## *Message from the Chief*

*Arthur L. Jones*  
Chief of Police

I am pleased to present the Milwaukee Police Department's 2000 Annual Report. This report highlights some of the goals and accomplishments of the men and women of the Department. Also recognized are some of the community based organizations that worked cooperatively with the Milwaukee Police Department in an effort to reduce crime.

The Department's transition into the twenty-first century was lucid. Members of the Department rose to and successfully met the challenge of Y2K compliance.

Operation Ceasefire, a program designed to remove guns and their potential for violence from the streets of Milwaukee, went into effect on January 1, 2000. This program has helped identify and prosecute individuals who have been arrested on firearm related charges. Those individuals prosecuted under Operation Ceasefire spend the maximum time in prison.

In April of 2000, members of law enforcement, the faith based community, and community based organizations collaborated in an effort to develop strategies to prevent and reduce criminal activity. The collaboration resulted in the inception of the Community Safety Coalition. The coalition is comprised of a diverse group of members committed to a successful crime reduction partnership.

As we reflect on the past year, I encourage the citizens and members of the Department to continue to cultivate a collaborative effort to reduce crime and improve the quality of life in the City of Milwaukee.

A handwritten signature in cursive script that reads "Arthur L. Jones".

## Office of the Chief

*Heidi M. Hendricks*  
Staff Assistant - Senior

THE OFFICE OF THE CHIEF CONSISTS OF THE INTERNAL AFFAIRS DIVISION, THE BUDGET AND FINANCE DIVISION, THE PUBLIC INFORMATION OFFICE, RESEARCH AND DEVELOPMENT, AND THE SAFETY DIVISION. THESE ENTITIES PERFORM A VARIETY OF STAFF FUNCTIONS AND REPORT DIRECTLY TO THE CHIEF OF POLICE.

### Internal Affairs Division

*Dale T. Schunk*  
Commander—Internal Affairs Division

The Internal Affairs Division (I.A.D.) consists of the Criminal Investigation Unit, the Personnel Investigation Unit, the Civil Litigation Unit, and the Audio Visual Unit. Our goal is to investigate complaints against members of the Department to discover any neglect or dereliction of duty or other action by members that may be detrimental to the services provided. I.A.D. also provides additional support in the area of training.

As it relates to the disciplinary process, I.A.D. continues to investigate all complaints objectively, completely, and timely.

The Internal Affairs Division recommended and implemented the installation of video cameras in booking areas throughout the Department.

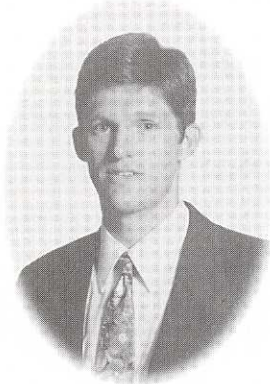

*Gregory B. Thompson*  
Captain of Police—Internal Affairs Division

I.A.D. conducted supervisory in-service segments for members with the rank of Police Sergeant, Lieutenant of Police, and Lieutenant of Detectives. I.A.D. also conducted training for newly promoted supervisors, members awaiting promotion to the rank of sergeant, and civilian managers. I.A.D. conducted classes on "ethics" for members newly assigned to the Vice Control Division.

# Office of the Chief

## Budget and Finance Division

*James B. Ringel*  
Budget Manager  
Budget & Finance Division

THE BUDGET & FINANCE SECTION OVERSEES ALL OF THE DEPARTMENT'S ACCOUNTING, BUDGETING, AND PURCHASING ACTIVITIES. THE BUDGET & FINANCE SECTION'S GOAL IS TO PROVIDE THE BEST POSSIBLE SUPPORT TO THE REST OF THE DEPARTMENT IN ITS QUEST TO REDUCE CRIME AND ENHANCE THE QUALITY OF LIFE IN THE CITY OF MILWAUKEE.

### The Police Department relies on four sources of funding:

**The city's operating budget:** This is the amount of the property-tax supported budget that is allocated to the Police Department. A full 92% of this budget funds salaries. Clearly, this makes other sources of funds crucial to acquiring the equipment and technology that make Department employees more efficient and effective.

**Capital Projects:** The city borrows money for large, one-time projects with a long useful life. By far the largest such ongoing project in the City, with the exception of road construction, is the new Third District/Communications Operation Center facility. In 2000, the Department secured \$7.56 million in capital funding for the project. This brings the total amount appropriated by the City to around \$42 million.

**State and Local Grants:** In 1999, the Budget and Finance Section aggressively sought state, federal, and private funding sources in order to enhance the

Communications Operation Center funding. Grant funds will help the Department obtain state-of-the-art law enforcement technologies, which will improve officer safety, and the overall effectiveness of the Department. In 2000, the Budget and Finance Section obtained a \$625,000 COMPASS grant for the city.

**Asset Forfeiture Funds:** Federal courts award as much as 80% of the funds seized in drug-related arrests to the arresting Department which, in turn,

may spend those seized funds on any law enforcement purpose, subject to federal guidelines. The Milwaukee Police Department uses these funds to supplement its operating expenditures in areas such as training, tactical equipment, and other specialized law enforcement needs.

<b>City Tax-Supported Operating Budget</b>	<b>1999</b>	<b>2000</b>
Salary	\$ 122,073,386	\$ 120,762,252
Equipment, Services, Supplies	\$ 11,500,920	\$ 10,855,762
<b>Non-Budget Sources of Funds</b>		
Capital Projects	\$ 15,680,712	\$ 9,693,544
Asset Forfeiture Funds	\$ 550,773	\$ 495,980
State and Local Grants (non-salary)	\$ 2,752,180	\$ 5,050,703
<b>Total Police Department Funding</b>	<b>\$ 152,557,971</b>	<b>\$ 146,858,241</b>

# Office of the Chief

*Karen Pride Garvin*  
Public Relations Manager

The office also relays information interdepartmentally through memos and the Department newsletter, The Dispatch, which is published at least three times annually. The Public Relations Manager is the designated editor of the Dispatch.

## Public Information Office

*T*HE THE PUBLIC INFORMATION OFFICE DISSEMINATES INFORMATION EXTERNALLY TO THE PUBLIC VIA TELEPHONE AND THE USE OF ELECTRONIC AND PRINT MEDIA.

The information disseminated may include, but is not limited to, high profile investigations, crime statistics, and police/community programs and functions.

The Public Information Office releases this information through news conferences, news releases, and daily briefings with local news media.

In addition to the release of information, the Public Information Office fields requests for interviews, speakers, and appearances by Department members.

These requests come from various entities such as schools, professional organizations, and media outlets from around the world.

The Public Information Office is currently staffed by Public Relations Manager Karen Pride Garvin, a civilian hired by Chief Arthur L. Jones in February 1999, and one Police Aide. Ms. Garvin has worked for both radio and television news operations in Los Angeles and Milwaukee.

## Crime Analysis

**The Crime Analysis Section is staffed by a sergeant and five police officers.**

Members assigned to the Crime Analysis Section use desktop computers and Geographic Information System software to geographically encode crime information obtained from our Department's mainframe database. The data is overlaid on an electronic city map to clearly depict what geographic areas are most impacted by crime.

In 2000, the Crime Analysis Section produced over 260,000 documents consisting of maps, Power Point slides, and statistical reports. The reports provide crime data visualization that makes it easier to detect emerging geographical crime patterns.

District and bureau commanders use the information to determine what resources and deployment strategies are most effective at addressing crime

trends throughout the city. The results of the strategies are evaluated during weekly crime analysis meetings to determine the effectiveness of crime reduction initiatives, resource allocation and saturated patrols.

The Crime Analysis Section works cooperatively with other Department members by providing the necessary data and crime mapping information to address crime concerns.

## Research and Development

Members assigned to the Research and Development Section perform a variety of staff functions for the Chief of Police. Duties include drafting all of the

Department rules and standard operating procedures, maintenance of the Department's website, vehicle seizures, and research of police technology.

# Office of the Chief

*Pamela K. Roberts*  
Safety Director—Safety Division

## Safety Division

THE SAFETY DIVISION IS RESPONSIBLE FOR PROGRAMS RELATING TO SAFE DRIVING, AS WELL AS SCHOOL PROGRAMS PROMOTING SAFETY TO STUDENTS. MEMBERS OF THE SAFETY DIVISION ADMINISTER THE DEFENSIVE DRIVING CLASSES, THE SCHOOL CROSSING GUARD PROGRAM, AND COORDINATE STATE AND FEDERAL GRANTS FOR TRAFFIC ENFORCEMENT WHICH IS IMPLEMENTED BY MEMBERS OF THE MILWAUKEE POLICE DEPARTMENT.

The Safety Division participated in Operation ABC Mobilization-America Buckles Up Children as well as National Drunk and Drugged Driving (3D) Prevention Month.

On October 4, 2000, the Safety Division partnered with the Southeast Wisconsin Safe Kids Coalition and Federal Express in an effort to provide adults with the opportunity to teach children safe habits when walking to school. The students were taught not to cross mid-block, to wait at the crosswalk, and to obey the school crossing guards. W.T. Sherman Elementary

School Principal Erma Cannon, Police Chief Arthur Jones, Fire Chief Lawrence A. Gardner, and members of the Safety Division staff safely walked students to school. Motorists were reminded to follow the posted speed limits, especially in school zones. All Milwaukee area schools were encouraged to participate.

The Safety Division monitors and maintains statistics on motor vehicle collisions and fatalities. The below chart shows a five-year trend of motor vehicle crashes and fatalities through 2000 for the City of Milwaukee.

### VEHICULAR CRASH TRENDS

	ALL CRASHES	INJURY CRASHES	ALL FATALITIES	PEDESTRIAN FATALS	MOTOR VEHICLE REGISTRATION
1996	14,691	5,914	32	13	355,716
1997	13,735	5,660	35	14	357,284
1998	13,252	5,337	25	12	367,614
1999	13,127	5,074	30	5	366,697
2000	14,568	5,395	38	10	375,969

## Patrol Bureau

*William E. Gielow*  
Deputy Chief—Patrol Bureau

THE UNIFORM PATROL BUREAU IS THE LARGEST AND MOST VISIBLE COMPONENT OF THE MILWAUKEE POLICE DEPARTMENT. THE PERSONNEL ASSIGNED CARRY OUT THE MISSION OF THE POLICE DEPARTMENT BY PROVIDING A VARIETY OF SERVICES THAT REACH FAR BEYOND RESPONDING TO CALLS FOR SERVICE BY PROVIDING UNIFORM PRESENCE AND PATROL. THE FOLLOWING IS A SYNOPSIS OF THOSE ACTIVITIES FOR 2000.

### District One

*William P. Zadrowski*  
Captain of Police

District One provides police service to the vital downtown area. The area is home to many commercial enterprises, governmental buildings, and private residences. It has a large commuter population and is the cultural magnet for arts and entertainment. The neighborhood has a reputation as an extremely safe and friendly area within the City of Milwaukee.

During 2000, the Community Safety Coalition was implemented within the district's boundaries. Meetings were held with leaders of the faith community and a District open house was held. The open house allowed the public a chance to view their Department at work. Videos, equipment tours, and oral presentations made the open house a success. This experience gave the personnel assigned to District One the opportunity to greet the public and engage in positive interaction with the community.

Directed patrol missions were conducted during the year and the district continued to effectively deal with the problems of crime and disorder. Bicycle, foot, and vehicle patrols are integrated into a highly cohesive and efficient force that has maintained the district as the safest in the city.

The First District is also home to the Department's Prisoner Processing Section. Revisions in State and Federal Law necessitated changes in the manner in which juvenile offenders are processed. The Municipal lock-up policies and juvenile procedures were modified and the newly adopted operational procedures were smoothly transitioned into practice.

Major city policing is a constantly changing and dynamic challenge. The men and women of the First District have successfully met and look forward to continuing to meet that challenge for the year 2001.

# Patrol Bureau

*Joseph D. Whiten*  
Captain of Police

## District Two

“*SEGUNDUS NIEILUM*,” LATIN FOR “SECOND TO NONE” IS ENGRAVED ON THE WALL PLAQUE THAT SECOND DISTRICT PERSONNEL SEE AT EVERY ROLL CALL. DURING 2000, THOSE PERSONNEL AGAIN LIVED UP TO THAT MOTTO, DEDICATING THEMSELVES TO REDUCING CRIME AND ENHANCING THE QUALITY OF LIFE FOR OUR CITIZENS.

Using saturation patrols and directed patrol missions (D.P.M.), the District targeted crime in the Mitchell Street area and crimes committed by gangs. This resulted in significant decreases in crime around Mitchell Street. The Gang D.P.M. made 783 state arrests, 1,011 city arrests, issued 976 traffic citations, recovered \$30,172 worth of property, and seized 55 guns, 25 other weapons, 32,208.91 grams of marijuana, and 1,532.13 grams of cocaine.

District Two personnel made 168 public appearances, reaching an audience of 12,390 people. Included in that number were nine tours of the District Two station, fourteen presentations at schools, and three presentations at area churches. Fourteen security surveys were conducted and seven new block watches were organized.

In 1998, District Two was selected to participate in the Weed and Seed Grant Program. During 2000, the Weed and Seed Grant provided additional patrol hours within a target area. As part of that program, the Community Service

Office at 939 S. 10th St., was utilized by Neighborhood Foot Patrol Officers, the Community Services Division Los Protectores outreach effort, the M.P.D. Recruiting Section, and the Division of Probation and Parole, who conducted client interviews two days each week.

Originally formed in March 1998, the Second District Crime Prevention Coalition has continued to evolve. This group of community leaders and business representatives meet regularly with district representatives to discuss common concerns and strategies to address crime and quality of life issues.

# Patrol Bureau

## District Three

*Earnell B. Lucas*  
Captain of Police

*A* NEW MILLENNIUM OF POLICING HAS ARRIVED AND THE LONG-STANDING TRADITION OF PROVIDING QUALITY SERVICE TO ALL NEIGHBORHOODS IN THE THIRD DISTRICT/AVENUES WEST AREA CONTINUES. OUR EFFORTS WERE JOINED BY A NUMBER OF ACTIVE COMMUNITY BASED ORGANIZATIONS, BLOCK WATCHES, BUSINESSES, FAITH BASED ORGANIZATIONS, AND RESIDENTS WHO ARE COMMITTED TO REDUCING CRIME AND ENHANCING THE QUALITY OF LIFE IN THE CITY OF MILWAUKEE.

Crime reduction remained our number one focus during 2000. A number of strategies were deployed to accomplish our goal in reducing crime. Some of these strategies included directed patrol missions, saturation patrols, personal safety presentations, crime prevention seminars, and block watch meetings. As a result of these efforts, violent crime showed a dramatic decrease, particularly homicide and aggravated assault. Property crimes, particularly burglary and robbery, showed year-end decreases as well. Overall, a double-digit reduction in part one offenses was realized in 2000, which gave rise to optimism for further reductions in 2001.

Increased supervision and management of our resources helped us become more efficient in responding to calls for service. As a result of effective field supervision, the district was able to reduce overtime by almost a quarter of a million dollars.

Our community outreach component continued in high gear in 2000. Police Officers Aundra Dawson and LaTunya Peavy, who were recognized by the Exchange Club of Milwaukee as the co-Community Liaison Officers of the Year, spearheaded our efforts. The Exchange Club also judged the Third District's crime prevention display as the best in 2000. The display was designed and built by Police Officers Kurt Leroy and Patrick McDermott with technical assistance from Officers Dawson and Peavy. Several organizations affiliated with the Third District also received recognition by the Exchange Club including the 37th Street Helping Hands Block Club and the Dr. Howard L. Fuller Education Foundation. Individual recognition went to Sergeant Jeffrey Kranz who received the Exchange Club's award for Outstanding Professional Contribution and Auxiliary Officer Gerald Seigel who was recognized as the Auxiliary Officer of the Year.

In May, Captain Lucas traveled to Boston with a contingent of officials to witness firsthand the partnerships and strategies in place in that city that helped to significantly reduce crime. Upon our return to Milwaukee, meetings were held to discuss how we could design and implement strategies to reduce crime in our city. Currently our partnership, known as the Community Safety Coalition, comprised of members of faith based organizations, community based organizations, law enforcement, businesses, and residents has implemented a number of strategies that will have a profound impact on crime in our city.

Construction continued on the Third District/Communications Operation Center. This state-of-the-art facility, scheduled to open in the fall of 2001, will further enhance our crime reduction efforts. It will also provide us with systems and technology to continue providing a high level of police service to the citizens of the City of Milwaukee.

# Patrol Bureau

*Vincent B. Flores*  
Captain of Police

## District Four

THE PERSONNEL ASSIGNED TO DISTRICT FOUR CONTINUED TO WORK WITH BUSINESSES AND RESIDENTS THROUGHOUT 2000 TO REDUCE CRIME AND IMPROVE THE QUALITY OF LIFE. THIS PARTICIPATION, ALONG WITH THE HARD WORK AND DEDICATION OF THE OFFICERS AND CIVILIANS WORKING IN DISTRICT FOUR HAS RESULTED IN A RENEWED PRIDE OF AREA NEIGHBORHOODS.

Members of the Department assigned to District Four would like to thank all of the residents and businesses for their assistance, cooperation, and perseverance. Hard work and tenacity has proven that, together, we can bring about positive change. We want to extend a special thank you to the following organizations for their involvement in their respective areas:

- The Kaul Avenue Neighborhood Development Organization (K.A.N.D.O.) for their work to rid drugs and drug dealing from the area of N. 60th St. to N. 64th St., W. Silver Spring Drive to W. Kaul Avenue.
- The Havenwoods Business Association for their work in bringing businesses and residents together to work to reduce crime in the area surrounding the Havenwoods Nature Preserve.
- The Northwest Community Collaboration for their efforts in promoting safety in the area north of W. Mill Rd. and west of N. 76th Street.
- The Lincoln Park Community Center for working with police officers in the Lincoln Park area, and providing educational and recreational activities designed to keep "at risk" juveniles in positive programs.
- Housing Authority Security and the Silver Spring Neighborhood Center for their assistance in making the Westlawn community a safer place.
- The Northwest Business Council for working with police officers throughout District Four to provide a safe work environment for thousands of workers in District Four.
- The staff at Alexian Village and Northridge Mall for assisting police in ensuring the safety of both shoppers at Northridge Mall and area residents.
- The security officers from Milwaukee Patrol for assisting our officers with information and assignments at North Meadows Condominium Association.
- The Community Learning Centers and Safe and Sound locations for providing our youth with a place to go after school, and with resources for educational and social activities.
- The Community Partners, who talk to area residents relative to their concerns, gather information and forward it to the appropriate individual.
- The Neighborhood Probation and Parole agents whose collaboration with us has provided our officers with useful information regarding their clients.
- Swan Triangle Neighborhood Association for bringing citizens together to make their neighborhood safer north of W. Silver Spring Dr. and west of N. 91st St.
- The newly opened Patrick Cudahy Y.M.C.A. at 91st and Brown Deer for providing services to over 1,000 children who live within a one mile radius of the complex.

## Patrol Bureau

- Villard Avenue Business Association for working diligently to bring businesses back to Villard Avenue which ultimately provides jobs for citizens in nearby neighborhoods.
- The newly formed Brady Block Association for continuing to keep their neighborhood safe and welcoming new residents to the neighborhood.

### **Our accomplishments include:**

- The formation of the Community Safety Coalition, a collaboration of community, faith, law enforcement and government agencies to address and reduce crime using innovative means and the development of District Four's Community Safety Coalition.

- District Four's First Annual Open House held November 18, 2000.
- The development of a District Four logo which was made into a tie tack and pin and is proudly worn by District Four personnel.

Finally, in November of 2000, Mr. Glenn Carvino, District Director of JE Saver's Group Inc. and Walgreen's submitted a proposal to build and furnish a police/community workstation at 6410 N. 76th Street in the Mill Road Shopping Center. The workstation, to be completed in the early part of 2001, includes a telephone, desks, chairs, file cabinet, computer, refrigerator, and a coat rack.

This facility will be available for use by district officers on a 24 hour-a-day basis and will provide for a centrally located, adequately equipped office space to write reports and conduct citizen contacts without having to go to the Fourth District Station.

On behalf of Chief Arthur Jones, the Milwaukee Police Department and District Four, we thank JE Savers Group Inc. and Walgreen's for their generosity and commitment to the community.

## District Five

*Dennis L. Draskowski*  
Captain of Police

THE HARD WORK AND COMMITMENT OF THE PERSONNEL ASSIGNED TO DISTRICT FIVE HAS INCREASED THE CONFIDENCE AND THE FEELING OF SECURITY FOR THE NEIGHBORHOOD RESIDENTS.

During 2000, District Five officers participated in four Directed Patrol Missions (D.P.M.'s). The D.P.M.'s involved two special patrols related to graffiti/vandalism and two special patrols related to noise disturbances in the University of Wisconsin-Milwaukee neighborhood. The increased patrols reduced repeat incidents by violators and enhanced the quality of life for those who reside and/or have business interests in the targeted neighborhoods.

On December 9, 2000, District Five hosted an Open House during which tours of the district station were conducted. The Department's Mobile Command Post and the Bomb Disposal Unit were displayed. The agenda included presentations by representatives of several neighborhood organizations and the commanding officer of District Five.

# Patrol Bureau

*Raymond B. Pucik*  
Captain of Police

During 2000, the Sixth Police District experienced a 2.5% reduction in all Part I Offenses. Particularly important, was a reduction of over 16% in assault crime. Though this reduction in crime was encouraging, it is apparent the district and its citizens must

continue our collective efforts in the reduction of all crime within our neighborhoods.

Crime reduction can be achieved through Crime Prevention. During 2000, the personnel assigned to District Six worked closely with numerous community based organizations in an effort to communicate to our citizens the many proactive measures which can be taken to reduce crime. This included distribution of crime bulletins and numerous appearances at neighborhood meetings.

District officers have and continue to concentrate on all crime in their patrol areas as evidenced by the arrests of individuals during 2000 for a total of 3,267 charges.

During 2000, District Six and our counter-

parts in other city services which include the Department of Neighborhood Services began neighborhood "walk throughs" to identify those environments which have adversely affected the quality of life of our citizens. It has become apparent that many negative environments, which when allowed to go unchecked, contribute greatly to incidents of crime and criminal behavior. These neighborhood inspections have begun to bring about positive changes and will hopefully contribute to a reduction in crime.

The men and women of the Sixth Police District look forward to 2001 with a continued determination to reduce crime and achieve even greater success in enhancing the quality of life.

## District Seven

*Mark A. Meyer*  
Captain of Police

Reducing crime and enhancing the quality of life for all residents within District Seven was a high priority for all members assigned to the district. District Seven issued a total of 13,148 citations for quality of life violations. These violations consisted of curfew, loitering, loud music, carrying a concealed weapon and speeding.

Educating residents and business owners through our crime prevention initiatives was highly successful in 2000, with the addition of 21 block watches and the establishment of the Hampton Avenue Shopping Center Business Association. Throughout the year district personnel met with community based organizations, schools, churches and business owners for a total of 372 personal appearances. This year, District Seven's Community Liaison Officer Shellee Lubus was awarded her third Community Liaison Officer of the Year award.

In 2000, we strengthened our relationships with the Social Development Community Partners assigned to District Seven by holding monthly meetings. We worked more closely with the 13 different Community Learning Centers and Safe Places located throughout the dis-

trict. Our officers visited these facilities during their tour of duty and our Community Liaison Officer met with these different groups on a monthly basis to help develop "safe passages" around their sites.

All of these efforts resulted in fewer homicide, assault, robbery and theft victims in 2000, as compared to 1999. Property crimes such as burglary and auto theft were problematic in 2000. These crimes will hopefully be reduced with our back to basic initiatives such as increased home security and business surveys, additional block watch establishment and our Operation Identification initiative involving marking property such as lawn mowers and snow blowers for both individual victims or through our block watches.

# Patrol Bureau

## Community Services Division

*Linda Haynes*  
Captain of Police

### SPECIAL PROGRAMS SECTION

#### The Milwaukee Police Band

The Milwaukee Police Band Co-Directors Bobby Lindsey and Karen Dubis, along with Band Manager Mary Hoering, have continued their new approach: opening new community outreach opportunities, energizing established programs and providing new rehearsal and performance objectives which have led to enhanced levels of preparation and performance. The year 2001 will bring even further expansion of the successful "Youth in Arts" program, increased positive exposure, and create small-specialized performance ensembles.

The band participated in nine parades including the South Shore Water Frolics, Great Circus Parade, Memorial Day, American Legion and Christmas parades. They performed at the summer ethnic festivals, 16 Milwaukee Public Schools, ceremonies honoring citizens and police officers, several Elder Care facilities and the Gang Resistance Education and Training (G.R.E.A.T.) Program. The band's upbeat annual community concert at the historic

THE COMMUNITY SERVICES DIVISION CONSISTS OF A GROUP OF DEVOTED AND DEDICATED PERSONNEL COMMITTED TO ENSURING THE SUCCESS OF THE 30 INDIVIDUAL PROGRAMS THAT ARE MANAGED AND COORDINATED BY THE DIVISION. THESE PROGRAMS ARE DESIGNED TO EDUCATE, INFORM AND ENHANCE THE QUALITY OF LIFE OF MILWAUKEE RESIDENTS.

Pabst Theater was performed in front of a packed auditorium. Additionally, seasonal highlights include performances at the Canadian/American Police and Fire Games, The International Society of Crime Prevention Practitioners and Hamilton High School for London dignitaries.

#### Food Drives

The Community Services Division's personnel pooled their monies together to buy 16 Thanksgiving baskets for needy families. The distribution to the needy was a collaborative effort between Community Service staff and teachers from the Trowbridge Elementary School. Under the supervision of Community Services, a total of 617 pounds of food were collected, plus 50 holiday boxes were distributed to needy families for the Christmas holiday season by the Second Harvest Food Bank of Wisconsin.

#### Baseball Cards

The Community Services Division hosted its 18th annual distribution of the Milwaukee Police Department/Milwaukee Brewer's

Baseball Club cards. The initiative is part of the Department's community relations program. Ten thousand baseball cards were distributed.

#### Special Olympics

In June, the Community Services Division hosted the Annual State Torch Run, which kicked off at the Safety Academy. This annual event is one of the many Department-sponsored fundraisers in support of Special Olympics. It involved about 100 runners from the Milwaukee area. Torch Run Law Enforcement Officers throughout Wisconsin collected over \$400,000 for Special Olympics.

#### The Auxiliary Police Unit

The Auxiliary Police Unit continued to add depth and offer valuable assistance to the Department by volunteering a total of 20,002 hours. The auxiliary police volunteerism and support at local parades, runs, festivals, crime prevention and community service events provided necessary coverage and improved the quality of life for the Milwaukee community.

# Patrol Bureau

## Community Services Division

### Operation Teddy Bear

During 2000, Operation Teddy Bear distributed 2,400 stuffed toys to children in need or those who suffering traumatic experiences. On July 12, 2000, the Milwaukee Police Department participated in the Wings Program with Chief Arthur Jones serving as honorary "Ring Master" for the Great Circus Parade Show. Wings is an organization of community professionals dedicated to providing special events for children and adults with disabilities of a physical, developmental or emotional nature.

### The EI Protector Program

The EI Protector Program provides education regarding alcohol, seat belt usage and traffic safety. The program was expanded to incorporate the Driver's License Reinstatement Program. This program is designed to counsel Milwaukee citizens who are interested in having their driver's license and privileges reinstated. The Community Safe Drivers Program has resulted in the City of Milwaukee collecting outstanding fines and restoring license privileges for many Milwaukee citizens.

## YOUTH SERVICES SECTION

### Gang Resistance Education & Training (G.R.E.A.T.)

The Gang Resistance Education and Training (G.R.E.A.T.) program is designed to help middle school students become responsible members of their communities. The students set goals for themselves and learn how to resist the pressures of joining a gang. Gang Resistance Education and Training instructors taught 125 classes, reaching 5,070 middle school students through the G.R.E.A.T. program.

### Safe & Sound

The Safe and Sound Program is a new community-based anti-crime initiative that attacks the problem of youth crime and violence. Most Safe & Sound sites have G.R.E.A.T. instructors who instruct youth in G.R.E.A.T. philosophy. These instructors taught 35 classes at various Safe and Sound locations, reaching 459 youths.

### Bicycle Rodeo

The Community Services Division coordinated a city-wide Bicycle Rodeo; individual rodeos were held on June 17, 2000. Individual rodeos were held in Districts 2, 3, 4 and 5. Five hundred and fifty bicycle helmets were donated by Habush, Habush, Davis and Rottier Law Firm and were distributed to the participants of this event. Also given away was the donation of 1,800 bike reflectors provided by Modern Woodmen of America Insurance Company. During the event, there was an inspection of bicycle equipment including brakes, tires, reflectors, etc. Instruction was given on the recognition of signs and the proper use of signals during the safe operation of bicycles.

### The Police Athletic League (P.A.L.)

The Police Athletic League (P.A.L.) served 4,000 youths in the Milwaukee area with activities such as basketball, baking, cooking, computer classes, and educational field trips. As of 2000, the P.A.L. program has over 100 coaches, both officers and civilians, who assist in making this program popular and successful.

The P.A.L. Youth and Family Activity Center Building fund committee was established, and has so far raised \$3.4 million dollars toward the goal of \$4.5 million dol-

lars. The building will be located on N. 24th St. and W. Burleigh St.

## CRIME PREVENTION SECTION

Public Access television is one of the many vehicles the Community Services Division utilizes to keep the community informed about crime prevention information, events and other activities available. Ten public service announcements were featured on Channel 25.

Community Services Division officers prepared and distributed 44 Crime Trend Bulletins throughout various neighborhoods. These bulletins inform the public of recent crime trends in their neighborhoods and how to avoid being a victim.

The 15th Annual Crime Prevention Awards Ceremony was held in February, 2000. Twelve citizens and six police officers were honored for their commitment and assistance with crime prevention efforts. The event was held in conjunction with the Exchange Club of Milwaukee during their recognition of Crime Prevention Week.

The School Safety Program is conducted every year from January through April. The Community Services Division in cooperation with the seven police districts and the Milwaukee Public Schools offer instruction in Gang/Drug Awareness and Conflict Resolution. Officers provided 183 presentations to students through this program.

The successes enjoyed by this division is due in large part to the committed personnel who partner with people and organizations within the Milwaukee community.

# Special Operations Bureau

*Konica E. Bay*  
Deputy Chief—Special Operations Bureau

THE SPECIAL OPERATIONS BUREAU SUPPORTS THE ACTIVITIES OF THE PATROL BUREAU. THIS BUREAU IS COMPRISED OF THE PLANNING AND OPERATIONS UNIT, VICE CONTROL DIVISION (VCD), INTELLIGENCE DIVISION, PATROL SUPPORT DIVISION, AND THE SPECIAL ASSIGNMENT DIVISION. THE PATROL SUPPORT DIVISION INCLUDES THE TACTICAL ENFORCEMENT UNIT, THE MOTORCYCLE UNIT, THE HARBOR PATROL UNIT AND THE UNDERWATER INVESTIGATION UNIT.

## Vice Control Division

*Kenneth J. Meuler*  
Captain of Police

In 1996, Chief Arthur Jones pledged the Department would immediately respond to all citizen complaints of drug dealing. The Knock and Talk Units daily mission is to honor this pledge. In 2000 the unit was decentralized and a Knock and Talk team was assigned to each district (except District One). The decentralization effort helped increase the efficiency of the unit and allowed greater input from district personnel. This successful re-deployment has led to the following activity:

There were 605 arrests, of which 289 were drug related. One hundred and twenty-nine firearms and \$83,054.00 were confiscated.

The Vice Control Division (V.C.D.) emphasized street level drug dealing. In order to provide a daily focus on street level drug dealing, an additional R.E.D.O. (Rapid Enforcement of Drug Offenses) unit was created in 2000. Each day these units are deployed throughout the city to address citizen complaints of street level drug dealing. In 2000 these units accounted for 849 arrests, of which 662 were drug related. There were 59 firearms confiscated and \$72,325.00 was recovered.

In an effort to commit to complex and long-term investigations the Major Case Unit (M.C.U.) was formed in 2000. This unit will work closely with H.I.D.T.A. (High Intensity Drug Trafficking Area), the Metro Police Drug Enforcement Group, Drug Enforcement Agency (D.E.A.) and other groups to gather and share intelligence needed to identify and dismantle

mid and upper level drug organizations.

The Drug Enforcement Agency's Mobile Enforcement Team (M.E.T.) was deployed in the City of Milwaukee to target high-level traffickers. Through a collaborative effort with members of the Vice Control Division, both the M.E.T. team and V.C.D. were able to effect 28 State arrests for illegal drug trafficking, three search warrants were executed, three consent searches were conducted, and three probable cause arrests were effected. The following weapons, currency, and controlled substances were recovered:

### M.E.T. SEIZURES

**Cocaine Seized 1,781.50 grams**  
(street value of \$178,100.00)

**Crack Seized 532.81 grams**  
(street value of \$106,400.00)

**Marijuana Seized 100 grams**  
(street value of \$100.00)

**Firearms 3**

**U.S. Currency \$4,060.00**

# Special Operations Bureau

*Steven M. Pettingsgaard*  
Captain of Police—Patrol Support Division

The officers assigned to the Street Crimes Section are responsible for a variety of duties including directed patrol missions, saturation patrols, dignitary security and special events. The Tactical Enforcement Officers are responsible for the execution of search warrants and tactical deployments. The Tactical Enforcement Unit was deployed in 40 high-risk incidents, of which 15 involved the use of a negotiator. The unit executed 167 search warrants and utilized chemical munitions in three incidents. Members assigned to Street Crimes provided personnel for over 100 directed patrol missions and other saturation patrols. In 2000, the officers participated in over 1,200 daily and special events.

The Motorcycle Unit officers were tasked with controlling the ingress and egress of traffic related to special events. Some of the events included the Circus Parade, festivals at the Summerfest grounds, Big Bang fireworks, and downtown special events. The officers provided traffic control at over 1,298 daily and special events. The

## Patrol Support Division

THE PATROL SUPPORT DIVISION IS COMPRISED OF THE STREET CRIMES AND UNIFORM SERVICES SECTIONS, MOTORCYCLE, HARBOR PATROL, UNDERWATER INVESTIGATION, TACTICAL ENFORCEMENT, AND HORSE MOUNTED PATROL UNITS.

Motorcycle and Street Crimes officers issued the following citations:

- 5,887** Citations for auto speed
- 28,177** Uniform Traffic Citations
- 6,925** Equipment Violation Citations
- 18,000** Operator License/Vehicle Registration Citations
- 15,065** Traffic Warnings

The Mounted Horse Patrol expended over 2,300 hours at special events. This unit has been very well received by the community as evidenced by the number of appearance requests received since 1999. The unit also participates in saturation patrol and during 2000, accounted for:

- 1,173** Parking Citations
- 187** City Citations
- 46** State Arrests
- 1,779** Hours Saturation Patrol

The Harbor Patrol Unit patrolled Milwaukee's navigable waterways between April and November. Members performed numerous search and rescue operations. The officers investigated boating accidents and provided police coverage at events that impacted the waterways including the fireworks displays and festivals. Harbor Patrol officers issued 227 municipal citations for boating violations.

The Underwater Investigation Unit is comprised of volunteers from throughout the Department. The members operate on a call up basis. Training is conducted year round, both in the field and at Moody Pool. The unit conducted numerous searches for evidence and weapons.

# Special Operations Bureau

*David A. Clarke*  
Captain of Police—Intelligence Division

## Criminal Intelligence Division

IN 2000, THE MILWAUKEE POLICE DEPARTMENT, MILWAUKEE COUNTY DISTRICT ATTORNEY'S OFFICE, THE U.S. ATTORNEY'S OFFICE, THE BUREAU OF ALCOHOL, TOBACCO AND FIREARMS, AND HIGH INTENSITY DRUG TRAFFICKING AREA, LAUNCHED OPERATION CEASEFIRE.

The focus of this operation is to identify and vigorously prosecute felons who go armed in our city in an effort to discourage the illegal use of firearms. The Criminal Intelligence Division has been the lead division for the Milwaukee Police Department. Detectives assigned to this initiative review every arrest report involving a firearm. They also track all firearm related cases referred to the District Attorney's Office for prosecution. In 2000, there were 988 cases reviewed by Ceasefire detectives which resulted in the following:

- 281** State misdemeanor charges
- 320** State felony charges
- 59** Federal charges
- 88** Cases referred for other prosecution

Members assigned to the Intelligence Division are responsible for providing security coverage for dignitaries and visiting V.I.P.s. During 2000, the presidential election prompted 12 visits to the city by presidential candidates. The Criminal Intelligence Division successfully monitored and coordinated with the United States Secret Service for each visit.

The Intelligence Division submitted 939 letters to the parole board objecting to the release of serious felony offenders. The Absconder Unit, while working in conjunction with the Department of Corrections, was responsible for the apprehension of 385 individuals wanted for violating the terms of their probation or parole.

Any police officer making an arrest that qualifies for Ceasefire prosecution is given a Ceasefire tiepin in recognition of their efforts. In 2000, 150 pins were awarded.

# Special Operations Bureau

*Ronald J. Bebernick*

Lieutenant of Police—Planning & Operations Unit

## Planning and Operations Unit

During 2000, members of the Planning and Operations Unit provided necessary police services for 256 special events and 1,048 daily events. There were 930 additional events that were referred to the district stations. The Planning and Operations Unit also processed 39 Traffic Zone Missions.

Members assigned to Planning and Operations work closely with the Department of Public Works and Traffic Engineering in an effort to ensure that the events are safe for participants and attendees.

## Special Assignment Division

*Conrad W. Lvara*

Administrative Lieutenant  
Special Assignment Division

The Special Assignment Division is responsible for providing security for the Mayor and the City Hall complex. The officers patrolled the interior and exterior portions of the City Hall complex in an effort to prevent criminal activity. Members assigned to the Special Assignment Division strive to ensure the safety of all citizens that enter and work within City Hall complex.

# Criminal Investigation Bureau

*Edward M. Stenzel*  
Deputy Chief—Criminal Investigation Bureau

*Dennis Murphy*  
Captain of Police—Criminal Investigation Bureau  
Early Shift Commander

*Oscar C. Perez*  
Captain of Police—Criminal Investigation Bureau  
Late Shift Commander

THE THE CRIMINAL INVESTIGATION BUREAU IS COMPRISED OF THE HOMICIDE DIVISION, THE CRIMES AGAINST PERSONS DIVISION, THE CRIMES AGAINST PROPERTY DIVISION, AND THE SENSITIVE CRIMES DIVISION. THESE SEPARATE BUT UNIFIED UNITS INVESTIGATE AND MANAGE THE CRIMINAL CASES IN THE CITY OF MILWAUKEE IN THEIR RESPECTIVE AREAS OF RESPONSIBILITY.

## Homicide Division

*Joseph M. Purpero*  
Captain of Police—Homicide Division

During 2000, the Homicide Division investigated 121 homicides compared to 124 in 1999. The Uniform Crime Report (U.C.R.) clearance rate was 81%, which is identical to the clearance rate of 1999. The U.C.R. clearance rate remains well above the national average of 60 to 65%.

During 2000, the Homicide Division solved 12 homicides that occurred in Milwaukee in previous years, which is a 25% increase from 1999.

In 2000, there was a 7% decrease in the number of homicides committed with a firearm.

# Criminal Investigation Bureau

## Crimes Against Persons Division

*Debra Davidoski*  
Captain of Police  
Crimes Against Persons Division

THE CRIMES AGAINST PERSONS DIVISION IS RESPONSIBLE FOR THE INVESTIGATION OF ALL ROBBERIES AND FELONY ASSAULTS. THE DIVISION'S GOALS ARE TO INCREASE CLEARANCE RATES AND ULTIMATELY REDUCE THE NUMBER OF ROBBERIES AND ASSAULTS IN THE CITY.

In 2000, robberies decreased by 4% and assaults decreased by over 10% as compared to 1999. More significantly, robberies decreased over 25% compared to 1997.

Personnel assigned to the Crimes Against Persons Division receive training and are assigned to specialized investigations. These specialties include the Bank Robbery Squad, Polygraph Unit, Senior Citizen Squad, and the F.B.I. Fugitive Task Force.

In 2000, the Bank Robbery Squad investigated 48 bank robberies and cleared 40 of them by arrest. This 84% clearance rate has been praised by the FBI as one of the highest clearance rates in the nation.

In 2000, the Polygraph Unit conducted 139 polygraphs. Most of these exams assisted in the clearance of homicides, assaults, and robberies.

Detectives assigned to the Senior Citizen Unit investigate crimes involving elderly victims and refer elderly victims to agencies and resources that specialize in assisting the elderly. In addition, these detectives are available for presentations to senior citizen groups.

Personnel assigned to the F.B.I. Fugitive Task Force assist in apprehending homicide, assault, and robbery suspects wanted by the Milwaukee Police Department. In 2000, this Task Force arrested 74 wanted suspects living in the Milwaukee area and arrested an additional 49 suspects in other states.

# Criminal Investigation Bureau

*Gary M. Cox*  
 Captain of Police  
 Crimes Against Property Division

## Crimes Against Property Division

THE CRIMES AGAINST PROPERTY DIVISION IS CHARGED WITH THE RESPONSIBILITY OF INVESTIGATING ALL FELONY PROPERTY-RELATED CRIMES. THE TOTALS BELOW REFLECT THE NUMBER OF OFFENSES IN THESE RESPECTIVE CATEGORIES IN 1999 AND 2000.

These figures represent a 2% decrease in reported burglaries, along with an 8% increase in auto thefts and a 5% increase in arson offenses.

In addition, the Crimes Against Property Division includes the Forgery Squad, the Recovered Property Unit, the Investigative Support Section, and the Warrant Squad.

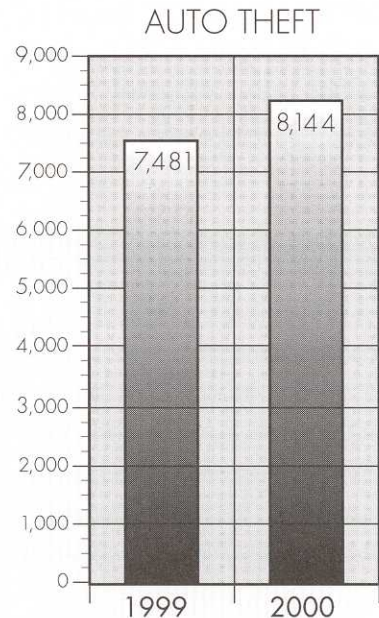

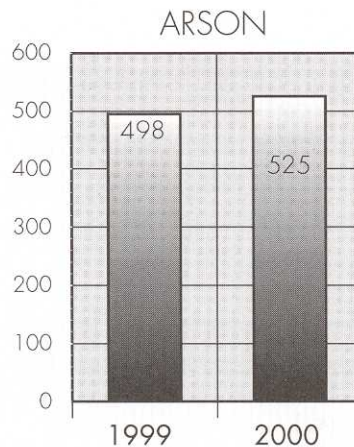

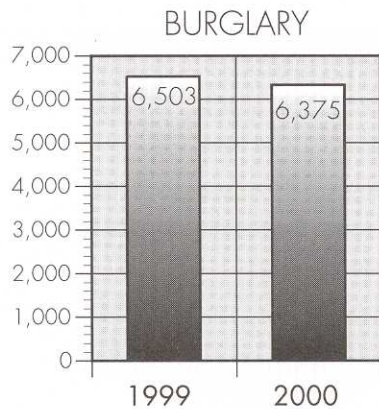

The Forgery Squad carries the responsibility of investigating forgery, financial transaction, and issuance of worthless check offenses.

Members of the Recovered Property Unit are responsible for checking all pawn and resale shops for suspected stolen property so it can be identified and returned to its rightful owner.

Members of the Investigative Support Section provide service to all Department members relative to background checks for suspects. They also

produced high-quality "wanted" flyers for vehicles and suspects sought in connection with felony offenses.

Members assigned to the Warrant Squad are responsible for locating and arresting suspects wanted on warrants. In 2000, they made 723 felony arrests, 101 state arrests, and 1,805 municipal warrant arrests. Members of this unit also processed 191 extradition requests from other agencies and returned 70 prisoners from other jurisdictions to face prosecution in Milwaukee County.

# Criminal Investigation Bureau

*Vincent J. Vitale*

Captain of Police  
Sensitive Crimes Division

The Sexual Assault Unit investigated 1,719 sexual assaults and other related felonies. The U.C.R. forcible rape clearance rate was 90.7%. The national average was 52%. This was the fifth year in a row the clearance rate exceeded 90%.

Detective Lori Gaglione also pioneered the use of "John Doe" DNA

## Sensitive Crimes Division

THE CRIMES AGAINST PERSONS DIVISION IS RESPONSIBLE FOR THE INVESTIGATION OF ALL ROBBERIES AND FELONY ASSAULTS. THE DIVISION'S GOALS ARE TO INCREASE CLEARANCE RATES AND ULTIMATELY REDUCE THE NUMBER OF ROBBERIES AND ASSAULTS IN THE CITY.

warrants. These warrants are based on DNA profiles obtained from victim and crime scene evidence. There are unsolved, stranger rapes in which the DNA profile had been previously entered into the DNA data base in an attempt to identify the suspect. These warrants are issued on cases just prior to the expiration of the six-year statute of limitations in order to "freeze" this statute. Nine warrants were issued in 2000 and the innovative use of these

warrants received national media attention, resulting in police departments throughout the nation contacting the Sensitive Crimes Division about this procedure and, ultimately, adopting what is being called the "Milwaukee Model". Detective Gaglione was nominated for the Good Housekeeping Award for Women in Government and was one of the finalists for this prestigious award. The award winner will be announced in 2001.

## Crimes Against Children Unit

The Crimes Against Children Unit successfully investigated 1,000 physical abuse and neglect allegations. This unit is highly respected by other agencies in

this field, including Children's Hospital of Wisconsin. In recent years, three members of the Sensitive Crimes Division received the "June Dobbs"

Award for outstanding work in this field. Lieutenant of Detectives William Joers received this award in 2000.

## Missing Persons Unit

The Sensitive Crimes Division (S.C.D.) managed 5,800 missing person reports (800 of them critical). In 2000, the S.C.D. instituted a computerized case management system for missing person investigations. This has assisted in prioritizing investigations and more quickly

identifying suspicious circumstances that develop. The daily average of open missing person investigations has decreased from 300 to 240.

The entire Sensitive Crimes Division received 16 hours of training by profes-

sionals from Children's Hospital in medical findings and DNA evidence. Members of the Sensitive Crimes Division received additional training in child interviews.

# Technical Services Bureau

*David H. Spenner*

Deputy Inspector—Technical Services Bureau

THE TECHNICAL SERVICES BUREAU IS COMPRISED OF THE DATA SERVICES DIVISION, CENTRAL RECORDS DIVISION, COMMUNICATION DIVISION, AND THE IDENTIFICATION DIVISION.

## Data Services Division

The Data Services Division is responsible for the implementation and maintenance of the Department's mainframe and personal computer based information systems. One Network Administrator and two Network Coordinator Seniors oversee 470 computers and over 1000 users department wide.

Starting in late 1998, the focus of the technical support staff of the Data Services Division was directed toward the resolution of problems associated with the issue of Y2K. In addition to their regular duties, a tremendous effort was made on a daily basis to prepare the Department systems to accept the change over from 1999 to the year 2000. As a result, the transition into 2000 was transparent.

There were numerous accomplishments in 2000.

- An on-line Department phone book
- Re-designed LEOKA component of the U.C.R. program
- Setup a 15 workstation computer classroom at the Training Bureau
- Created an equipment information system database
- Updated the uninterruptible power system (U.P.S.)
- Online reports library created
- Computerization of the help desk trouble log

# Technical Services Bureau

*Susan M. Edman*  
Captain of Police—Central Records Division

## ADMINISTRATIVE SECTION

The Administrative Section of the Central Records Division is divided into several operational units, based upon the distinct function or service they provide. The Incident Report Unit is tasked with entering all offense reports filed by district personnel and divisions not assigned to the Criminal Investigation Bureau into the Department's mainframe computer system. This unit also enters all clearance dispositions. The Telephone Reporting Unit processes calls from citizens who wish to file offense reports for selected property crimes. The Stolen Vehicle Desk is responsible for processing auto theft reports and cancellations. The General Duty Unit performs a variety of functions including locating and providing reports for law enforcement purposes, initiating correspondence relating to the transmittal of evidence to the Wisconsin State Crime Laboratory, and act as the central communication center for all correspondence between our Department and other law enforcement agencies regarding criminal and/or

## Central Records Division

THE CENTRAL RECORDS DIVISION IS COMPRISED OF THE ADMINISTRATIVE SECTION, THE OPEN RECORDS SECTION, THE TRAFFIC RECORDS SECTION, THE ACCIDENT INVESTIGATION SECTION, AND THE COURT ADMINISTRATIVE SECTION.

health and safety matters. The Administrative Section is the central repository for all documents that have been filed relating to complaints or incidents reported to the Department as well as all felony arrest warrants.

In 2000, civilian, as well as sworn staff, from the Administrative Section received specialized training from the Crime Information Bureau consisting of TIME System Basic Certification, TIME System Advanced Certification and TIME Recertification.

On February 6, 2000, the Department Tow Desk was dissolved. The Department of Public Works personnel are now responsible for staffing the Tow Desk at 2142 W. Canal Street.

## ACCIDENT INVESTIGATION SECTION

The Accident Investigation Section is the central repository for all reportable traffic accident reports. Accident Investigation Section personnel perform "accident reconstruction" services for serious and fatal accidents.

Officers assigned to the Accident Investigation Section have received extensive training in accident recon-

struction from the Northwestern University Traffic Institute. The training requires the understanding of algebra, trigonometry, and physics in order to determine vehicle speed at impact, vehicle position prior to and after collision, who was driving, and if the vehicle lamps were on or off at impact. Specialized equipment (computer aides for accident reconstruction, reference materials, books, charts, etc.) is used for the successful reconstruction of accidents. Unit members utilize a truck with specialized equipment during the investigation and/or reconstruction of fatal and serious accidents. Officers from the Accident Investigation Section also provide expert testimony in court relative to accident reconstruction.

In 2000, there were 38 fatal accidents in the City of Milwaukee. Accident Investigators responded to 15 serious accidents and they reconstructed ten of those accidents.

The Accident Investigation Section assisted district officers with the apprehension of individuals that flee the scene of an accident. In 2000, there were 5,191 hit and run accidents in the City of Milwaukee. The Accident

# Technical Services Bureau

Investigation Section conducted follow up on 1,210 of those accidents.

In 2000, officers assigned to the Accident Investigation Section seized 15 motor vehicles per court orders for

repeated violations of Operating Auto While Intoxicated.

The following is a summary of the traffic accidents reported to the Milwaukee Police Department during

2000, as it compares with statistics from the previous years.

## TRAFFIC ACCIDENT SUMMARY

	2000	1999	1998	1997
Persons Killed	38	30	25	35
Persons Injured	8,167	7,938	8,374	9,054
Fatal Accidents	37	30	24	35
Injury Accidents	5,405	5,170	5,459	5,794
Property Damage Accidents	15,700	13,619	12,995	13,218
Hit & Run Accidents	5,191	4,648	4,478	4,800
<b>Total Accidents</b>	<b>21,142</b>	<b>18,819</b>	<b>18,478</b>	<b>19,047</b>

## TRAFFIC RECORDS SECTION

The Traffic Records Section processes and maintains the records of all Wisconsin Uniform Traffic citations issued by members of the Milwaukee Police Department. The Traffic Records Section provides citizens and officers with information on parking and traffic citations, as well as information regarding the registration of vehicles, operator's licenses, rules of the road, towed vehicles, and other traffic related matters.

## COURT ADMINISTRATION SECTION

The Court Administration Section is responsible for achieving the most efficient use of Department resources as they relate to court appearances. Court Administration Section personnel serve as the liaison between the Milwaukee

Police Department, the State of Wisconsin Criminal Circuit Courts, the Milwaukee County District Attorney's Office, and the City of Milwaukee Municipal Courts.

During 2000, the Court Administration experienced an increase in court overtime hours from the previous year:

Year	Court O.T. Hours	Increase Decrease
2000	74,340	+5,107
1999	69,233	-13,204
1998	82,437	-7,430
1997	89,867	-11,174

The State Liaison Unit processed 21,063 misdemeanor cases, of which 15,073 were summary cases and 4,064 were order-in cases. At the initial charging conference with liaison personnel, 69% (13,239) were charged,

23% (4,407) were not prosecuted and 7% (1,491) were pended to another date. In addition, 1,926 cases that were initiated by other officers were completed as information & belief cases by Court Administration staff. This procedure reduces overtime and returns officers for duty expeditiously.

In 2000, the Municipal Court bailiff's caseload decreased by 30% as compared to 1999.

The City Liaison Unit processed 33,971 non-traffic citations.

Court	2000	1999	%Change
Branch 1	41,667	59,616	-30%
Branch 2	40,499	59,375	-32%
Branch 3	42,863	60,775	-29%
Branch 4	4,413	4,364	-1%
Totals	129,442	184,130	

# Technical Services Bureau

## Central Records Division

### OPEN RECORDS SECTION

The Open Records Section is responsible for the compilation, review, and dissemination of Milwaukee Police Department records as mandated by Wisconsin State Statute pursuant to the Open Records Law. This would include, but is not to be limited to, the following areas:

- Liaison to the offices of the District and City Attorney relative to Claim Investigations and Writs of Mandamus;
- Liaison to the Office of the Chief of

Police and Public Information Office regarding the release of MPD records to attorneys, aldermen, the media, and the general public;

- Police Department liaison to the City of Milwaukee Records Center regarding retention and destruction of all records;
- Liaison with the State of Wisconsin regarding records relating to Civilian Victim Compensation Claims;

- Review and update of Milwaukee Police Department retention and destruction schedules, and their subsequent implementation;
- Oversee and implement the Milwaukee Police Department's recycling efforts pertaining to the destruction of confidential MPD records.

The Open Records Section received 40,450 requests for reports, which resulted in the release of 143,883 records.

## Communications Division

*David J. Bartholomew*  
Captain of Police—Communications Division

*T*HE COMMUNICATIONS DIVISION IS RESPONSIBLE FOR HANDLING ALL POLICE DEPARTMENT COMMUNICATIONS. THIS DIVISION IS ALSO RESPONSIBLE FOR INSTALLING AND SERVICING ALL OTHER RADIO AND COMMUNICATIONS EQUIPMENT FOR THE CITY OF MILWAUKEE.

Members of the division worked with PSComm, a subcontractor of the Police Executive Research Forum, to analyze the division's present business processes. Reports and recommendations were generated for implementation now and for the eventual move to the new Communications Operations Center.

During 2000, the Communications Division dispatched officers to 511,768 calls for service.

In an effort to civilianize our dispatch functions, 21 civilian members of the Communications Division were promoted. Fifteen members were promoted to Police Dispatchers and six members were promoted to Lead Police Telecommunicators.

# Technical Services Bureau

*Donald A. Valentino*  
Captain of Police—Identification Division

## Identification Division

THE IDENTIFICATION DIVISION DOCUMENTS AND PRESERVES EVIDENCE FROM CRIME SCENES INVESTIGATED BY THE MILWAUKEE POLICE DEPARTMENT THROUGH PHOTOGRAPHY. ON A DAILY BASIS, MEMBERS COLLECT VARIOUS FORMS OF PHYSICAL EVIDENCE SUCH AS FINGERPRINTS, BLOOD, FOOTPRINTS, AND HANDWRITING EVIDENCE FROM THESE CRIME SCENES AND ATTEMPTS TO LINK SUSPECTS TO THEIR CRIMES BY IDENTIFYING THE FINGERPRINTS OR HANDWRITING SAMPLES FOUND AT THESE SCENES.

The Identification Division maintains a computerized automated fingerprint identification system (A.F.I.S.), handwriting analysis archive, a mugshot gallery of arrested individuals and it operates a complete photo lab.

In 2000, the Identification Division staff responded to 15,303 crime scenes. Evidence was processed in 5,648 cases for fingerprint evidence. After making almost 50,000 comparisons on these cases, they were successful in positively identifying 1,904 prints which helped solve many offenses.

The Document Section of the Identification Division processed 939 cases for handwriting and fingerprint evidence.

The Prisoner Processing Section identified 781 arrested persons using someone else's name while they processed the 33,482 prisoners arrested by the Department.

During 2000, the Identification Division began the process of implementing the use of digital cameras.

Also during 2000, a direct hook up was installed for the Milwaukee Police Department into the new F.B.I. AF.I.S. computer system. This system is an A.F.I.S. computer that has 42 million criminal fingerprint records stored in its database that can be searched when serial crimes and other major offenses occur in Milwaukee. This will become a major tool in solving crimes that occur in our area when the suspect is not from the Milwaukee area.

The Identification Division is undergoing a major renovation of the chemical processing area and equipment used to develop latent fingerprints. The project should be completed in 2001. Improved results in developing prints on difficult surfaces are expected once this project is completed.

## Training Bureau

In 2000, the Training Bureau was responsible for the development and implementation of specialized training programs in several areas including: basic crime prevention, school safety, crime scene evidence techniques, specialized detective training, breath examiner specialist training, laser/radar training, field training officer recertification, field training officer certification, bicycle patrol training, motorcycle training, police aide training, licensed premises training, civilian dispatcher and police telecommunicator training and supervisory development. A major accomplishment of the Training Bureau for the year was the certification and recertification of the law enforcement and civilian members of the Department in the T.I.M.E. System.

The Milwaukee Police Department Regional Training Center sponsored training in: instructor development certification, firearms instructor certification, room clearing, mounted police training, citation writing, simunitions firearms instruction, sexual assault and domestic violence training and unified tactical instructor recertification.

To meet the training needs projected with the new Communications Operation Center, the Training Bureau has begun to focus on new and emerging technologies. Three members of the Training Bureau staff have begun the certification process to provide computer training in the Microsoft Office Suite of applications. In conjunction with personnel from the Technical Services Bureau, the Training Bureau is developing the ability to provide the specialized training programs that will be needed.

## Administration Bureau

*Dean J. Collins*  
Commander—Administration Bureau

The Administration Bureau is responsible for providing a variety of administrative services required to support the Department's mission. This bureau is comprised of the Personnel Division, Property Control Section, Printing and Stores Section, Maintenance Services Section, License Investigation Unit,

THE ADMINISTRATION BUREAU IS RESPONSIBLE FOR PROVIDING A VARIETY OF ADMINISTRATIVE SERVICES REQUIRED TO SUPPORT THE DEPARTMENT'S MISSION. THIS BUREAU IS COMPRISED OF THE PERSONNEL DIVISION, PROPERTY CONTROL SECTION, PRINTING AND STORES SECTION, MAINTENANCE SERVICES SECTION, LICENSE INVESTIGATION UNIT, MEDICAL SECTION, PAYROLL SECTION, AND THE BACKGROUND INVESTIGATION UNIT.

Medical Section, Payroll Section, and the Background Investigation Unit.

The Administration Bureau reviews all proposed legislation before the Wisconsin Legislature as to its impact upon the public, the criminal justice system, and the Department before making

recommendations to the Chief of Police. Administration Bureau representatives of the Chief testify before various legislative committees. The Bureau also disseminates new Wisconsin statutory changes throughout the Department and acts as a resource concerning new laws.

### Personnel Division

*Dalarie Watson*  
Personnel Administrator—Personnel Division

THE PERSONNEL DIVISION IS COMPRISED OF THE BACKGROUND INVESTIGATION UNIT, RECRUITING, MEDICAL, AND PAYROLL SECTIONS.

This division is responsible for ensuring that the provisions of the various labor contracts, covering Department members, are complied with and properly administered. Members of the Personnel Division staff attend all contract negotiations and represent the Department at these proceedings as well as at arbitration hearings, unemployment compensation hearings, and other litigation forums.

Additionally, the Personnel Division processes appointments, promotions,

separations (i.e., retirements, resignations, terminations, etc.), and leaves of absences. The division prepares and publishes Department personnel orders involving personnel transactions. These include promotions, transfers, appointments, and disciplinary matters.

Furthermore, the Personnel Division functions as a resource for commanding officers when developing and preparing vacancy notices, and in the selection process when filling existing vacancies.

# Administration Bureau

*Polly A. Steinke*

Payroll Supervisor—Payroll Section

## Payroll Section

The Payroll Section is responsible for processing and transmitting data, which is used to issue biweekly payroll checks. This data includes overtime, pay adjustments, deductions, and all special payments, such as uniform allowance, longevity pay, variable shift assignment pay, certification pay, and education bonuses.

The Payroll Section utilizes the new People Soft Payroll System, which was developed for the City of Milwaukee to provide service to our members and to enhance all aspects of Department payroll functions.

## Property Control Section

*Patrick M. Wierzba*

Lieutenant of Police—Property Control Section

During 2000, the men and women assigned to the Property Control Section worked tirelessly preparing for the move to the new Police Property Warehouse. Audits were conducted of all property held in the Police Administration Building and the remote storage facility. Shelving was disassembled, moved, modified and re-constructed. Each piece of property moved to the new facility was re-audited to ensure that it was moved properly prior to being placed in storage.

The members assigned to the Property Control Section worked continuously with

private sector vendors and other City agencies to provide efficient and appropriate storage at the new facility.

The standard operating procedure was revised to accurately reflect how business is conducted from the Warehouse.

The long list of accomplishments of the Department members assigned to Property Control Section could fill volumes, but the final result speaks for itself. The Milwaukee Police Department has a Property Storage facility that is worthy of a first class city.

## Recruiting Section

The members assigned to the Recruiting Section are actively involved in the recruitment of potential candidates for employment with the Milwaukee Police Department. The officers work cooperatively with the Fire and Police Commission to facilitate the application and testing process.

Members of the Recruiting Section go to local high schools and colleges as well as attend job fairs in an effort to disseminate information about employment and career opportunities with the Milwaukee Police Department.

In 2000, recruiting officers made 74 formal recruiting presentations. More than 700 citizens completed interest forms for the positions of Police Officer, Police Aide, Office Assistant, and Telecommunicator.

# Administration Bureau

*Linda Velasco*

Administrative Lieutenant—Medical Section

## Medical Section

The Medical Section continues to monitor the status of personnel on sick or injury leave. It also serves as the liaison between the Office of Employee Benefits, ambulance companies, hospitals and various clinics throughout the City of Milwaukee. A new responsibility for the Medical Section is to monitor the Family and Medical Leave Act. This wonderful benefit allows members to stay home at a time when it is so

important to be a family with a new baby, to take care of a family member with a serious illness or for a member's own serious illness.

In 2000, we helped accommodate A.D.A. (Americans With Disabilities Act) requests by providing hearing devices and ergonomic chairs. In one instance, an ergonomic chair made a remarkable reduction in sick leave usage due to back pain.

## Printing and Stores Section

*Raymond E. Celke*

Printing & Stores Supervisor—Printing & Stores Section

This section provides the printing of all department forms, brochures, posters and booklets in addition to furnishing the various work locations with essential office and medical supplies.

The Printing and Stores Section is located within the Training Academy and consists of five employees who ensure that these services are provided in a timely and cost efficient manner.

## Background Investigation Unit

The Background Investigation Unit is responsible for investigating the background history of individuals that apply for employment with the Milwaukee Police Department. A total of 368 background investigations were completed in the year 2000.

The following is a breakdown of all investigations conducted:

### **Police Officers - 228**

120 Recommended, 74 Not Recommended, 12 Disqualified, 20 Withdrew, 2 Rehires

### **Police Aides - 51**

24 Recommended, 11 Not Recommended, 14 Disqualified, 2 Withdrew

### **Telecommunicators - 42**

13 Recommended, 19 Not Recommended, 4 Disqualified, 5 Withdrew, 1 Rehire

### **Office Assistants - 22**

11 Recommended, 5 Not Recommended, 1 Disqualified, 5 Withdrew

### **Custodians - 16**

4 Recommended, 6 Not Recommended, 4 Disqualified, 2 Withdrew

### **Others - 10**

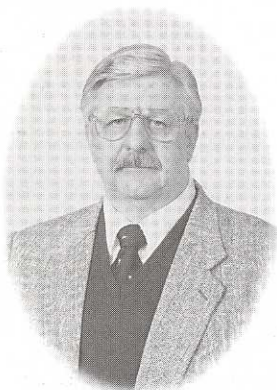

1 Personnel Analyst Sr. Recommended;

3 System Analysts Recommended;  
2 Payroll Supervisors Recommended;  
2 Payroll Assistants Recommended;  
1 Inventory Controller Recommended;  
1 Police Service Specialist Recommended,  
1 Withdrew

### **Investigators completed 79 background checks for other jurisdictions.**

The primary goal of the Background Investigation Unit for the year 2001 is to provide in-depth, well documented background investigations to assure that only the most qualified applicants are hired by the Milwaukee Police Department.

# Administration Bureau

*Gordy Gregg*  
Maintenance Supervisor  
Maintenance Services Section

The Maintenance Services Section provides support for all Milwaukee Police Department buildings and fleet operations. This Section services a fleet of 686 vehicles, and maintains eight buildings with a combined total area of 448,610 square feet.

Construction is underway for a new 87,000 square foot Communications facility, which will also include a new Third District Police Station. Partial occupancy is scheduled for November 2001.

## Maintenance Services Section

This year renovations were completed to a 50,000 square foot warehouse. The five-story building located on 27th Street and Wisconsin Avenue, will house the Department's Property Control Section.

The Seventh District Station received a complete heating and air conditioning upgrade. This station is the second facility to be equipped with the new Trane "Tracer Summit" Automated Building Control System. This remote site can be monitored from the Police Administration Building (P.A.B.) thus reducing response time when addressing critical heating/ventilating issues.

A new state of the art cooling tower was installed atop the Police Administration Building. The fiber glass structure is totally enclosed and will save on evaporation of both water and chemical treatments. The tower cools circulated water which is used in our air conditioning system. There are six fans on this tower which run independently or togeth-

er, making it an energy saving factor. The new tower replaces the original Marley Cooling tower, which was installed when the P.A.B. was first built 30 years ago.

The Police Department has ordered ten Chevrolet Impalas, which are scheduled to arrive during the summer of 2001. The vehicles are the first front wheel drive units to be used by this Department since the mid-eighties when K-cars were used. The vehicles will be used for general duty assignments.

A pilot program was initiated to study the cost savings of recycling uniform police vehicles. Ten vehicles ranging from 1994 through 1997 were given a complete makeover. Engines, transmissions, suspensions, brakes, electrical and cooling systems, interiors and exteriors were all redone. The cost to renovate one of these vehicles was approximately half the cost of a new vehicle; the life of the restored vehicle is approximately another 140,000 miles.

## License Investigation Unit

The License Investigation Unit is responsible for investigating all applications for licenses and permits in the City of Milwaukee. Upon completion of the investigation, a written recommendation to grant or deny a license and/or permit is submitted on behalf of the Chief of Police to the Common Council Utilities and Licenses Committee. Following a review of the Department's position, the Committee makes a recommendation to the Common Council. Such investigations include but are not limited to taverns, liquor stores, bartenders, home

improvement contractors, salesmen, junk dealers and collectors, taxis, public passenger vehicles and drivers, pawn brokers, second hand dealers, used motor vehicle dealers, private alarm system companies, and rooming houses.

The License Investigation Unit is the central repository for all records and reports pertaining to persons and premises licensed by the City of Milwaukee. In addition, the License Investigation Unit conducts on-site inspections at large public events to ensure compliance with

licensing requirements.

In 2000, there were 8,907 license application investigations were conducted and Department members filed 491 Licensed Premises reports.

The procedure for the annual inspection of taxis, as required by city ordinance, was revised.

In 2001, the License Investigation Unit will begin license application investigations for restaurants and tattoo/body piercing establishments.

# Training Bureau

*Laura B. Schwefel*  
Deputy Inspector—Training Bureau

*Gerald Wawrzonek*  
Captain of Police—Training Bureau

On January 1, 2000, the Training Bureau implemented an 8.0 hour quarterly in-service schedule which incorporated the firearms program into each 8.0 hour block of instruction. Along with the firearms training, the four sessions included instruction in the following topics:

- **Appellate and Supreme Court Decisions**
- **Criminal Intelligence**
- **Restraining Orders**
- **C.P.R. Recertification**

**T**HE TRAINING BUREAU IS COMPRISED OF THE TRAINING DIVISION AND SAFETY DIVISION. IT IS RESPONSIBLE FOR THE IMPLEMENTATION, DELIVERY AND COORDINATION OF ALL TRAINING PROGRAMS IN THE DEPARTMENT.

DURING 2000, THE TRAINING BUREAU AGAIN PROVIDED A FULL ARRAY OF IN-SERVICE, RECRUIT, AND SPECIALIZED TRAINING FOR MILWAUKEE POLICE DEPARTMENT MEMBERS. ADDITIONALLY, IN ITS ROLE AS A SOUTHEAST WISCONSIN REGIONAL TRAINING CENTER, THE TRAINING BUREAU PROVIDED INSTRUCTOR CERTIFICATION AND DEVELOPMENT COURSES FOR OUR OWN OFFICERS AND TRAINING OFFICERS FROM OTHER AREA JURISDICTIONS.

- **Nuisance Abatement Procedures**
- **Interviewing and Interrogation Skills**
- **District Attorney Procedures**
- **Report Writing**
- **Courtroom Department**
- **Emergency Vehicle Operation Recertification**
- **Traffic Citations and Citation Service**
- **Vehicle Contacts**
- **Hot Pursuits**
- **Officer Rescue Tactics**

Two hundred and twenty supervisory personnel attended an additional 8.0 hour block of instruction at the Training Bureau in the following topics: internal affairs, court administration, ethics, employee relations, incident command and police officer support.

The Recruit Training program continues to be a comprehensive 23-week course of instruction, designed to mold the recruit into an effective and efficient law enforcement officer prepared to serve the public with the highest degree of professionalism. Recruit Class #1-2000 began on February 21, 2000 with 58 candidates and successfully graduated 54 police officers on July 28, 2000. Recruit Class #2-2000 began on September 18, 2000 with 60 candidates, with a scheduled graduation date of February 22, 2001.

## Training Bureau

In 2000, the Training Bureau was responsible for the development and implementation of specialized training programs in several areas including: basic crime prevention, school safety, crime scene evidence techniques, specialized detective training, breath examiner specialist training, laser/radar training, field training officer recertification, field training officer certification, bicycle patrol training, motorcycle training, police aide training, licensed premises training, civilian dispatcher and police telecommunicator training and supervisory development. A major accomplishment of the Training Bureau for the year was the certification and recertification of the law enforcement and civilian members of the Department in the T.I.M.E. System.

The Milwaukee Police Department Regional Training Center sponsored training in: instructor development certification, firearms instructor certification, room clearing, mounted police training, citation writing, simunitions firearms instruction, sexual assault and domestic violence training and unified tactical instructor recertification.

To meet the training needs projected with the new Communications Operation Center, the Training Bureau has begun to focus on new and emerging technologies. Three members of the Training Bureau staff have begun the certification process to provide computer training in the Microsoft Office Suite of applications. In conjunction with personnel from the Technical Services Bureau, the Training Bureau is developing the ability to provide the specialized training programs that will be needed.
