To be successful, a detective must develop many sources of information and form close working relations with uniformed patrol officers. These partnerships lead to a continuing exchange of information and criminal intelligence.

James W. Koleas
Assistant Chief
Operations Decisions
Unit

The Criminal Investigation Bureau is comprised of the following investigative components:
(There are also specialized units within these components)

Homicide Division
Crimes Against Persons Division
Crimes Against Property Division

Sensitive Crimes Division
Vice Control Division
Gang Crimes/Intelligence Division

PATROL BUREAU

PLANNING AND OPERATIONS SECTION

This section provides direct staff support to the Uniform Patrol Bureau. It evaluates manpower allocation of the Uniform Patrol Bureau several times a year, and makes recommendations for needed adjustments based on current trends. Personnel assigned to this unit coordinated the logistics and necessary manpower for the successful completion of the following:

- 150 SPECIAL EVENTS - utilizing 4,235 Police Personnel, 470 Auxiliaries and expending 25,671 work hours.
- 1,067 DAILY EVENTS - utilizing 3,657 Police Personnel and expending 7,590 work hours.
- 813 ACTIVITIES REQUIRING A PERMIT - were referred to the respective District Commanders for coverage as deemed appropriate.

William E. Gielow
Inspector
Patrol Bureau Commander

The following is a synopsis of the activities of the Uniform Patrol Bureau:

DISTRICTS STATIONS — ONE through SEVEN

The seven Districts took a pro-active approach to providing police services to the community. Their activities included the following:

- 2,033 Meetings & Presentations
- 301 Business or Home Surveys
- 39 Directed Patrol Missions

CRIME PREVENTION PROGRAMS - including:

- District Crime Prevention Newsletters
- Crime Alert Flyers
- National Night Out
- Anti-Graffiti Programs - Paint Out
- District Station Tours
- Crime Prevention Fairs
- Bike Safety Rodeos
- Expanded Block Watch Programs
- Voice Mail Information Line
- Park Watch & Business Watch Programs

DISTRICT INITIATED ACTIVITIES - including:

- Community Youth Intervention Program
- River Watch Program

HARBOR PATROL

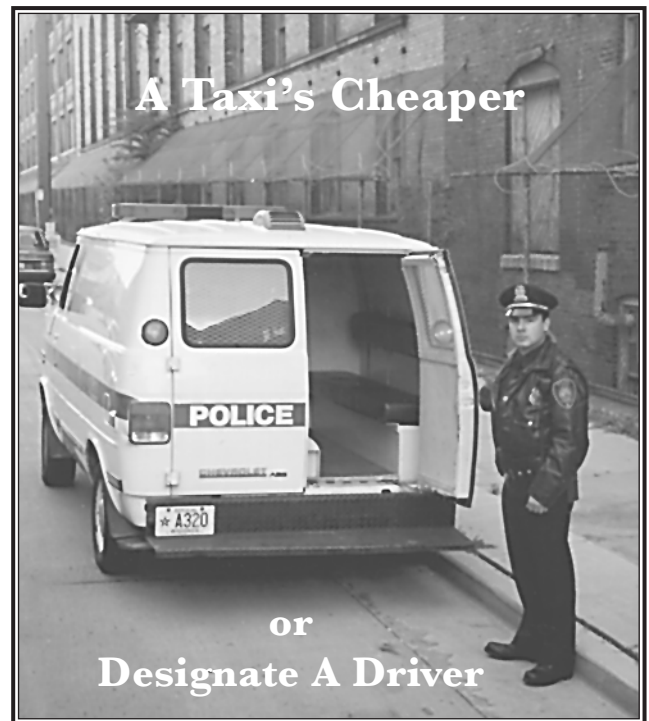

- 113 Search & Rescue Missions
- 368 Marine Violation Citations Issued

TRAFFIC SECTION

Participated in two Traffic Grants

CARE HIGHWAY SAFETY - with a focus on Capitol Drive from 3 PM - 6 PM and 11 PM - 3 AM, Memorial Day to Labor Day, resulted in 1,016 Citations and 429 Traffic Warning Cards

TRAFFIC MITIGATION - had an emphasis to aid and assist motorists using congested city of Milwaukee Streets (including Wisconsin Avenue, Bluemound Road and National Avenue) due to construction on I-94 between Hawley Road and 35th Street. This deployment conducted traffic control on 39 occasions, investigated 28 traffic accidents, and issued 812 written contacts.

PATROL BUREAU

TACTICAL ENFORCEMENT UNIT-

Executed 44 search warrants resulting in 48 arrests and 64 weapons seized.
Resolved 28 tactical situations resulting in 37 arrests and 41 weapons seized.

CANINE UNIT - Performed the following activity:

- 1,320 responses to alarms/entries in progress
- 1,237 responses to calls for backup
- 843 arrests (involved in)
- 338 tactical containment assignments
- 310 buildings searched
- 36 area/field searches
- 19 presentations

UNDERWATER INVESTIGATIVE UNIT-

Conducted 125 individual dives as part of 28 diving operations and included two ice dives. The unit was called upon by the Criminal Investigation Bureau to assist in seven homicide investigations, and assisted the Harbor Master on three occasions. The unit recovered one safe, one gun, one stolen auto, one body, and removed an underwater obstruction which included eight pieces of sheet steel 8' x 40'.

PERSONNEL FROM THE SEVEN DISTRICTS WERE ACTIVELY INVOLVED IN TWO DEPARTMENT-WIDE DIRECTED PATROL MISSIONS

SUMMER INITIATIVES focused on reducing drug-related, gang-related, and gun-related crime by targeting street level drug activity with rapid response and saturation foot patrol in specific neighborhood problem areas from June 12 through August 27, 1995. This mission included four Phases:

Phase I - reassignment of certain specialty unit personnel to address violent gang, gun, or drug-related criminal activity as rapid responders.

Phase II - established a mobile task force to conduct saturation patrols of designated areas.

Phase III - citywide emphasis by all personnel on the enforcement of alcohol-related law violations, curfew violations, auto license law violations, and field interviews.

Phase IV - programs which promoted safe driving, targeted accident prevention, or were designed to inhibit the access of alcohol to underage persons.

Personnel assigned to this mission accounted for the following activity:

- 1,585 Persons Arrested
- 303 Weapons Confiscated
- 7,347 Field Interviews
- 2,300 Traffic Citations Issued
- 1,182 Traffic Warning Cards Issued
- 894 Parking Citations Issued

HOLIDAY PRESENCE- 1995 involved a Departmentwide deployment of police personnel to ensure a safe and festive holiday season in the city of Milwaukee. It was accomplished through enhanced presence and pro-active patrol at shopping areas and public gathering places.

Personnel assigned to the HOLIDAY PRESENCE Directed Patrol Mission accounted for the following activity:

- 1,783 Assignments
- 1,555 Parking Citations
- 572 City Arrests
- 387 State Arrests

THE UNIFORM PATROL BUREAU ACCOUNTED FOR THE FOLLOWING ACTIVITY:

TRAFFIC-

79,008	Moving Traffic Violations	6,615	Personal Injury Accidents
713,854	Parking Violations	43	Traffic Accident Fatalities
16,783	Property Damage Accidents		

STATE ARRESTS-

67,609 Adult
21,213 Juvenile

MUNICIPAL ARRESTS-

33,069 Non-Traffic Citations

CRIMINAL INVESTIGATION BUREAU

HOMICIDE DIVISION

Vincent M. Partipilo
Inspector
Criminal Investigation
Bureau Commander

1. The Homicide Division was charged with the investigation of 142 homicides during 1995. The UCR (Uniform Crime Report) clearance rate was 82.6 percent or slightly lower than the 87 percent achieved in 1994. This remains above the national average which has ranged from 60-65 percent.

2. During 1995 the Homicide Division solved nine homicides which occurred in the city of Milwaukee during previous years.

3. On March 5, 1995, the Homicide of Glendale Police Officer Ronald Hedbany (city bordering Milwaukee) was resolved with the arrest of a suspect in the city of Milwaukee. The suspect was subsequently charged with and ultimately convicted on First Degree Intentional Homicide and other felony charges and is currently serving a life imprisonment sentence. Police Officer Hedbany's homicide investigation was an intensive investigation involving significant investigative resources. It was an example of the cooperative effort between law enforcement agencies (Milwaukee and Glendale, the A.T.F. and the F.B.I.) and culminated in the successful conclusion of this investigation.

4. The Homicide Division continued its work with Career Youth Development and its Homicide Survivors Group. Members of the Homicide Division have continued to meet with the family members and friends of homicide victims in order to apprise them as to investigative procedure, as well as other matters to ensure a better understanding of the Criminal Justice Process.

5. During 1995, the Homicide Division researched and assessed the continuing responsibility of investigation of unresolved homicide offenses occurring in Milwaukee in previous years. There is no statute of limitations placed upon this offense necessitating an investigative responsibility by law enforcement for an indefinite period of time. Based upon this fact and based upon the equally important priority of investigating recent homicide offenses, four Detectives have been assigned exclusively to unresolved cases. This case management concept will be monitored on an ongoing basis and assessed periodically to measure the effectiveness of this approach.

6. The Homicide Division also bears continuing investigative responsibility for all officer involved shooting incidents occurring in Milwaukee. A computer data base has been established by the Homicide Unit to assist in this investigative responsibility and to provide a base of information which might become useful in future investigations as well as for research purposes.

CRIMES AGAINST PERSONS DIVISION

The division continued its relationship with our community by providing its services in response to the city's needs. Their response helps citizens feel safer and enhances voluntary compliance with the laws of our society. This division had a 75 percent clearance rate for bank robberies and a 5 percent overall drop in reported Robbery complaints. The officers in this division provide training and input at Victim/Teller Conferences, Bank Robbery Prevention Seminars, Robbery Investigation Techniques, Crime Scene Investigation, Basic Investigation Techniques, interviews and diversity issues.

CRIMES AGAINST PROPERTY DIVISION

In 1995 this division made every effort to reduce crime by ensuring an efficient and more effective method of investigating property crimes. Their efforts paid off with a reduction in most categories of property crimes.

WARRANT SQUAD:

This squad served 192 felony warrants, 2,322 municipal writs, and 416 warrants from outside jurisdictions.

ARSON SQUAD:

This squad made 95 adult arrests for arson and referred 150 juveniles to the Milwaukee Fire Department's Firestarters Program. The 1995 figure shows a 16.5 percent reduction of arson fires.

GANG CRIMES INTELLIGENCE DIVISION ACTIVITY FOR 1995

Members of the Gang Crimes/Intelligence Division exceeded all expectations and goals set by the Gang Crimes Intelligence Division management staff in 1995. Members assigned to the Division exhibited a high degree of team work and professionalism that resulted in numerous arrests, clearances and convictions of suspected gang members throughout the Milwaukee metropolitan community. The following is a summary of activity generated by members of the Gang Crimes/Intelligence Division in 1995.

1995 G.C.I.D. ACTIVITY

Homicide/Attempt Homicide	73
Robbery	127
Violent Crimes	205
Drug Related	1,340
Carrying Concealed Weapon	208
State Warrants/Arrests	1,915
City Warrants/Arrests	840
Curfew	34
<u>Drug Related Loitering</u>	<u>230</u>
Total Arrests	4,972
Gang Related Field Interviews	7,118
Persons Arrested	2,351
Weapons Recovered	951

Heroin	\$2,286.00
Methamphetamine	\$42,242.00
LSD	\$2,800.00
<u>U.S. Currency</u>	<u>\$207,306.00</u>
TOTAL	\$1,171,520.00

YOUTH HANDGUN VIOLENCE INITIATIVE

In November, 1995 the Milwaukee Police Department received a grant from the U.S. Department of Justice C.O.P. Services to fight the growing problem of youth handgun violence. Part of this grant funded eight new positions in the G.C.I.D. and were assigned on December 3, 1995. They are concentrating their efforts on the illegal possession of firearms and related violent crimes. With the increase of personnel assigned to the G.C.I.D., it is anticipated that an even larger number of arrests of gang members and a greater amount of clearances will result.

SENSITIVE CRIMES DIVISION

SEXUAL ASSAULT UNIT-Investigated 1,765 reports of sexual assaults and cleared 1,638 for a 93 percent clearance rate. The unit is credited with the apprehension of six serial rapists. This unit also collaborated with representatives of the state legislature, the Wisconsin Department of Corrections, the Milwaukee County District Attorney's Office, and community groups to implement legislation to block the release of sex offenders from prison that are deemed "sexual predators".

MISSING PERSONS' UNIT-assumes case management responsibility of all missing persons in the city of Milwaukee. The unit processed 6,689 missing person reports and cleared 6,425 reports for a 96 percent clearance rate.

JUVENILE UNIT-assumes case management responsibility of all child abuse/child neglect and parental interference with custody cases, which totaled to 1,505.

TRUANCY AND BURGLARY SUPPRESSION- (TABS) Officers assigned to this unit temporarily detained 6,193 students on city streets. Of those stopped, 3,241 were taken to TABS Centers, 608 were conveyed to a parent or school, and 2,344 had legitimate reasons for not attending school.

Crime rates for the 1994-1995 school year declined 18 percent during the TABS hours.

CURFEW AND BURGLARY SUPPRESSION PROGRAM (CABS)- Officers assigned to this unit issued 2,172 citations for curfew and Parent Responsibility Violations.

VICE CONTROL DIVISION

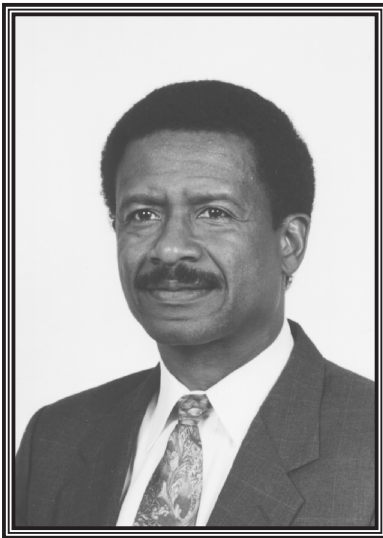

The Vice Control Division of the Criminal Investigation Bureau is charged with enforcement of narcotics, prostitution and gambling laws in the city of Milwaukee. Other components of this division, Drug Interdiction Unit and Drug Abatement Unit, have added to the successes and accomplishments in 1995.

In addition to seizures in our city, the Drug Interdiction Unit developed information which led to the seizure of narcotics by other agencies throughout the nation. The street value of these narcotics are estimated in the millions of dollars.

Since the creation of the Drug Abatement Unit in July of 1990, the unit has investigated 6,215 reported drug houses to date. Many of the drug house complaints are made through citizen liaisons who work for local community groups. These liaisons worked in the community to train citizens and other citizen groups on how to identify and report suspected drug houses.

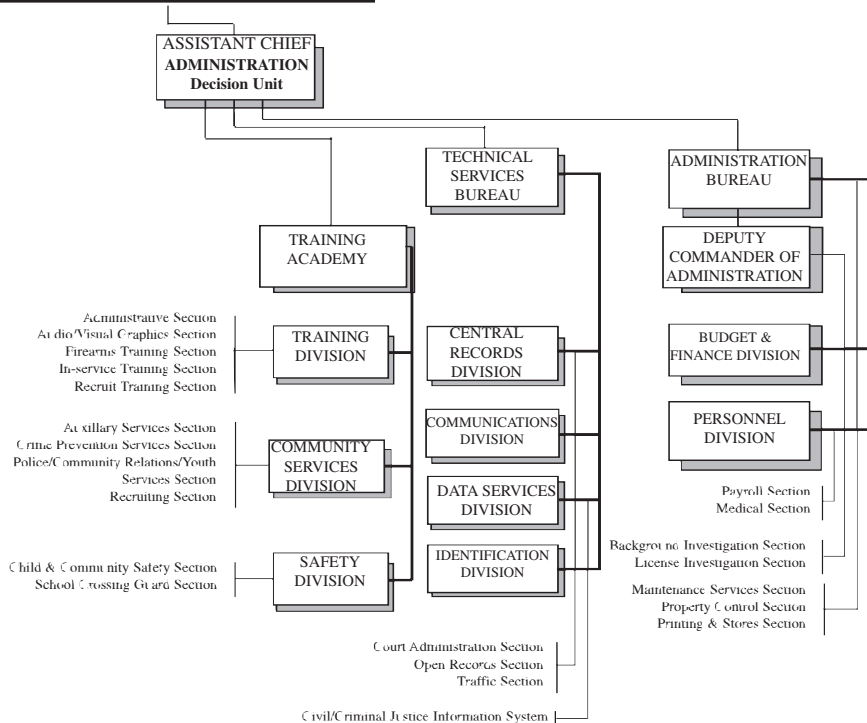

ASSISTANT CHIEF OF ADMINISTRATION

Alfonso J. Graham
Assistant Chief
Administration Decision Unit

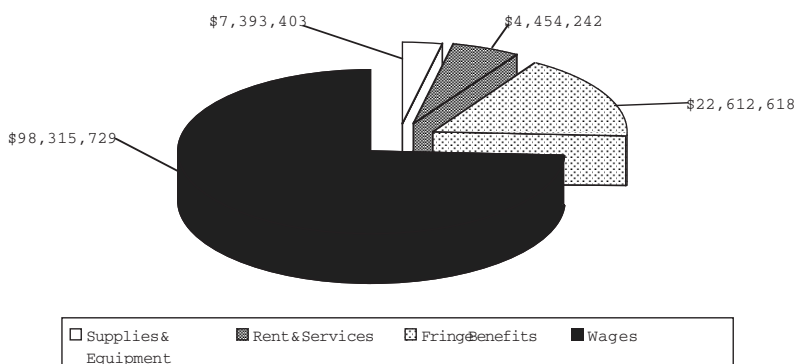

Dean J. Collins
Inspector
Personnel & Administration
Bureau Commander

Milwaukee Police Department
1995 Budget

\$132,775,992

Assistant Chief Alfonso J. Graham has commanded the Administration/Services Decision Unit of the Milwaukee Police Department since January 1992. Under his command are the Technical Service Bureau, the Personnel/Administration Bureau, and the Training Bureau.

The Administration Bureau is responsible for the preparation and administration of the Department's budget; the purchase of all goods and services; the maintenance of its personnel records; the preparation and administration of its payroll; the inventory, storage, and disbursement of all property (including money) coming into the Department's custody; the acquisition, maintenance and assignment of its vehicle fleet; and the investigation of all applicants seeking employment with the Department or applying for certain city licenses. This bureau also oversees the Department's cash management system, including the collecting of fines, certain license fees, and parking permit fees.

The Inspector of Police who directs the functions of the Administration Bureau is responsible for the general oversight of the divisions, sections, and units within it. The Bureau is comprised of the Budget and Finance Division, Personnel Division, Property Control Section, Printing and Stores Section, Maintenance Services Section, Background Investigation Division, and the License Investigation Unit.

TRAINING BUREAU

IN-SERVICE/SPECIALIZED TRAINING SECTION

The in-service staff instructed and facilitated two, 16-hour in-service sessions for all sworn personnel. Curriculums are developed and selected based on feedback from Department and community based organizations and citizens. Topics included:

Ethics in Law Enforcement
Domestic Violence Update
Room Clearing Principles
Flashlight Techniques
Cross Cultural Communications
Emergency Vehicle Operations
Defense Arrest Tactics

Verbal Judo-Verbalization Skills
Drug Update
Crowd Control
Handling Vicious Dogs
Police Officer Support Team
Report Writing
Child Abuse (for Detectives)

In addition, the in-service staff coordinated specialized training assisted by ad hoc Department and outside instructors in following areas:

Standard Field Sobriety Testing
Crisis Negotiations
Suicide Intervention
FBI Instructor Development
New Detective
New Crossing Guard
Major Vehicle Accident Investigator

Intoxilyzer
Laser & Radar Operation
Law Enforcement Photography
Drug Testing Policy
Auxiliary Police
Polaroid Camera

Also, to be constantly mindful of the impact of natural and man made disasters, the in-service staff coordinated an Emergency Preparedness Exercise involving the Wisconsin National Guard and other local agencies. A Departmentwide call-up drill was conducted to ensure that police personnel off-duty could be reached and directed to report for duty.

The in-service staff had been nominated for the 1996 Innovations Award sponsored by John F. Kennedy School of Government at Harvard University for their Adult Learning In-Service Training Program initiated in 1995.

RECRUIT SECTION

The recruit staff provided training for four overlapping recruit classes. Averaging 60 recruits per class, there were about 240 recruits trained in 1995. In their endless effort to continuously improve the 22-week recruit training program, Sergeant Jeanette Wilke-Ziarnik attended a week long adult learning seminar. Upon her return she quickly made environmental changes to the classroom having a positive impact on recruit training. The recruit staff coordinated with Police Officer Kenneth Felsecker, the Police Officer Support Team Coordinator to improve stress management training for recruits. An addition to the program included instruction on police stress by Psychiatric Nurse Jill Markley. Nurse Markley interned with the San Diego Police Department, Psychology Division, and is married to a suburban police officer.

FIREARMS SECTION

Approximately 164 recruit officers participated in a 59.5 hour course on recruit level firearms instruction.

The on-duty, in-service firearms program provides training for approximately 1,500 police officers. Each officer participates in a two-hour training session, five times throughout the year.

Fifteen limited duty police officers participated in a 40-hour transition training program (from a Ruger revolver to a Glock semi-automatic).

Twelve Tactical Enforcement Officers participated in a 16-hour transition training program (Glock semi-automatic to Sig-Sauer semi-automatic).

Sixteen Vice Control Entry Team Officers participated in each of the 4-hour firearms training sessions. Six total sessions were conducted in 1995.

The firearms training staff provided support to the 1995 International Association of Women Police held in Milwaukee, Wisconsin. Firearms instructor, Police Officer Mary Ann Modrak, developed and conducted a competitive shoot as part of the convention activities.

TRAINING BUREAU

The range assisted in presenting four, 4-hour sessions during the week-long event. Seventy-two officers from throughout the world participated, a dramatic increase over previous conventions. In addition, Sergeant Daniel Hundt, Range Master, gave two, 2-hour presentations regarding training on the use of the sidearm for police self-defense.

There were no reported accidental discharges of the shotgun during 1995 compared with approximately 20 incidents during the previous 11 years. More importantly, in 1995 the Milwaukee Police Department had a significant decrease in all discharges of firearms compared to the previous 12 years.

AUDIOVISUAL/GRAPHIC SECTION

The Audiovisual staff produced 19 Police Department roll call presentations, 12 state roll call presentations, and 27 recruit and in-service presentations. Also, they edited and conducted off-air and satellite taping of 50 productions. It should be noted that the state roll call productions are paid for by the Attorney Generals Office, Training and Standards Bureau. The roll call productions are used by various law enforcement agencies throughout the state.

The Graphics Section serviced 161 requests such as: posters, slide presentations, calligraphy writings, photo shoots, and in-house processing of film, prints and slides. In addition, drawings, characterizations, graphs, charts, and other freehand artwork were produced for departmental printed material.

COMMUNITY SERVICES DIVISION

POLICE ATHLETIC LEAGUE

PAL served over 4000 boys and girls who participated in basketball, volleyball, baseball, softball, fishing, musical shows, field trips, exercise classes, modeling, and Civil Air Patrol programs. Recruiting efforts have increased the coach-mentor compliment to 75 police officers and 25 civilian volunteers for these young people. PAL also recruited at least 50 youth mentors to the program. Private donations, in the amount of \$50,000, were received from corporations, businesses and individuals for this program.

In addition to the PAL office at the Training Bureau, an additional PAL community office was established at 1952 N. 36th Street. This Lisbon Avenue Neighborhood Development Complex will enable PAL to better serve the neighborhood community. Police Officer James Miller, PAL Director, said he has received many positive comments from parents. The parents related that children involved in the program showed improvement in school performance and home behavior. PAL received a 1995 award from the Lisbon Avenue Neighborhood Development Complex for its work in the community. Police Officer Miller was honored in 1995 by Mayor John O. Norquist for all his efforts.

DRUG ABUSE RESISTANCE EDUCATION (DARE)

The DARE Program reached approximately 5,000 fifth grade students in 84 schools which makeup 196 classes annually. These students completed a 17 week course of instruction which provided them with the skills necessary to say no to peer pressure and drugs. The ten police officers assigned to this task also teach Drug Abuse Resistance techniques to K-4 students at these schools. The officers have indicated they are recognized by parents and past students as police officers providing not only training, but a caring attitude towards the community. This recognition has helped to enhance the image of the uniformed police officer. Two police officers were provided to the Junior High School DARE curriculum to teach the Junior High School DARE program to 24 classes of 7th Graders.

GANG RESISTANCE EDUCATION AND TRAINING (GREAT)

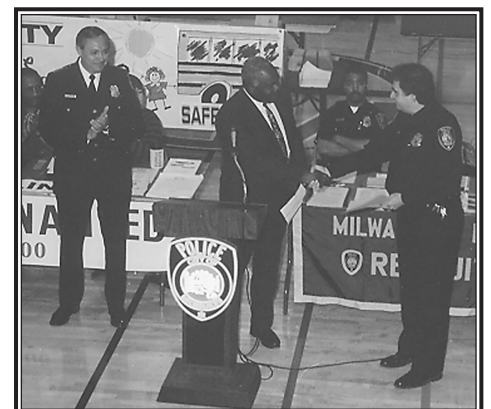

The GREAT Program was provided to approximately 2,880 seventh grade students in middle schools which makeup ninety six classes. This eight week program consisted of lessons on crime victims and their rights, cultural sensitivity and prejudice, conflict resolution, drugs and their impact on the neighborhoods, responsibilities and goal setting strategies. There were approximately 320 students who participated in the eight week summer school program. The summer school program provided hands-on participation in community service projects. These projects included graffiti paintouts, neighborhood cleanup, environmental field trips and court watch. The rewards included attending a Brewer baseball game and a trip to the Wisconsin Dells. This year the Bureau of Alcohol Tobacco and Firearms provided a \$400,000 grant to subsidize all program costs. This is the first year of a 5-year cooperative agreement with ATF.

TEDDY-BEAR WE CARE

The Teddy-Bear We Care Program provides teddy bears to children and young adults who are abused, neglected, victims of sexual assault, accident victims or any lost child. In 1995 the Milwaukee Police Department distributed 2,585 teddy bears. The goal of the program is to encourage a trust between the officer and the victim. The victim in turn will confide in the officer and provide pertinent information relative to the circumstances surrounding the incident. Several organizations including MADD and the Zoological Society have provided funds or bears for this program.

JOBS FOR YOUTH PROGRAM

The Community Services Division sponsors and coordinates a job market for young people by collaborating with businesses in the community. In 1995, 670 young people were hired from 1,035 applicants who were interviewed by 14 companies. The companies were on hand to accept applications for full and part-time employment for anyone 16 years of age or older. Seminars and workshops were conducted throughout the day on developing employment skills, filling out applications and other employment related issues. Police Officer James Storney was recognized for his accomplishments in this program by Mayor John O. Norquist.

LETTERS TO THE CHIEF

Dear Chief Arreola:

As a civilian employee of the Milwaukee Police Department, I wish to thank the unknown officer who assisted me during the snow storm on November 27, 1995. I was southbound on North 7th between Wells Street and Wisconsin Avenue at approximately 5:00 p.m. and became stuck in the middle of the road. An officer who was walking in the road offered his assistance. The officer was able to push by vehicle around so that I could proceed northbound in my attempt to get home.

I did not know this officer nor do I think he knew me, but I wish to extend my heartfelt thanks to this officer. The only thing I know about this officer is that he mentioned he was on his way home and he was walking toward the bus stop.

Please publish this in our Department newsletter as the officer's name plate was frosted over with ice and snow and I have no idea how to thank him. I would like to thank this officer and let him know that I really appreciated his help and this deed speaks highly of the professionalism which exists within the Milwaukee Police Department.

Sincerely,
Polly Steinke
Police Payroll Supervisor

Dear Chief Arreola:

Just a short note to commend you and the department for your fine police work on the case involving the serial rapist who recently terrorized the west side of Milwaukee.

It's quite a relief to me and my constituents to have this offender off the streets. I certainly rest easier knowing what a diligent Police Department we have in Milwaukee. Keep up the good work.

Sincerely,
Brian Burke
State Senator

Dear Chief Arreola:

On behalf of the City of Omaha, the Omaha Police Department, and the Wilson family, I would like to thank the Milwaukee Police Department for the sympathy that you expressed concerning the death of Officer James B. Wilson.

This has been a time of grief and deep sorrow for all members of our department as well as for the majority of Omaha's citizens. However, what has enabled us to continue on each day, in a truly professional manner, is the support that we have received from organizations such as yours.

Sincerely,
James N. Skinner
Chief of Police

Hi Chief Arreola:

Just a quick note to say thanks for the involvement of the Milwaukee Police Department in Condella's Coats for Kids. All of you do so much for the community in your daily work. This effort is much appreciated.

Thanks again, Chief!

Vince Condella
TV6 Weather

Dear Detective DeValkenaere:

I'm writing to you because I was a juror on your case this week. I was removed as an alternate juror at the end of the case, so I didn't deliberate on the verdict. Instead, I went home and held my breath. I imagine that was the tiniest sample of how your life has been for the past few weeks. You have my sympathy--and now my congratulations.

As I listened to each witness this week, I worked very hard to keep an "open mind", to listen for contradictions, to look for signs of nervousness, etc. One of your fellow officers after another came through loud and clear with the same message, "This is how it is supposed to be done, and this is how we did it." They strike me as a good group of people to work with, and to rely on in what are (for me) unimaginable situations.

I've never known a police officer or a detective on a personal level. As I told the judge in the voir dire, I had no real opinion about the police one way or the other. This experience has changed me: I am unbelievably impressed by the work you and your team members are willing to do for the community. Thank you. I could never do it, and I'm too selfish to want a loved one to do it, either. Without people like you, the community would disintegrate entirely. Needless to say, the media isn't picking up on this too well.

I hope you and your wife are now able to return to some semblance of a normal life. I also understand that you have a two month old daughter. She should grow up to be very proud of her father.

Thanks, again -
Kathleen Kavanagh

SAFETY DIVISION

School crossing guards are part of the city of Milwaukee's overall child protection program. Since this program was inaugurated in 1950, countless dedicated individuals have helped provide this essential service for the school children of our city. On occasion, school crossing guards have performed acts of bravery and administered services above and beyond the call of duty. Their efforts in teaching safe pedestrian practices to the children have been reflected in the lowering of traffic death rates for school age youngsters.

School crossing guards are assigned to specific locations after studies are conducted which show a need for protection. The duty of the school crossing guard is to assist elementary school children in crossing streets safely at their location. Crossing guards have the authority to direct traffic while children are crossing the street to and from school. Crossing guard duties include preparing requested reports and performing related duties as required.

Substitute school crossing guards are assigned to replace regular guards at any location within their assigned police district within one hour's notice of an absence. In addition to having the same duties as regular crossing guards, substitutes may also be assigned to train other crossing guards. Parking checkers are also trained by the Safety Division to be able to substitute for school crossing guards.

The Safety Division works with the Milwaukee Safety Commission on a myriad of programs affecting school safety. The city of Milwaukee has a strong belief in teaching pedestrian safety habits at an early age to develop lifelong habits. The Safety Division uses every possible method to teach pedestrian safety, including video's, teacher guides, parent materials, children's posters, and pamphlets.

The Safety Division's Director functions as the Highway Safety Coordinator for the city of Milwaukee. In 1995, the director obtained grants for traffic enforcement, pedestrian/bicycle, underage drinking prevention, and freeway traffic mitigation. Grant funding received in 1995 totalled \$123,743.00.

TECHNICAL SERVICES BUREAU

CENTRAL RECORDS DIVISION

The following are the tasks performed by various units in the Central Records Division in 1995. These figures do not reflect the enormous volume of their other duties, which were not readily quantified.

INCIDENT/TELEPHONE REPORTING UNIT

90,300	Offense Reports
39,600	Offense Reports clearances
1,200	Offense Reports unfounded/baseless
1,000	Field Interviews

DETECTIVE BUREAU CALL-IN UNIT

36,646	Reports (Incident reports, fire/arson reports, suicide/sick & injured, etc.)
--------	--

STOLEN/TOWED

11,761	Incident reports (recovery information, enter/cancel NCIC/CIB, DOT verification, etc.)
--------	--

VEHICLE UNIT

43,015	Towed/placarded vehicles
--------	--------------------------

WARRANT SQUAD

644	Felony warrant preparations
1,200	Warrant worksheets (extraditions, research for warrants, etc.)

MICROFILM

141	Boxes (city retention files converted to microfilm)
6,174	Misc. reports

GENERAL OFFICE

6,718	Medical alerts
5,036	Fire/arson files
4,962	Attempt suicide/sick & injured reports
1,117	Sudden death/suicide reports
6,387	Missing person reports
375	Crime lab transmittals
393	Suspect alert files
471	We-tips
234	Juvenile waivers
5,000	Probation/parole releases

STOLEN PROPERTY/FIREARMS DESK

317	Firearms entered into NCIC
3,783	Articles entered into NCIC
3,748	Firearm reports indexed, queried, and filed

Frank J. Sepic
Inspector
Technical Services Bureau
Commander

COMMUNICATIONS DIVISION

The mission of the Communications Division is to receive, process, and dispatch all requests for police service in an efficient, and effective manner.

The Department has 1346 telephones and 300 trunks for incoming and outgoing calls. The maintenance of all 911 and telephone equipment located at the Police Administration Building, the Training Bureau, and the six outlying district stations is handled by this division. There are also 289 radio pagers in use by our department for which the Communications Division is responsible.

TRAINING

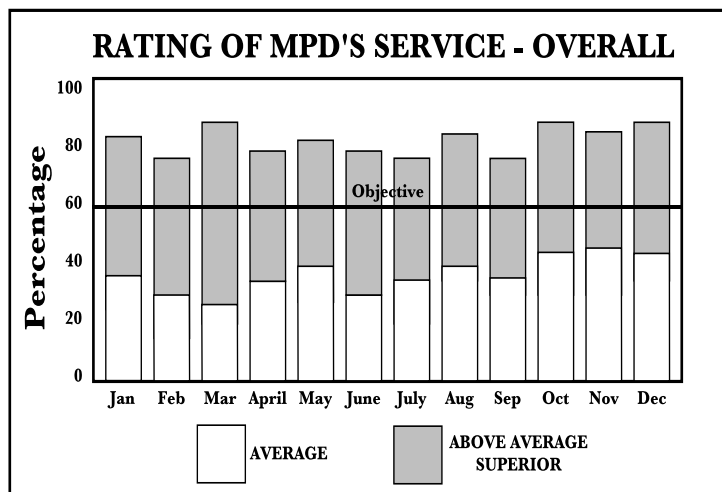

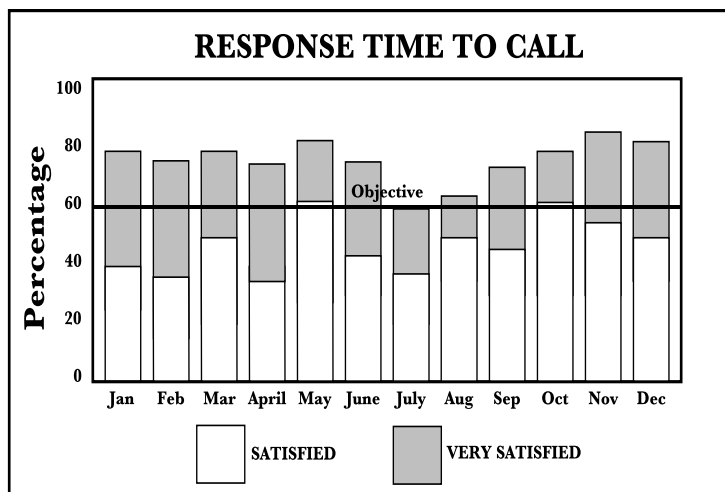

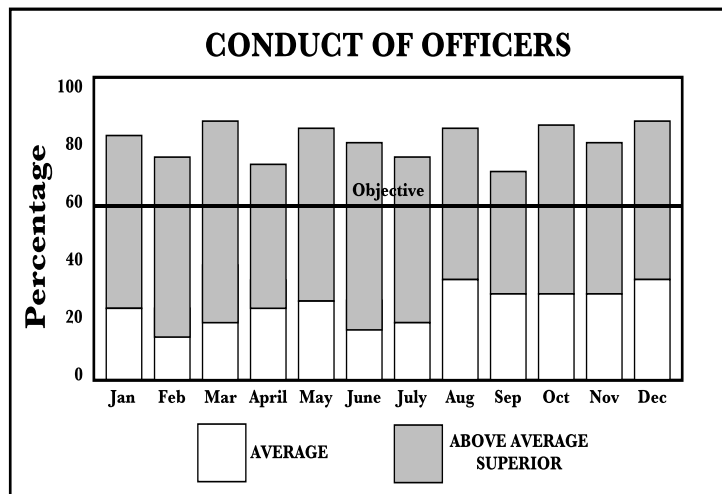

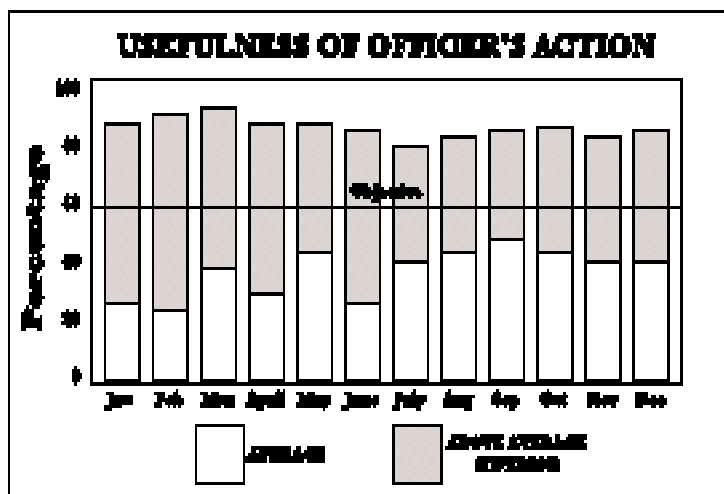

Twenty new dispatchers, ten seasonal telecommunicators, and four Differential Response Unit officers were trained in the Communications Division during 1995, for a total of 120, 80, and 40 hours respectively. The Communications Operations Division trainers also instructed each police recruit class, parking checkers, and other law enforcement agencies regarding proper telephone and radio procedures. Further, the division conducted numerous tours and presentations for various groups.

FALSE ALARM CONTROL

The Communications Division is also responsible for the False Alarm Program. Burglary and holdup alarms are the most common call to which squads respond. They are false alarms 95.97 percent of the time. While there has been an increase of approximately 20 percent in overall alarm installations, the Department has actively worked to reduce false alarms through education, enforcement, and legislative efforts.

CITIZEN SATISFACTION SURVEY

The Communications Division scientifically surveys those citizens who have received police service. This is accomplished by sampling calls using random selection. Each citizen surveyed is asked the same questions. The results of the 1995 surveys demonstrated that the Milwaukee Police Department exceeded the goals set for the year.

It may seem at times that your labors go unnoticed, but your efforts contribute in a very significant way towards making this agency one of the finest police departments in the country. Keep up the good work! !

Philip Garsola 23

COMMUNICATIONS DIVISION

RECOGNITION OF MEMBERS

During 1995, members assigned to the Communications Division have received recognition for their service. Police Officer Andrew Jones received such recognition twice during the year. Officer Jones received an official citation on January 30, 1995, for saving two lives at a fire he had discovered. In addition, Officer Jones received a commendatory letter from the Chief dated November 8, 1995, based on a letter of recognition from the Brookfield Police Department, while off-duty, Officer Jones aided in the arrest of auto theft suspects who may have been involved in more serious offenses.

Police Telecommunicator Deborah Toth received a Superior Achievement Citation on January 30, 1995, for her telephone interview which resulted in the apprehension of a dangerous felon. Police Telecommunicator Renee Haynes will receive a commendatory letter from Chief Arreola on January 5, 1996, regarding her actions of December 26, 1995. On that date, P.T. Haynes used exceptional interviewing skills and sound judgement in handling a call from a three year old child that resulted in an emergency response that may have saved the life of the child's mother. The actions of Police Telecommunicator Mary Stima in handling an unusual call involving a python snake was recognized by a nationally syndicated television show documenting her actions for broadcast.

SOLUTIONS TO SPECIAL NEEDS

The Communications Division responds to the special communications needs of the community. During 1995 approximately 60 calls were received from hearing impaired citizens via TDD devices. Additional special needs are met by the Communications Division. Twelve bi-lingual telecommunicators handled approximately 15,000 calls that required spanish interpretation. Additional calls requiring translation were handled via the AT&T Language Line service.

STATISTICS

This year the number of calls for police service decreased about 2 percent when compared with 1994.

	<u>1995</u>	<u>1994</u>
PRIORITY 1	42,931	45,802
PRIORITY 2	224,031	227,790
PRIORITY 3	245,781	249,464
<u>PRIORITY 4</u>	<u>89,797</u>	<u>92,308</u>
TOTALS	602,540	615,364

This year the number of telephone calls received and processed has shown about a 6 percent decrease when compared with 1994.

	<u>1995</u>	<u>1994</u>
EMERGENCY	147,720	175,455
911	450,802	442,666
CELL PATROL	827	38
ADMINISTRATION	516,029	565,568
<u>INTERNAL OPERATOR</u>	<u>193,242</u>	<u>202,577</u>
TOTALS	1,308,620	1,386,304

The Communication Maintenance Section performed the following:

3,689	Repairs of radio equipment
811	Installations of equipment
436	Renovations of equipment
340	Modifications of equipment
508	New items checked, inventoried and delivered
172	Checks of radio systems from complaints

Police and Fire Academy. During this time the recruit will attend classes eight hours every day except weekends and holidays. During the training period at the academy, recruits will learn the basics of law enforcement.

ADMINISTRATION BUREAU

LICENSE INVESTIGATION UNIT

The License Investigation Unit (L.I.U.) has the responsibility to investigate and process all city license applications, requests, and renewals including, but not limited to, taverns, liquor stores, pharmacies, package stores, bartenders, pool halls, amusement arcades and devices, entertainment, dancing, and security guard permits. The L.I.U. is also the central repository for all records and reports pertaining to city licenses for which the Milwaukee Police Department bears investigative responsibility.

The License Investigation Unit (L.I.U.) is responsible for investigating citizen/neighborhood/community group objections to granting or renewing city licenses, as well as the compilation of reports for the appearance of the Chief's designee before the Common Council's Licensing Committee.

In 1995, L.I.U. investigated and processed an estimated 12,000 applicants for various licenses.

During 1995, L.I.U. in the area of Taxi cabs, Limos, etc. has investigated the following:

Total Numbers of Vehicles Inspected	849
Citations Issued	187
Vehicles "RED TAGGED"	146
Public Passenger Vehicle Driver Licenses	669

The License Investigation Unit processed a total of 3,273 applications for Security Guard Permits. A total of 623 were denied and 296 of the applicants were arrested for various City and State warrants.

The following is a total number of reported incidents involving licensed persons filed by District, Bureau, Division or Unit of the Milwaukee Police Department.

DISTRICT	JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC	TOTAL

COMMUNITY & POLICE

REDEDICATION CEREMONY OF THE NEWLY RENOVATED FIFTH DISTRICT POLICE STATION

The Milwaukee Police Department proudly hosted the rededication ceremony for the newly renovated Fifth District Police Station in December of 1995. The Fifth District Police Station opened its doors at its present location in September 1960.

The renovation project was designed to facilitate the demands of policing through the 21st century. Contractors began work on the facility in November 1994. The renovation project was completed in November of 1995 at a cost of \$1.5 million. Some of the features of this "new" facility provide for a more comfortable and efficient work environment, a friendly decor and atmosphere for citizens using the facility, and a conference room that can facilitate both community meetings and supervisory staff meetings. Police Chief Philip Arreola, Mayor John Norquist, members of the Common Council, the Board of Fire and Police Commissioners, and various community organizers were in attendance at the rededication ceremony. Attending the ceremony were six past commanders of the Fifth District.

Seven past and present district five captains were present. Left to Right: Charles Grisham, Anthony Bacich, Ralph Moder, Duane Casey, George Sprague, Alfonso Graham and Earl Marshall.

AUXILIARY POLICE ALL CITY AWARDS NIGHT

The Milwaukee Police Department's Community Services Division hosted its Eighth Annual Auxiliary Police All City Awards Night at the Milwaukee Safety Academy.

An auxiliary police officer is a non-paid volunteer who assists the Milwaukee Police Department in performing a variety of services. Their service to the Department allows uniform officers more time to devote to other police matters.

Awards were given for auxiliary recruitment efforts, outstanding District Auxiliary Officer and Auxiliary District of the Year. Graduation certificates were presented to Auxiliary Officers who completed the 40 hour training course.

SPECIAL CRIME PREVENTION AWARD

DISTRICT 7 Illonia Potzner

AUXILIARY OF THE YEAR

DISTRICT 2 - Stanley Szmanda
DISTRICT 3 - Ed Rucinski
DISTRICT 3 - Vera Washington-Matthews
DISTRICT 4 - Larry Walter
DISTRICT 5 - Henry Knox
DISTRICT 6 - Dawn Medford
DISTRICT 7 - Alfred Barnes

SPECIAL AWARD

DISTRICT 2 - Robert Derkowski

COMMUNITY & POLICE

COMMUNITY ORIENTED POLICING APPRECIATION CEREMONY

The Avenues West Community Policing Association held a community oriented policing appreciation reception at the Ambassador Hotel in October of 1995. The reception was to show appreciation and give thanks to all the officers of the Avenues West Community Policing/Weed & Seed Initiative for their efforts in reducing crime and making the neighborhood safer. Chief Arreola and many other guests made remarks and offered their continued support in helping improve the quality of life for the residents in the neighborhood. During the reception, a special presentation was made to Lieutenant Robert Surdyk, commander of the Avenues West Community Policing/Weed & Seed Initiative, for the dedication and commitment of all his officers.

Left to Right: Mr. Murchinson, Chief Arreola, Lt. Surdyk.

MPD SUPPORTS BLUE COATS FOUNDATION

The Blue Coats Foundation is a non-profit organization formed in 1966 which is comprised of approximately 118 men and women in Milwaukee. It makes charitable distributions for the benefit of widows, children, or other dependents of police officers, fire fighters and other government or municipal employees or volunteer workers engaged in hazardous duty who have lost their lives in the line of duty.

This organization currently supports 20 (unremarried) widows or dependent parents, and 14 children under the age of 18. They provide immediate financial support to the widow at the time of a tragedy and supplement that at Christmas. They also provide government bonds to children at Christmas.

They also provide financial support for training if the widow wishes, and assist financially if children wish to continue education or training beyond high school.

The Blue Coats Foundation is available for assistance to the widows, children and families at all times.

CURFEW AND BURGLARY SUPPRESSION PROGRAM (CABS)

The Milwaukee Police Department implemented the Curfew And Burglary Suppression Program (CABS) in June of 1995. The CABS program is designed to provide an effective means in which to enforce the curfew ordinance and to deter nighttime burglaries and other criminal activity in the city of Milwaukee. The CABS program is a collaborative effort of the Milwaukee Police Department and the Boys and Girls Clubs of Greater Milwaukee.

The goal of the CABS program is to provide a vehicle to effectively enforce the curfew ordinance, prevent juveniles from becoming a victim of a crime, act as a deterrent to more serious offenses involving juveniles, and enhance parent responsibility in enforcing the curfew ordinance. Ultimately, our goal is to make our children and neighborhoods in the city of Milwaukee safer.

Effective enforcement of the curfew ordinance has proven to be a very valuable law enforcement tool. Between the hours of 11 p.m. and 5 a.m., any juvenile observed in violation of the curfew ordinance can be taken into custody and issued a municipal citation for curfew violation. They will be conveyed to one of the two CABS centers. The juvenile will be screened at the center before disposition and release. If the juvenile has not been reported missing, a parent or guardian may be cited for permitting the juvenile to violate the curfew ordinance.

COMMUNITY & POLICE

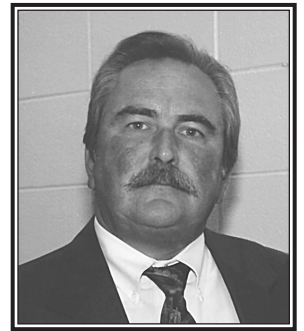

INSPECTOR WILLIAM GIELOW

Inspector William Gielow began his career with the Milwaukee Police Department on July 13, 1959, with his appointment as a Police Aide. Upon completion of his course of instruction, he was assigned to the Traffic Bureau. As a Police Aide, he served in the Fifth District, Youth Aid Bureau and Bureau of Identification. In November 1962, he was promoted to Police Officer. Upon completion of recruit training, he was assigned to the First District. In March 1963 he took a military leave of absence to serve in the United States Marine Corp. Upon his return from military leave, he served in various capacities including the Communications Division, Tactical Enforcement Unit, and the First District. In December 1970 he was promoted to the rank of Police Sergeant and assigned to the Fifth District. As a Police Sergeant, he also served at the Training Bureau and the Tactical Enforcement Unit. In March 1978 he was promoted to the rank of Lieutenant of Police and assigned to the Administration Bureau, relief duty. He served in the Fourth District, First District and Fifth District before his promotion to Captain of Police in July 1986. As a Captain, he served in the Metropolitan Division, Training Bureau, Second District and the Office of Management, Analysis and Planning. In August 1992 he was promoted to the rank of Deputy Inspector of Police and assigned to the Criminal Investigation Bureau. He served in the Criminal Investigation Bureau until his promotion to the rank of Inspector of Police on October 20, 1995, and is now assigned to the Patrol Bureau.

DEPUTY INSPECTOR DONALD DOMAGALSKI

Deputy Inspector Donald Domagalski began his career with the Milwaukee Police Department on January 3, 1966, with his appointment as a Police Officer. Upon completion of recruit training, he was assigned to the First District. He later was assigned to the Criminal Investigation Bureau. In January 1978 he was promoted to Detective and continued in the Criminal Investigation Bureau. In August 1987 he was promoted to the rank of Lieutenant of Detectives and remained in the Criminal Investigation Bureau. In May 1990, he was promoted to the rank of Captain of Police and continued in the Criminal Investigation Bureau. Between August 1990 and October 1995 he commanded the Vice Control Division and served another tour in the Criminal Investigation Bureau. On October 20, 1995, he was promoted to the rank of Deputy Inspector of Police and assigned to the Criminal Investigation Bureau.

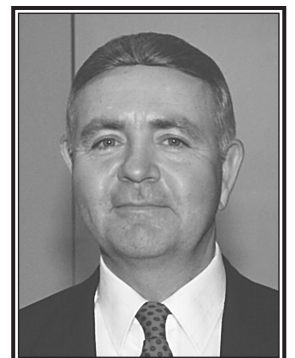

CAPTAIN MONICA RAY

Captain Monica Ray began her career with the Milwaukee Police Department on April 16, 1984, with her appointment as a Police Officer. Upon completion of recruit training, she was assigned to the Second District. She was transferred to the Seventh District in February 1986. In October 1986 she was assigned to the Vice Control Division. In March 1990, she was promoted to Detective and continued in the Vice Control Division. In August 1993 she was promoted to the rank of Lieutenant of Detectives and assigned to the Criminal Investigation Bureau. She later was transferred to the Sensitive Crimes Division. On October 20, 1995, she was promoted to the rank of Captain of Police and assigned to the Criminal Investigation Bureau.

CAPTAIN VICTOR VENUS

Captain Victor Venus began his career with the Milwaukee Police Department on May 21, 1973, with his appointment as a Police Officer. Upon completion of recruit training, he was assigned to the Second District. He was transferred to the Seventh District in August 1974 and to the Sixth District in July 1981. In October 1981 he was promoted to Detective and assigned to the Criminal Intelligence Division. In August 1987 he was promoted to the rank of Lieutenant of Detectives and assigned, in the first of three tours, to the Vice Control Division. In April 1991 he was transferred to the Criminal Investigation Bureau. In January 1994 he was transferred to the Sensitive Crimes Division. On October 20, 1995, he was promoted to the rank of Captain of Police and assigned to the Criminal Investigation Bureau.

COMMUNITY & POLICE

SERGEANT LUCAS RECEIVES NORTHWESTERN LEADERSHIP AWARD

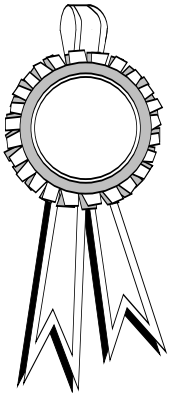

Sergeant Earnell R. Lucas, of the Public Information Office, Office of the Chief, received the Franklin M. Kreml Leadership Award from the Northwestern University Traffic Institute School of Police Staff and Command. The Kreml Award is presented to the student who best displays the dedication, devotion, ethics, sense of justice, and other attributes that exemplify the kind of leadership that is needed in today's law enforcement community.

The award was established in 1984 by Franklin Kreml, the Institute's founder, to recognize and encourage the high ethical and professional values and dedication to public service upon which the Traffic Institute was founded.

Left to Right: Dr. Buren, Dr. Stenzel, Sgt. Lucas and FBI Special Agent Santimauro.

Sergeant Lucas was selected for the award by the staff and classmates at the conclusion of the 82nd School of Police Staff and Command hosted by the Milwaukee County Sheriff's Department from September 1994 through January 1995.

The School of Police Staff and Command is a demanding 10 week management program. It is designed to prepare first- and second-level police management personnel with high-quality training through specialized instruction in principles of management and supervision. Sergeant Lucas joins Deputy Inspector William Gielow, Captain Anthony Brzonkala, and Captain Gary Cox as a winner of this prestigious award.

CONGRATULATIONS

DISTRICT SIX HONORED BY COMMUNITY GROUP

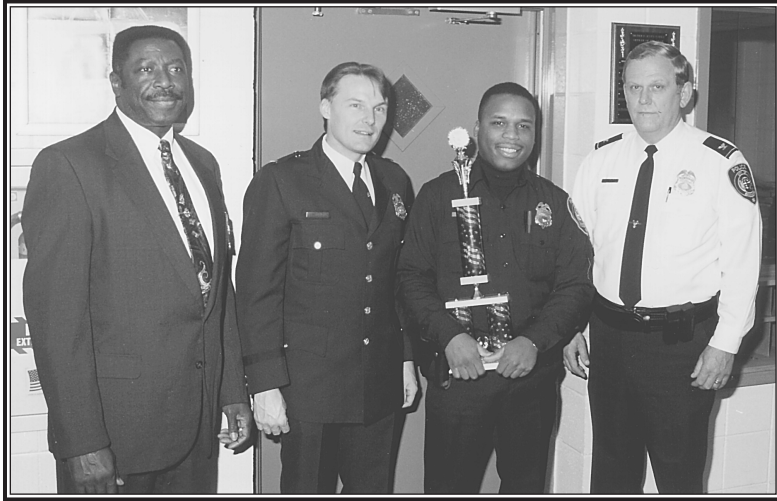

The officers from the Sixth District were honored in a ceremony held at the Milwaukee Christian Center, 2135 West Greenfield Avenue, on Thursday, October 27, 1995. The Clarke Square Community Association planned the event to express their appreciation for the hard work and positive attitude of the officers who work in the area. Awards were presented to 12 officers from foot patrol, crime prevention and squad patrol at the Sixth District, by the co-chairs of the association, Lorraine Blanco and Fran Plumeri. The commander of the Sixth District, Captain Peter Pochowski, said that he was "particularly pleased with these awards because they recognize all officers-not just the most visible ones. These citizens wanted to thank the men and women who put their lives on the line everyday to protect their families. We were all deeply touched by their words and their awards."

Left to Right: Captain Pochowski, Lorraine Blanco, Fran Plumeri and Chief Arreola.

COMMUNITY & POLICE

Left to Right: District Captain Johnnie Smith, District Lieutenant Steve Settingsgaard, Police Officer Eddie Strong and Inspector William Gielow.

7th DISTRICT OFFICER OF THE YEAR

During the month of November, officers of the Seventh District were surveyed by written questionnaire to identify a 7th District "Police Officer of the Year." The officers were asked to pick the top five candidates. The results were tallied on December 13th, and five finalist were chosen and awarded trophies in honor of their skills and abilities. The first place winner, Police Officer Eddie Strong, was awarded a plaque which will hang in the district assembly.

The Milwaukee Police Department salutes the "Top Cops of 1995" at District Seven. First Place Police Officer Eddie Strong, Second Place Officer Paul Garhart, Third Place Officer John Burke, Forth Place Officer Ronald Laura and Fifth Place Officer William Robinson.

CITIZEN/POLICE OFFICER MERIT AWARD PROGRAM

In 1995, 27 citizens and 19 police officers were honored at the Citizen/Police Officer Merit Award Program for their acts of courage and bravery in helping their fellow citizens. This was the first combined Citizen/Police Officer Merit Award Program. Chief Arreola, along with Mayor Norquist presented the recipients with their awards.

Citizens receiving awards were:

Steven Dane	Lafayette Clark	Gregory West	Kathy Funk	John Hughes
Marlon Powell	James Boyle	Dennis Weigert	Scott Neumann	Robert Neumann
Anthony Monk	Elizabeth Mangan	Christopher Anderson	Todd Broadie	James Chapman
Patricia Gillespie	Robert Graun	Tanva Hemphill	Dr. James Lincer	Felicia Moffett
Steven Moon	Michael Newkirk	Patrick Nowacki	Danny Pooler	Malory Pooler
Robert Smithies	Robert White			

Officers receiving awards were:

Sergeant William C. Pietsch	Sergeant Thomas J. Skovera	Sergeant Joseph J. Farina
Detective Joseph D. Link	Detective John A. Reesman	
P.O. Daniel P. Clark	P.O. Randall J. Chicks	P.O. Teresa S. Clyse

P.O. Keith D. Lawson	P.O. David A. Stouff	P.O. Victor L. Jackson
P.O. Charles A. Grimm	P.O. Brian W. Ketterhagen	P.O. Steven R. Rudie
P.O. Marcus J. Bartell	P.O. Victor L. Centeno	

Printshop Triumphs

Assistant Chief Alfonso Graham congratulates newly appointed Printing & Stores Supervisor Raymond Oelke.

Assistant Chiefs Alfonso Graham and James Koleas congratulate newly appointed Lead Offset Press Operator William Bono.

Left to Right: Lead PTC Toth, PTC Glover-Johnson, and PAO Chubeck inside the State Capitol.

NATIONAL TELECOMMUNICATORS WEEK

A ceremony honoring National Telecommunicators Week was held at the State Capitol in April of 1995. Lt. Governor Scott McCallum greeted approximately 65 telecommunicators and dispatchers throughout the state of Wisconsin. He presented a proclamation signed by Wisconsin Governor Tommy Thompson recognizing April 9 thru 15, 1995 as Telecommunicator Week in Wisconsin.

National Telecommunicator Week was established in 1993 through the efforts of Associated Public Safety Communications Officials, International, National Emergency Number Association, and personnel in the public safety communications profession. Congressional and local representatives annually give recognition to those personnel who give critically support to fire, medical, police, and general public responders who rely on emergency telephone and radio communicators.

The Milwaukee Police Department, the largest emergency call center in the state, was represented by Chief Operator James Proulx, Police Alarm Operator Michael Chubeck, Lead Police Telecommunicator Debra Toth, and Police Telecommunicator Shirley Glover-Johnson.

COMMUNITY & POLICE

THE LAW ENFORCEMENT TORCH RUN FOR SPECIAL OLYMPICS

The Law Enforcement Torch Run is the largest grass roots fundraising program benefitting Special Olympics. The Torch Run is a story of heart and conviction. What began in 1981 as a local run event in Wichita, Kansas was the brainchild of Wichita Police Chief, Richard LaMunyon. The Torch Run has grown into a series of relay runs involving 49 states, the District of Columbia, and several foreign countries.

Each Torch Run is organized by law enforcement personnel within the state or country in which it takes place. Law enforcement officers, carrying the Special Olympics Torch, run relays along a planned route to the site of the Opening Ceremonies of

the Chapter or National Special Olympics Summer Games. Prior to the opening ceremonies, law enforcement representatives pass the Special Olympics Torch to a Special Olympics athlete at the entrance to the stadium. Runners collect contributions from citizens, service groups, schools, and businesses to raise funds on behalf of Special Olympics. As of June 1995, Wisconsin law enforcement agencies raised one million dollars for its athletes. Milwaukee Police Officer Dale Brunner is the Wisconsin's Torch Run State Director.

Left to Right: Supervising Lieutenant Fredric Madsen, Parking Checker Reginald Paradowski and District Captain Peter Pochowski.

FIRST PARKING CHECKER TO RETIRE WITH 25 YEARS OF SERVICE

Parking Checker Reginald Paradowski of the Sixth Police District will retire at the end of 1995 after 25 years of service. He was one of the first parking checkers hired and is the first to retire with 25 years or more of service to the city of Milwaukee. Parking Checker Paradowski began his career with the Milwaukee Police Department in September of 1970.

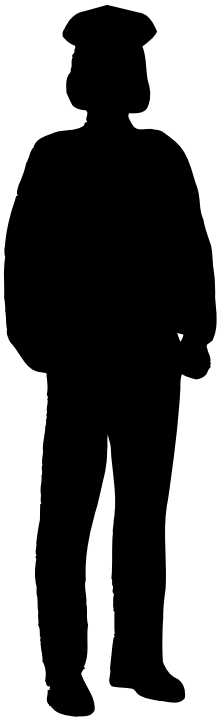

He started his career in police District Five as a night jeep parking checker. In June of 1985 after the reorganization of the Traffic Bureau, Parking Checker Paradowski was transferred to District Six, day shift, where he remained until his retirement. The Milwaukee Police Department wishes to congratulate Parking Checker Reginald Paradowski for his years of dedicated service and we wish him a long and happy retirement.

MISSION STATEMENT FOR THE MILWAUKEE POLICE DEPARTMENT

The mission of the Milwaukee Police Department is to enhance the quality of life in the City of Milwaukee by working cooperatively with the public to enforce the law, preserve the peace, reduce crime, and provide for a safe environment.

To accomplish this mission, we are committed to a set of values that guide our work and decisions, and help us contribute to the quality of life in the City of Milwaukee.

We, the members of the Milwaukee Police Department, are committed to these values:

★ HUMAN LIFE - We revere human life and dignity above all else.

★ RESPECT - We respect the cultural and ethnic diversity of the community that we serve and protect. We strive for a sensitivity to, and an understanding of, this diversity.

★ INTEGRITY - We believe that integrity is the basis for personal and public trust.

★ LAWS AND CONSTITUTION - We believe in the principles embodied in the Constitution of the United States, and the Constitution of the State of Wisconsin. We recognize the authority of federal, state, and local laws.

★ EXCELLENCE - We strive for personal and professional excellence, dedication to duty, and service to the public.

★ ACCOUNTABILITY - We are accountable to each other and to the citizens we serve, who are the source of our authority.

★ COOPERATION - We believe that cooperation among ourselves, members of the community, governmental entities, and other law enforcement agencies will enable us to combine our diverse backgrounds, skills, and styles to achieve common goals.

★ OURSELVES - We are capable, caring people who perform important and satisfying work for our community.

★ PROBLEM—SOLVING - We are most effective in our work when we identify and solve problems. In this way, we not only help the community we serve and protect, but we make the Milwaukee Police Department more efficient and responsive.
